OBJECTIVES

• Acquire and apply relevant skills needed to hire and develop an effective team, manage optimal performance, and maintain a positive work culture that is committed to excellence, access and impact.
• Increase self-awareness and gain insight from others about leadership strengths.
• Build a strong foundation of knowledge around current ASU supervisory policies, recommended practices and resources.
• Expand networks and form supportive relationships with other managers from across the university.

PROGRAM COMPONENTS

• ASU’s vision and values are embedded in the curriculum and ASU’s Core Expectations for managers are defined and emphasized throughout the program.
• All participants take part in a 360° Assessment process that explores performance in core expectation areas and identifies leadership strengths.
• Practical exercises within pre-work assignments and in-person sessions ensure skills learned are transferred to the workplace.

FOCUS AREAS

Motivation and engagement  Effective communication
Performance management  Employee wellness
Staff and team development  Networking
Recognition & retention  ASU policies & expectations

...and more

“...I think anyone that is supervising should come to this! I’m going to send all my supervisors.”
—Past LINAU participant
