1999-2000 TRANSFER GUIDE

FOR ARIZONA WESTERN COLLEGE

Bachelor of Science

Biology & Society

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

COLLEGE OF LIBERAL ARTS AND SCIENCES (CLAS) ADMISSION CRITERIA

General university requirements satisfy the admission requirements of this program.

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year.

Community college courses which are equivalent in content to upper division courses at ASU will be transferrable as equivalent but with lower division credit. The course should not be repeated but will not count toward the required number of upper division credit hours.

In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from CEG General Studies Insert as follows: 3 L1 credits; 3 N1 credits; 3 N2 or N3 credits (those that transfer as CSE or STP are recommended); 9 HU credits (maximum 6 hours from ARS, MUS, THE); 9 SB credits (except those that transfer as CDE, COM, JUS, MCO, REC, or "E"), 3 credits from C (except those that transfer as JUS), 3 credits from G, and 3 credits from H (except those that transfer as SWU or "E"). Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.
