FALL 2000 Transfer Guide
for Yavapai College
Bachelor of Arts in Art
Art History

Students applying for admission with transferable hours must meet transfer GPA, freshman aptitude, and competency requirements
www.asu.edu/admissions/applyingtoasu. Students transferring 24 or more semester hours do not have to meet freshman aptitude
requirements. Students who are 22 years of age or older or have completed an Arizona General Education Curriculum (AGEC) or
any associate degree or higher do not have to meet competency requirements. A maximum of 64 transferable semester hours
completed at a regionally accredited two-year institution may be transferred to ASU. All transferable community college credits
are accepted as lower-division credits and do not satisfy upper division General Studies or graduation requirements.

The School of Art's many programs offer students experience in the major art disciplines, underlining the great diversity of
the art world. All beginning students are required to take the Core Curriculum during their first year. The Core Courses
are prerequisites for virtually all other courses offered in the School of Art and are intended to provide the student with a
basic experience in the visual arts and a visual and verbal vocabulary.
