

LOS CONQUISTADORES
ARIZONA STATE COLLEGE
TEMPE, ARIZONA

April 1, 1946

For the first time since the beginning of the war, Los Conquistadores will sponsor their annual state conference on April 14 at 9:30 a.m. in the Lyceum building located on the campus of the Arizona State College at Tempe.

Due to the numerous problems and handicaps impeding the progressive movement of the Spanish-speaking people of our state, we feel that a conference is the most efficient means of finding and designing better principles of helping our youth, as well as elders, in creating a stronger foundation for advancement.

The theme of our program is ADELANTE ARIZONA. Besides group discussions the program will be high-lighted by distinguished speakers from different parts of the state who will cover most of the topics pertaining to the problems of the Mexican youth movement and welfare of our people as a whole. Topics to be discussed are as follows:

Educational Opportunities

Housing and Employment Problems

Development of Leaders

Recreation as a Means of Alleviating
the Delinquency Rate among our Youth

The Teacher's Contribution in Serving
Youth in the Community

Betterment of Social Relations

Veterans and Their Part in Aiding Progress

We, Los Conquistadores, cordially invite you to attend and participate in the activities of this conference, for we realize that only with the cooperation of persons throughout the state who are interested can this conference be a success.

Sincerely yours,

Gilbert Orrantia
President
