The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

COLLEGE OF LIBERAL ARTS AND SCIENCES (CLAS) ADMISSION CRITERIA

1. General University requirements satisfy the admission requirements of this program.

   **ASU**
   Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year.

   Community college courses which are equivalent in content to upper division courses at ASU will be transferrable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.

   **FIRST YEAR COMPOSITION (3-6)**
   ENG 101 & 102 First-Year Comp
   or
   ENG 105 Adv First-Year Comp
   or
   ENG 107 & 108 Eng Foreign Students

   **YC**
   ENG 101 & 102 College Comp I & II
   or
   ENG 103 & 104 College Comp I & II (Honors)
   No YC equivalent

   **GENERAL STUDIES REQUIREMENTS/COLLEGE DISTRIBUTION REQUIREMENTS**
   Select credits from CEG General Studies Insert as follows: 9 HU credits (except those that transfer as ASB 222) (maximum 6 hours from ARS, MUS, THE), 9 SB credits (except those that transfer as ASM, COM and JUS), 6 credits from any two of C, G or H. Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.

   **COLLEGE PROFICIENCY REQUIREMENTS**
   Requires knowledge of a second language equivalent to the completion of two years study at the college level. Courses in American Sign Language also satisfy the requirement. (See the 1998-99 Catalog for further information.) Select language courses that transfer to ASU at the 101, 102, 201, 202, 203, 204 and/or 205 level, or courses that transfer to ASU as SHS 174, SHS 175, SHS 274 and SHS 275.

Biology: Conservation Biology

MAJOR REQUIREMENTS
While still a student at YC, contact the department academic advisor. Only those required courses which have YC course equivalents are listed below.

<table>
<thead>
<tr>
<th>ASU</th>
<th>YC</th>
</tr>
</thead>
<tbody>
<tr>
<td>BIO 181 General Biology [S1/S2]</td>
<td>BIO 184 Plant Biology * &amp;</td>
</tr>
<tr>
<td>BIO 182 General Biology [S2]</td>
<td>BIO 190 Animal Biology *</td>
</tr>
<tr>
<td>BIO 415 Biometry [N2]</td>
<td>No YC equivalent</td>
</tr>
</tbody>
</table>

REQUISITED SUPPLEMENTARY COURSES

| CHM 113 General Chemistry [S1/S2]       | CHM 151 General Chemistry I             |
| CHM 115 Gen Chemistry with Qualit Analysis [S1/S2] | CHM 152 General Chemistry II           |
| CHM 231 Elem Org Chem [S1/S2] &         | CHM 140 Fund Organic & Biochemistry     |
| CHM 235 Elem Org Chem Lab [S1/S2]       |                                         |

If a student is considering graduate school, the following 8 hour CHM sequence is recommended in lieu of CHM 231:

| CHM 331 General Organic Chem             | CHM 235 General Organic Chemistry I     |
| CHM 335 Gen Organic Chem Lab             | CHM 235L Gen Organic Chemistry I Lab    |
| CHM 332 Gen Organic Chem                 | CHM 236 General Organic Chemistry II    |
| CHM 336 Gen Organic Chem Lab             | CHM 236L Gen Organic Chemistry II Lab   |

It is recommended that the one year organic chemistry sequence CHM 331/335 and CHM 332/336 be taken at ASU to contribute to the upper division requirement.

| MAT 210 Brief Calculus [N1]             | MTH 181 Survey of Calculus              |
| or                                       |                                         |
| MAT 270 Cal/Analytic Geo I [N1]         | MTH 151 Calc & Analytic Geom I          |

Approved by Dr. James Collins
Department Chair

Dr. Leonard Gordon
Associate Dean for Academic Programs
College of Liberal Arts and Sciences

1. Although a course may satisfy a core area requirement and an awareness area requirement concurrently, a course may not be used to satisfy requirements in two core areas simultaneously, even if approved for those areas. A course may satisfy two awareness areas concurrently.
