This checksheet is for Secondary Education (Economics) majors in the College of Education. It should be used with the B.A.E. Secondary Education checksheet, which outlines the general studies requirements and the Initial Teacher Certification (ITC) program requirements.

Students in the College of Education have two catalog years: an ASU catalog year and a College of Education catalog year. Academic Specialization requirements are determined by a student's ASU catalog year, whereas ITC program courses are determined by the College’s alternative catalog year.

### Academic Specialization
- The following courses must be completed with a “C” or better **before** applying to the ITC program:
  - ECN 111: Macroeconomic Principles
  - ECN 112: Microeconomic Principles
  - ECN 313: Intermediate Macroeconomic Theory
  - ECN 314: Intermediate Microeconomic Theory
  - MAT 210: Brief Calculus (or MAT 270 or MAT 290)

### Academic Advising
For advising prior to admission into the ITC program:
Pre-professional students are advised by a team of academic advisors whose primary focus is preparing students for admission into the Initial Teacher Certification (ITC) program. To schedule an appointment with a recruiter or pre-professional advisor, please call (480) 965-5555.

For advising after admission into the ITC program, please contact:
- Tom Avants  EDB L1-13  (480) 965-5555
- Leslie Namerow  EDB L1-13  (480) 965-5555

For advising related to your Academic Specialization in Economics, please contact:
- Dr. Ormiston  BAC 655  (480) 965-7350

### Additional Information
- All specialization courses must be completed prior to student teaching
- A “C” grade minimum is required in all academic specialization courses
