

Now to get Super MEC's attention!

What's this?

A message from Dr. Disk...

If you ever want to see your little friends again, meet me in front of the Memorial Union at noon.

Dr. Disk

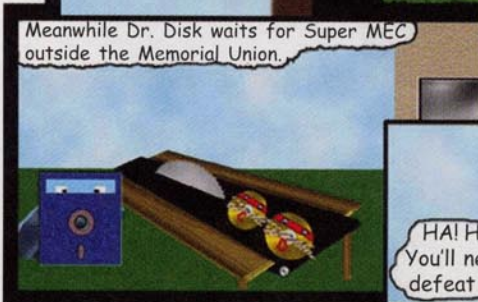

Oh no!
I must save them!

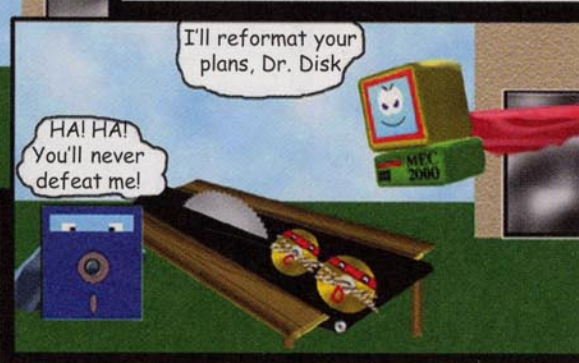

But before our friend can save them he must become...

SUPER MEC!

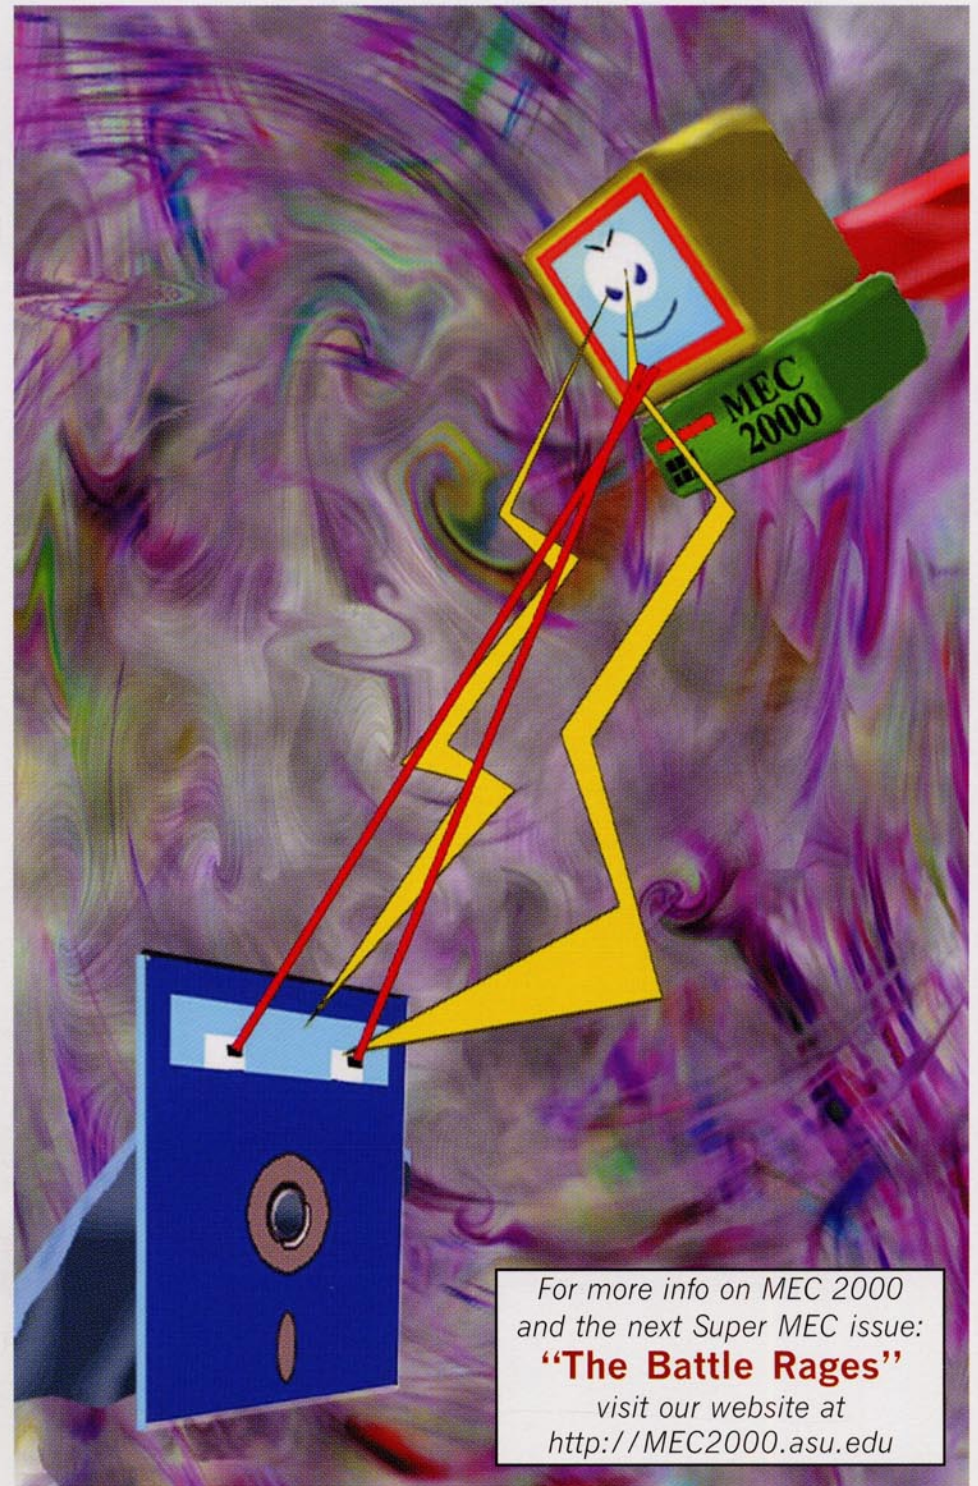

Meanwhile Dr. Disk waits for Super MEC outside the Memorial Union.

I'll reformat your plans, Dr. Disk

HA! HA!
You'll never defeat me!
