FALL 2000 TRANSFER GUIDE
FOR COCHISE COLLEGE
Bachelor of Science
Major: Recreation
Concentration: Recreation Management
Emphasis: Community and Urban Recreation

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements [www.asu.edu/admissions/applyingtoasu]. Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.

Students in the field of recreation management and tourism learn professional competencies that encompass a broad range of applications in both public and private sectors. Through the administration of policies and principles, recreation professionals assist the general public, business clientele, and special populations in satisfying their leisure needs.
