The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

COLLEGE OF LIBERAL ARTS AND SCIENCES (CLAS) ADMISSION CRITERIA
1. Students may declare the Clinical Laboratory Sciences major upon admittance to ASU.
2. The curriculum includes prerequisite courses that are followed by application, through a special admissions process, to the 16-month Professional Study Program. Completion of the degree is dependent upon acceptance of the student into the accredited Professional Study Program.
3. A minimum GPA of 2.50 (4.00=A) in science courses is necessary to apply to the professional program, along with a minimum cumulative GPA of 2.50.

ASU
Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year.

Community college courses which are equivalent in content to upper division courses at ASU will be transferrable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.

FIRST YEAR COMPOSITION (3-6)
ENG 101 & 102 First-Year Comp
or
ENG 105 Adv First-Year Comp
or
ENG 107 & 108 Eng Foreign Students

ENG 101 & ENG 102 English Comp III & IV
No CAC equivalent
ENG 107 & ENG 108 English Comp III & IV (ESL)

GENERAL STUDIES REQUIREMENTS/COLLEGE DISTRIBUTION REQUIREMENTS
Students completing the Transfer General Education Core Curriculum (TGECC) will still be required to fulfil lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from CEG General Studies Insert as follows: 3 L1 credits (except those that transfer as COM or "E"); 3 N1 credits and 3 N2 or N3 credits (those that transfer as PSY 230 are recommended), 9 HU credits (maximum 6 hours from ARS, MUS, THE); 9 SB credits (except those that transfer as ASM, COM, JUS, MCO and REC), 6 credits from any two of C, G (except those that transfer as ERS 346) or H. Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.

COLLEGE PROFICIENCY REQUIREMENTS
Requires knowledge of a second language equivalent to the completion of two years study at the college level. Courses in American Sign Language also satisfy the requirement. (See the 1998-99 Catalog for further information.) Select language courses that transfer to ASU at the 101, 102, 201, 202, 203, 204 and/or 205 level, or courses that transfer to ASU as SHS 174, SHS 175, SHS 274 and SHS 275.
Clinical Laboratory Sciences

**ASU**

**MAJOR REQUIREMENTS**

While still a student at CAC, contact the department academic advisor. Only those required courses which have CAC course equivalents are listed below.

- **REQUIRED RELATED COURSES**
  - BIO 181 General Biology [S1/S2]
  - BIO 182 General Biology [S2]
  - CHM 113 General Chemistry [S1/S2]
  - CHM 115 Gen Chemistry with Qualt Analysis [S1/S2]
  - CHM 231 Elem Org Chem [S1/S2] & CHM 235 Elementary Organic Chem Lab [S1/S2]
  - MAT 117 College Algebra [N1]
  - MIC 205 Microbiology [S2] &
  - MIC 206 Microbiology Lab [S2]

- **CAC**
  - BIO 181 Gen Biology (Majors) I
  - BIO 182 Gen Biology (Majors) II
  - CHM 101 General Chemistry I
  - No CAC equivalent
  - CHM 200 Fund Organic Chem
  - MAT 150 Coll Algebra/Review
  - MAT 151 Coll Algebra Standard
  - MAT 152 Coll Algebra Acceler
  - BIO 205 Micro Biology
