Arizona State University

ASU Main Campus

FALL 2000 TRANSFER GUIDE

FOR DINÉ COLLEGE

Bachelor of Arts
Interdisciplinary Humanities

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements www.asu.edu/admissions/applyingtoasu. Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.

COLLEGE OF LIBERAL ARTS AND SCIENCES (CLAS) ADMISSION CRITERIA
General University requirements satisfy the admission requirements of this program.

Transfer value of a course, including General Studies value, is governed by the Course Applicability System (CAS) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be transferable as equivalent but with lower division credit. The course should not be repeated but will not count toward the required number of upper division credit hours.

FIRST YEAR COMPOSITION (3-6)

ASU
ENG 101 & 102  First-Year Comp
or
ENG 105 Adv First-Year Comp
or
ENG 107 & ENG 108 Eng Foreign Students

DC
ENG 101 & 102 Freshman English I & II
No DC equivalent
No DC equivalent

GENERAL STUDIES REQUIREMENTS/COLLEGE DISTRIBUTION REQUIREMENTS

Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

CLAS requires knowledge of a second language equivalent to the completion of two years study at the college level. Students who choose to complete their CLAS second language graduation requirement in Greek, Latin, Portuguese, or Romanian must take both the 201 and 202 classes in order for this requirement to be met.

In addition to the language requirement, students may also take one lower division Social/Behavioral Science or Humanities from those that transfer as AFH, AFS, ASB, CSH, CSS, ENG (literature only), ECN, GCU, HIS, HUM, PGS, PHI/HPS, POS, REL, SOC, WSH, or WST. This course is separate from those taken for the university general studies and may not be used to meet both requirements. Students may also choose to take 6 credits to meet the CLAS Natural Science/Mathematics requirement. This requirement is separate from the SQ and SG requirement of the university general studies and may not be used the meet the university requirement. Students may select 2 courses from those that transfer as ASM, BIO, CHM, BCH, CSE, GPH, GLG, MAT (above the college algebra level), STP, MIC, MBB, PHY, AST, PHS, PLB, MBB, PSY 230 or PSY 290.
MAJOR REQUIREMENTS
While still a student at DC, contact the department academic advisor. Only those required courses which have DC course equivalents are listed below.

The BA in Interdisciplinary Humanities offers individualized programs for students whose interest in humanistic issues cross conventional disciplinary boundaries. The scope of the major is, therefore, interdisciplinary and, to some extent, intercollegiate. The breadth of such study is balanced by the depth of a student's selected concentration in one discipline. We offer concentrations in: Humanities, Liberal Arts, Architecture, Culture & Society, Film Studies, Classical Studies, and Humanities & Sciences. Majors focus their programs, typically, upon the study of cultural texts representative of both universal and historical attitudes of a particular time and place. Other supporting courses offer both theoretical and historical perspectives.

In addition, a minimum of three HUM courses (9 credits) must be taken from Humanities Program faculty.

### Areas of Concentration (21 Credits)

Students should contact the ASU Humanities advisor if interested in following a specific concentration.

Note: If lower division courses which have been approved for equivalency credit are used to fulfill upper division major requirements, students will be required to take upper division electives, approved in advance by the Director of the Humanities Program, in order to have sufficient number of upper division credits for the major.
