1999-2000 TRANSFER GUIDE

FOR COCHISE COLLEGE

Bachelor of Science in Business

Computer Information Systems Major

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

COLLEGE OF BUSINESS ADMISSION CRITERIA

Admission to the professional program in the College of Business is competitive and limited by available resources. To be considered for admission to the professional program, students must complete the following requirements:
1. Students must follow and complete an approved freshman-sophomore sequence of courses to be admitted to the professional program.
2. Students must have completed at least 56 semester hours.
3. Students must have completed ACC 230, ACC 240, CSE 100*, QBA 221, ECN 111, ECN 112, ENG 101, ENG 102, MAT 119, and MAT 210 with grades of "C" or better.
4. Computer Information Systems majors must complete CSE 100, Introduction to Computer Science I, or a "C" language course, which may be used as a college requirement.

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be transferable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.

GENERAL STUDIES REQUIREMENTS

Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from CEG General Studies Insert as follows: 6 HU credits, 6 SB credits (one PGS course and one SOC course), 4 S1 credits and 4 S2 credits, 3 C credits or 3 H credits. Additional and/or mandated college requirements, if any, are listed in the Major Requirements section with General Studies designation in brackets. Reminder: A maximum of 64 semester hours will be accepted when transferred from community colleges.

Approved by Dean
Dr. Larry Penley

1. Students are encouraged to select courses that concurrently satisfy core and awareness areas. Although a course may satisfy a core area requirement and an awareness area requirement concurrently, a course may **not** be used to satisfy requirements in two core areas simultaneously.
2. A course may satisfy two awareness areas concurrently.
