ASU Main Campus
FALL 2000 Transfer Guide
For Arizona Western College

Bachelor of Music
Performance (Voice)

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements. Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.

This degree is designed for students who plan careers as a professional performer and/or private studio or college teacher. The curriculum provides an understanding of musical properties and their relationship, opportunities to participate as a performer and listener, and repertory for study that includes all cultural and historical periods.
