1999-2000 Transfer Guide
For Coconino Community College

Bachelor of Music
Music Therapy

The Arizona resident applicant for transfer admission must have a cumulative grade point average of 2.00 on a four-point (A) scale in all college-level work, and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all Transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

The course of study includes clinical experience in music therapy, and the degree includes national certification as a music therapist.

ADMISSION CRITERIA

1. All students who enroll in an undergraduate music degree program are required to perform an entrance audition in their major performing medium (instrument or voice).
2. Audition forms and specific audition requirements for each instrument or voice may be obtained upon request by writing to the School of Music.

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be Transferable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.

GENERAL STUDIES REQUIREMENTS

Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from CEG General Studies Insert as follows: 3 L1 credits, 3 N1 credits and 3 N2 or N3 credits, 6 or 9 SB credits, 4 S1 credits and 4 S2 credits, 3 C credits, 3 G credits, and 3 H credits. Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets. Must include 6 hours of Fine Arts outside of the School of Music. These may be taken as General Studies Electives, or selected from the approved lists for Humanities and Fine Arts.

1. Although a course may satisfy a core area requirement and an awareness area requirement concurrently, a course may **not** be used to satisfy requirements in two core areas simultaneously. A course may satisfy two awareness areas concurrently.

2. When selecting HU or SB core courses, students must keep in mind that A. two courses in one of these two core areas must be in the same department; B. courses from at least two departments must be taken. These two conditions may, but need not be satisfied in the same core area. At least one course within the 15 semester hours **must** be an upper-division course taken only at ASU.
