ASU Main Campus
FALL 2000 Transfer Guide
for Northland Pioneer College
Bachelor of Social Work

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements. Students transferring 24 or more semester hours do not have to meet freshman aptitude requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.

The B.S.W. program is divided into the pre-Social Work major for freshman and sophomore students and the Social Work major for juniors and seniors. Pre-Social Work majors are those who have declared Social Work as their major or have transferred from other universities or community colleges and have not yet been admitted to the major.
