ASU
Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year.

Community college courses which are equivalent in content to upper division courses at ASU will be transferrable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.

**COLLEGE PROFICIENCY REQUIREMENTS**
Requires knowledge of a second language equivalent to the completion of two years study at the college level. Courses in American Sign Language also satisfy the requirement. (See the 1998-99 Catalog for further information.) Select language courses that transfer to ASU at the 101, 102, 201, 202, 203, 204 and/or 205 level, or courses that transfer to ASU as SHS 174, SHS 175, SHS 274 and SHS 275.

**MAJOR REQUIREMENTS**
While still a student at YC, contact the department academic advisor. Only those required courses which have YC course equivalents are listed below.

The BA in Interdisciplinary Humanities offers individualized programs for students whose interest in humanistic issues cross conventional disciplinary boundaries. The scope of the major is, therefore, interdisciplinary and, to some extent, intercollegiate. The breadth of such study is balanced by the depth of a student's selected concentration in one discipline. We offer concentrations in: Humanities, Liberal Arts, Architecture, Culture and Society, Business, Design, Film Studies, Justice Studies and Planning. Majors focus their programs, typically, upon the study of the arts (verbal, visual, and performing) as cultural texts representative of both universal and historical attitudes of a particular time and place. Other supporting courses offer both theoretical and historical perspectives.
