### NOTES

- 120 semester hours minimum are needed for the degree.
- At least 45 semester hours must be upper division.
- Courses numbered 300 - 499 are upper division.
- If the semester hours of a course are enclosed in parentheses, e.g., (3), the course satisfies more than one degree requirement. While a course may satisfy more than one requirement, the semester hours for the course are only counted once.
- To determine community college course transferability, go to http://az.transfer.org/cas and click Course Equivalency Guide (CEG).
- This checksheet is an unofficial guide and does not constitute a contract between the university and the student.
