Arizona State University
ASU Main Campus
1999-2000 TRANSFER GUIDE
FOR COCONINO COMMUNITY COLLEGE
Bachelor of Science in Design
Interior Design

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

The Bachelor of Science in Design degree in Interior Design is a 5-year program split into the lower-division program and the upper-division program. The lower-division curriculum balances a foundation in academic subjects such as English, algebra and trigonometry, computer technology, and physics with departmental courses that include history and theory, as well as studio courses in drawing, design fundamentals, and conceptual design.

Students must be accepted into the upper-division program, after fulfilling the lower-division requirements. The application deadline is April 15 for the following fall semester. Acceptance into the program is quite competitive and is determined by the Interior Design faculty based on a written application, letter of intent, cumulative GPA, portfolio, and a design charrette (a four-hour design test usually scheduled the first Saturday after the application deadline.

Graduates from the program accept entry-level professional positions in a variety of settings, including interior design firms, departments of space planning, architectural firms, public institutions, and industry.

COLLEGE OF ARCHITECTURE AND ENVIRONMENTAL DESIGN (CAED) ADMISSION CRITERIA
1. A minimum GPA of 3.00 is required for admission to upper division.
2. Admission to the upper division is selective and competitive.
3. Students must submit a portfolio of work from lower division studio classes.
4. Students in the lower division curriculum in Interior Design must complete that curriculum before applying to the upper division.

ASU

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be Transferable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.

GENERAL STUDIES REQUIREMENTS\textsuperscript{1,2}

Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from CEG General Studies Insert as follows: 3 SB credits; 4 S2 credits; 3 C credits. Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.

MAJOR REQUIREMENTS

Contact an ASU advisor regarding the remainder of the Major Requirements.

\begin{itemize}
  \item ARS 102 Art/Western World II [HU,H]
  \item COM 225 Public Speaking [L1]
  \item DSC 101 Design Awareness [HU,G]
  \item DSC 120 Design Drawing
  \item DSC 236 Intro to Comp. Modeling [N3]
  \item INT 223 Interior Design Issues & Theories [HU]
  \item MAT 170 Precalculus [N1]
  \item PHY 111 General Physics [S1/S2] &
  \item PHY 113 General Physics Lab [S1/S2]
\end{itemize}

\begin{itemize}
  \item ART 202 Art History II
  \item SPC 100 Fundamentals Speech Comm
  \item ART 110 Drawing I*
  \item No CCC equivalent
  \item No CCC equivalent
  \item No CCC equivalent
  \item MAT 184 Functions & Trig or
  \item MAT 187 Pre-Calculus
  \item PHY 111 College Physics I
\end{itemize}

\textbf{Approved by Coordinator, Academic Advising/Student Services}

Anna West

1. Although a course may satisfy a core area requirement and an awareness area requirement concurrently, a course may not be used to satisfy requirements in two core areas simultaneously, even if approved for those areas. A course may satisfy two awareness areas concurrently.
2. When selecting HU or SB core courses, students must keep in mind that A. two courses in one of these two core areas must be in the same department; B. courses from at least two departments must be taken. These two conditions may, but need not be satisfied in the same core area. At least one course within the 15 semester hours \textbf{must} be an upper-division course taken only at ASU.
