Arizona State University
ASU Main Campus
FALL 2000 TRANSFER GUIDE
FOR CENTRAL ARIZONA COLLEGE
Bachelor of Science
Geology

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements www.asu.edu/admissions/applyingtoasu. Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.

COLLEGE OF LIBERAL ARTS AND SCIENCES (CLAS) ADMISSION CRITERIA
General University requirements satisfy the admission requirements of this program.

Transfer value of a course, including General Studies value, is governed by the Course Applicability System (CAS) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be transferrable as equivalent but with lower division credit. The course should not be repeated but will not count toward the required number of upper division credit hours.

GENERAL STUDIES REQUIREMENTS
Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from the ASU General Studies Guides (http://www.asu.edu/provost/articulation/cac_main.html#gsr) as follows: 3 [CS] credits, 6 [HU] credits, 6 [SB] credits, and 3 [C] credits.

COLLEGE OF LIBERAL ARTS AND SCIENCES GRADUATION REQUIREMENTS
http://www.asu.edu/provost/articulation/chksheets/00-01/00CKCLAS.HTML/00clas-gradreqfortgs.pdf

CLAS requires knowledge of a second language equivalent to the completion of two years study at the college level. Students who choose to complete their CLAS second language graduation requirement in Greek, Latin, Portuguese, or Romanian must take both the 201 and 202 classes in order for this requirement to be met.

In addition to the language requirement, students may also take one lower division Social/Behavioral Science or Humanities from those that transfer as AFH, AFS, ASB, CSH, CSS, ENG (literature only), ECN, GCU, HIS, HUM, PGS, PHI/HPS, POS, REL, SOC, WSH, or WST. This course is separate from those taken for the university general studies and may not be used to meet both requirements. Students may also choose to take 6 credits to meet the CLAS Natural Science/Mathematics requirement. This requirement is separate from the SQ and SG requirement of the university general studies and may not be used the meet the university requirement. Students may select 2 courses from those that transfer as ASM, BIO, CHM, BCH, CSE, GPH, GLG, MAT (above the college algebra level), STP, MIC, MBB, PHY, AST, PHS, PLB, MBB, PSY 230 or PSY 290.

MAJOR REQUIREMENTS
While still a student at CAC, contact the department academic advisor. Only those required courses which have CAC course equivalents are listed below.

**ASU REQUIRED GEOLOGY COURSES** | **CAC**
--- | ---
GLG 101 Intro to Geology I (Physical) [SQ,G] & GLG 101 Physical Geology (includes Lab)
GLG 103 Intro/Geology I- Lab [SQ] GLG 102 Historical Geology (includes Lab)
GLG 104 Intro/Geology II Lab [SG] GLG 104 Geology Field Camp [L]
GLG 450 Geology Field Camp [L] No CAC equivalent

**BRANCH GEOLOGY COURSES:**

**RELATED FIELDS**

| ASU | CAC |
--- | ---|
CHM 113 General Chemistry [SQ] | CHM 101 General Chemistry I
CHM 116 General Chemistry [SQ] | CHM 102 General Chemistry II
MAT 270 Cal/Analytic Geo I [MA] & MAT 220 Calc/Analyt Geo I
or MAT 221 Analyt Geom /Calc I & MAT 230 Calc/Analyt Geo II
MAT 271 Cal/Analytic Geo II [MA] & MAT 231 Analyt Geom/Calc II &
or MAT 240 Calc/Analyt Geo III
MAT 272 Cal/Analytic Geo III [MA] or MAT 241 Analyt Geom/Calc III
MAT 274 Elem Diff Equations [MA]* MAT 262 Ordinary Diff Equations
* MAT 274 may be taken in lieu of MAT 272.

or
MAT 290 Calculus I [MA] & No CAC equivalent
MAT 291 Calculus II No CAC equivalent

| ASU | CAC |
