FALL 2000 Transfer Guide

For Central Arizona College

Bachelor of Arts

Music

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements. Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.

This is a broad cultural degree program with an emphasis on music history and theory. It may be used as a first step toward a master's or doctorate in music history. For more information, call or write:

Transfer value of a course, including General Studies value, is governed by the Course Applicability System (CAS) in force at the time the course is taken. Community college courses which are equivalent in content to upper division courses at ASU will be Transferable as equivalent but with lower division credit.
