Arizona State University
ASU Main Campus
1999-2000 TRANSFER GUIDE
FOR CENTRAL ARIZONA COLLEGE
Bachelor of Science
Biology

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

COLLEGE OF LIBERAL ARTS AND SCIENCES (CLAS) ADMISSION CRITERIA
General University requirements satisfy the admission requirements of this program.

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be transferrable as equivalent but with lower division credit. The course should not be repeated but will not count toward the required number of upper division credit hours.

FIRST YEAR COMPOSITION (3-6)

ASU
ENG 101 & 102 First-Year Comp
or
ENG 105 Adv First-Year Comp
or
ENG 107 & ENG 108 Eng Foreign Students

CAC
ENG 101 & ENG 102 English Comp III & IV
No CAC equivalent
ENG 107 & ENG 108 English Comp III & IV (ESL)

GENERAL STUDIES REQUIREMENTS/COLLEGE DISTRIBUTION REQUIREMENTS1
Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from CEG General Studies Insert as follows: 3 L1 credits (except those that transfer as COM or "E"); 3 N1 credits, 9 HU credits (maximum 6 hours from ARS, MUS, THE); 9 SB credits (except those that transfer as ASM, COM, JUS, MCO and REC), 3 C credits (except those that transfer as JUS), 3 G credits (except those that transfer as ERS), and 3 H credits. Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.

COLLEGE PROFICIENCY REQUIREMENTS
Requires knowledge of a second language equivalent to the completion of two years study at the college level. Courses in American Sign Language also satisfy the requirement. (See the current catalog for further information.) Select language courses that transfer to ASU at the 101, 102, 201, 202, 203, 204 and/or 205 level, or courses that transfer to ASU as SHS 174, SHS 175, SHS 274 and SHS 275.

Bachelor of Science (page 2 of 2)
Biology

major requirements
While still a student at CAC, contact the department academic advisor. Only those required courses which have CAC course equivalents are listed below. Students are strongly encouraged to complete lower division course requirements at the community college.

major field requirements

ASU
BIO 181 General Biology [S1/S2]
BIO 182 General Biology [S2]
MIC 205 Microbiology [S2] &
MIC 206 Microbiology Lab [S2]

CAC
BIO 181 Gen Biology (Majors) I
BIO 182 Gen Biology (Majors) II
BIO 205 Microbiology

required supplementary courses

CHM 113 General Chemistry [S1/S2]
CHM 115 Gen Chemistry with Qualit Analysis [S1/S2]
Take either this sequence:
CHM 231 Elem Org Chem [S1/S2] &
CHM 235 Elementary Organic Chem Lab [S1/S2]
or sequence below:
CHM 331 General Organic Chem &
CHM 335 Gen Organic Chem Lab
CHM 332 General Organic Chem &
CHM 336 Gen Organic Chem Lab
It is recommended that the one year organic chemistry sequence CHM 331/335 and CHM 332/336 be taken at ASU to contribute to the upper division requirement.

CHM 200 Fund Organic Chem
CHM201 Gen Organic Chem I
CHM 202 Gen Organic Chem II

CHM 101 General Chemistry
No CAC equivalent

MAT 210 Brief Calculus [N1]
MAT 211 Brief Calculus Standard or
MAT 212 Brief Calculus
PHY 111 General Physics [S1/S2] &
PHY 113 General Physics Lab [S1/S2]
PHY 112 General Physics [S1/S2] &
PHY 114 General Physics Lab [S1/S2]
PHY 201 College Physics I
PHY 202 College Physics II

Approved by Dr. James Collins Date
Department Chair, Department of Biology

Dr. Leonard Gordon Date
Associate Dean for Academic Programs
College of Liberal Arts and Sciences

1. Although a course may satisfy a core area requirement and an awareness area requirement concurrently, a course may not be used to satisfy requirements in two core areas simultaneously, even if approved for those areas. A course may satisfy two awareness areas concurrently.
