

Crime Alert

For Emergencies

Dial: 9-1-1

For Non-Emergencies

Dial: 480-965-3456

Residence Hall Safe Tips:

Always lock your doors even if you are just going down the hall or next door for a few minutes.

If you see someone or something suspicious, call the ASU Police Department immediately to report it.

Never leave external doors propped open. If you find a propped open door, close it!

Always use the 'buddy system' when walking outside after dark.

Activate SafeWalk so friends or family members can view your step-by-step progress on a map. Chat live with your designated emergency contacts during your trip. Deactivate Safewalk once you arrive safely.

Friends and family can also virtually walk an app user home. The app's SafeWalk feature uses GPS-tagged monitoring to track an app user's progress on a Web-based map. Once a user has reached his or her destination safely, the feature easily can be deactivated.

As a part of Live Safe app, you can activate SafeWalk so friends and family can monitor your progress on a map and you can chat live with designated emergency contacts as you walk. Deactivate SafeWalk once you arrive safely.

Harassment

On 06/29/15 at approximately 12:40 pm a male begging for money at parking structure #7 followed a female to an ATM machine at Physical Sciences H-Wing and verbally coerced her into giving him money from the ATM.

Suspect description: White male approximately 25 years of age. Very tan with scabs on his arms. Approximately 5' 10" with a thin build. Last seen wearing a bright orange shirt, black shorts, and carrying two skateboards.

If you have any information concerning this incident, please call the ASU Police Department immediately.
