Arizona State University
ASU Main Campus
1998-99 TRANSFER GUIDE
FOR DINÉ COLLEGE
Bachelor of Science in Business
Computer Information Systems Major

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

COLLEGE OF BUSINESS ADMISSION CRITERIA
Admission to the professional program in the College of Business is competitive and limited by available resources. To be considered for admission to the professional program, students must complete the following requirements:
1. Students must follow and complete an approved freshman-sophomore sequence of courses to be admitted to the professional program.
2. Students must have completed at least 56 semester hours.
3. Students must have completed ACC 230, ACC 240, CSE 100*, QBA 221, ECN 111, ECN 112, ENG 101, ENG 102, MAT 119, and MAT 210 with grades of "C" or better.
4. Computer Information Systems majors must complete CSE 100, Introduction to Computer Science I, or a "C" language course, which may be used as a college requirement.

ASU
Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be transferable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.

DC
GENERAL STUDIES REQUIREMENTS
Students completing the Transfer General Education Core Curriculum (TGECC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from CEG General Studies Insert as follows: 6 HU credits, 6 SB credits (one PGS course and one SOC course), 4 S1 credits and 4 S2 credits, 3 C credits and 3 H credits. Additional and/or mandated college requirements, if any, are listed in the Major Requirements section with General Studies designation in brackets. Reminder: A maximum of 64 semester hours will be accepted when transferred from community colleges.
Bachelor of Science in Business (page 2 of 2)
Computer Information Systems Major

**ASU**

**MAJOR REQUIREMENTS**

- ECN 111  Macroeconomic Principles [SB]
- ECN 112  Microeconomic Principles [SB]
- MAT 210  Brief Calculus [N1]
- QBA 221  Statistical Analysis [N2]

**ECO 200**  Prin of Macroeconomics

**ECO 201**  Prin of Microeconomics

* DC’s MTH 191 is accepted in lieu of MAT 210 [N1] for the College of Business only.

**College Requirements**

- COM 100  Intro Human Comm [SB]
- COM 230  Small Group Comm [SB]
- COM 259  Comm in Bus & the Prof
- CSE 100  Principles of Programming [N3]
- MAT 119  Finite Mathematics [N1]

**ECO 200**  Prin of Microeconomics

**ENG 121**  Speech Communications

**No DC equivalent**

**BUSINESS CORE REQUIREMENTS**

- ACC 230  Uses of Accounting Info I
- ACC 240  Uses of Accounting Info II
- BUS 301  Fund of Mgmt Comm [L1]
- CIS 235  Transaction/File Processing

**CSC 123**  Cobol Programming

**No DC equivalent**

Note: Students may apply to the professional program in the College of Business with BUS 251 and BUS 252; however, preference in admission decisions will be given to students with credit in ACC 230 and ACC 240 or their equivalents.

Approved by Dean
Dr. Larry Penley

1. Students are encouraged to select courses that concurrently satisfy core and awareness areas. Although a course may satisfy a core area requirement and an awareness area requirement concurrently, a course may **not** be used to satisfy requirements in two core areas simultaneously.

2. A course may satisfy two awareness areas concurrently.
