Arizona State University
ASU Main Campus
1998-99 TRANSFER GUIDE
FOR DINÉ COLLEGE
Bachelor of Fine Arts in Art
Art Education, Ceramics, Drawing, Fibers,
Intermedia, Metals, Painting, Photography,
Printmaking, Sculpture

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

The School of Art’s many programs offer students experience in the major art disciplines, underlining the great diversity of the art world. All beginning students are required to take the Core Curriculum during their first year. The Core Courses are prerequisites for virtually all other courses offered in the School of Art and are intended to provide the student with a basic experience in the visual arts and a visual and verbal vocabulary. ADMISSION CRITERIA
Students meeting basic admission standards at Arizona State University may matriculate in the College of Fine Arts.

**ASU**

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the pervious academic year.

Community college courses which are equivalent in content to upper division courses at ASU will be Transferable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.

**GENERAL STUDIES REQUIREMENTS**

Students completing the Transfer General Education Core Curriculum (TGECC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from CEG General Studies Insert as follows: 3 L1 credits, 3 N1 credits and 3 N2 or N3 credits, 6 HU credits (courses in the School of Art may not be used to satisfy HU), 6 SB credits (for Art Education Certification Requirements select courses that transfer as POS 310 and POS 311), 4 S1 credits and 4 S2 credits (must be lab courses), 3 C credits and 3 G credits. Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.

Approved by Interim Associate Dean
Dr. Betsy Fahlman

1. Although a course may satisfy a core area requirement and an awareness area requirement concurrently, a course may not be used to satisfy requirements in two core areas simultaneously. A course may satisfy two awareness areas concurrently.

2. When selecting HU or SB core courses, students must keep in mind that A. two courses in one of these two core areas must be in the same department; B. courses from at least two departments must be taken. These two conditions may, but need not, be satisfied in the same core area. At least one course within the 15 semester hours must be an upper-division course taken only at ASU.
