DRAFT 1999-2000 TRANSFER GUIDE
FOR CENTRAL ARIZONA COLLEGE
Bachelor of Science
Major: Recreation
Concentration: Tourism
Tracks: Services or Marketing and Development

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

Students in the field of leisure studies learn professional competencies that encompass a broad range of applications in both public and private sectors. Through the administration of policies and principles, recreation professionals assist the general public, business clientele, and special populations in satisfying their leisure needs. COLLEGE OF PUBLIC PROGRAMS (COPP) ADMISSION CRITERIA
1. Transfer students are admitted as preprofessional and must earn professional status through reaching semester-hour and GPA standards in a prescribed group of courses.
2. Professional status requires a 2.50 GPA, 56 acceptable college credit hours including ENG 101, ENG 102, L1, N1, N3 and college COM requirement, and completion of REC 120 & REC 210 with "C" or higher.

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be transferable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.
