

Arizona Territorial Normal School

JAS. McNAUGHTON, A. M., Ph. D., Principal

Tempe, Arizona, Jan. 5, 1898.

To the Board of Education of the
Normal School of Arizona.

Gentlemen, - Accompanying this communication, I present a statement of the basis of discipline, and what few rules the faculty have found necessary to promulgate. Others will be announced as the needs of the school seem to demand.

It is the aim and practice of the faculty, to deal with offenders in such a manner as to elevate rather than degrade them.

Very few cases of improper conduct have occurred.

Very respectfully yours,

Jas. McNaughton.
