1998-99 TRANSFER GUIDE
FOR COCHISE COLLEGE
Bachelor of Fine Arts in Art
Art Education, Ceramics, Drawing, Fibers, Intermedia, Metals, Painting, Photography, Printmaking, Sculpture

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

The School of Art’s many programs offer students experience in the major art disciplines, underlining the great diversity of the art world. All beginning students are required to take the Core Curriculum during their first year. The Core Courses are prerequisites for virtually all other courses offered in the School of Art and are intended to provide the student with a basic experience in the visual arts and a visual and verbal vocabulary. 2. When selecting HU or SB core courses, students must keep in mind that A. two courses in one of these two core areas must be in the same department; B. courses from at least two departments must be taken. These two conditions may, but need not, be satisfied in the same core area. At least one course within the 15 semester hours must be an upper-division course taken only at ASU.
