FALL 2000 TRANSFER GUIDE
FOR DINÉ COLLEGE
Bachelor of Arts
Broadcasting

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements [www.asu.edu/admissions/applyingtoasu](http://www.asu.edu/admissions/applyingtoasu). Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies requirements.

Broadcasting students study the theory, processes, and skills related to electronic mass communication. The study of broadcasting includes radio, television, cable, and other emerging technologies, such as satellite communication, high-definition television, and fiber optics. COLLEGE OF PUBLIC PROGRAMS (COPP) ADMISSION CRITERIA
1. Transfer students are admitted into the lower-level division (pre-professional) curriculum and must complete that curriculum before starting the upper-division professional program.
2. Admission to the Cronkite School’s professional program is competitive and requires a separate School application for students following the 1996-98 and future catalogs. For students following prior catalogs, professional status requires a 2.50 GPA and ASU cumulative GPA, if any exists, of 2.50 is required to take 200-level and higher major courses.

Transfer value of a course, including General Studies value, is governed by the Course Applicability System in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to other courses count toward the required number of upper-division credit hours.

GENERAL STUDIES REQUIREMENTS
Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from the ASU General Studies Guides [http://www.asu.edu/provost/articulation/dine_main.html#gsr](http://www.asu.edu/provost/articulation/dine_main.html#gsr) as follows: 3 MA credits and 3 CS computer credits, 6 HU credits (3 ENG literature credits, 3 PHI credits), 3 SB credits (3 HIS credits), 4 SQ credits and 4 SG credits, 3 C credits, 3 G credits, and 3 H credits. Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.
