FALL 2000 TRANSFER GUIDE
FOR COCONINO COMMUNITY COLLEGE
Bachelor of Arts/Bachelor of Science
Communication

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements [www.asu.edu/admissions/applyingtoasu]. Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.

Communication students study the roles that verbal and nonverbal messages play in human interaction. These interactions are studied in context areas, including intercultural, interpersonal, organizational, performance, and rhetoric and public address. For more information, call or write:
