FALL 2000 TRANSFER GUIDE

FOR MOHAVE COMMUNITY COLLEGE

Bachelor of Music
Music Education (String Concentration)

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements. Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.

The Bachelor of Music in Instrumental Music and Choral - General Music are designed for students who plan careers as a teacher of instrumental music (band, orchestra) OR general music in elementary and secondary schools or choral music. Both degrees provide teaching certification for grades K-12.

1. Although a course may satisfy a core area requirement and an awareness area requirement concurrently, a course may *not* be used to satisfy requirements in two core areas simultaneously. A course may satisfy two awareness areas concurrently.

2. When selecting HU or SB core courses, students must keep in mind that A. two courses in one of these two core areas must be in the same department; B. courses from at least two departments must be taken. These two conditions may, but need not be satisfied in the same core area. At least one course within the 15 semester hours *must* be an upper-division course taken only at ASU.
