This checksheet is for Secondary Education (Spanish) majors in the College of Education. It should be used with the B.A.E. Secondary Education checksheet, which outlines the general studies requirements and the Initial Teacher Certification (ITC) program requirements.

Students in the College of Education have two catalog years: an ASU catalog year and a College of Education catalog year. Academic Specialization requirements are determined by a student's ASU catalog year, whereas ITC program courses are determined by the College’s alternative catalog year.
