Arizona State University  
ASU Main Campus  
1999-2000 TRANSFER GUIDE  
FOR DINÉ COLLEGE  
Bachelor of Science in Nursing  
ADN/RN Track  

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

A degree in Nursing prepares a person to practice in diverse areas of nursing practice and with clients who span the age continuum. There are employment opportunities in schools, a variety of community agencies, industry, government, business, and hospitals.

COLLEGE OF NURSING ADMISSION CRITERIA

INTRODUCTION
Upon admission to the university, students are classified as "pre-nursing" students. There is a second admission process into the Professional Nursing Program. Admission to the Professional Nursing Program is competitive; not all qualified applicants may be admitted; preference is given to students with the highest prerequisite GPA. RN students admitted to the Professional Nursing Program enter the junior year.

PROCEDURE TO BE CONSIDERED FOR ADMISSION TO THE PROFESSIONAL NURSING PROGRAM

1. Regular admission to the College of Nursing  
2. In good standing at ASU and the College of Nursing  
3. Minimum prerequisite GPA of 2.75  
4. Completion of prescribed prerequisite courses with earned grade of C or better in each course  
5. Submission of all application materials by deadline date *  
6. Other required material *  

* Contact the ASU College of Nursing Student Services Office (480) 965-2987 for more information.

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be Transferable as equivalent but with lower division credit.

FIRST YEAR COMPOSITION (3-6)

ASU  
ENG 101 & 102 First-Year Comp  
or  
ENG 105 Adv First-Year Comp  
or  
ENG 107 & ENG 108 Eng Foreign Students

DC  
ENG 101 & 102 Freshman English I & II  
No DC equivalent  
No DC equivalent

GENERAL STUDIES REQUIREMENTS

Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Required General Studies courses are listed in the Major Requirements section with designation in brackets.

**NURSING MAJOR**

An Associate Degree in Nursing from an accredited ADN program and successful completion of the NCLEX-RN satisfies 29 hours of lower division clinical course work for the B.S.N. degree at ASU.

In lieu of transferring ADN NUR courses as lower-division credit, ADN/RN graduates may take Regents College examinations to receive upper-division credit for selected Nursing courses.

**ELECTIVES**

Additional electives as needed to complete the required 120 credit hours for the BSN degree. Consult an Advisor.

Approved by Jean Craig Stengel RN Ph.D.
Director of Student Services and Administrative Support Services

Barbara Durand R.N. Ed.D. FAAN
Dean of College of Nursing

1. Although a course may satisfy a core area requirement and an awareness area requirement concurrently, a course may not be used to satisfy requirements in two core areas simultaneously, even if approved for those areas. A course may satisfy two awareness areas concurrently.

2. When selecting HU or SB core courses, students must keep in mind that A. two courses in one of these two core areas must be in the same department; B. courses from at least two departments must be taken. These two conditions may, but need not be satisfied in the same core area. At least one course within the 15 semester hours must be an upper-division course taken only at ASU.
