Arizona State University
ASU East Campus
1999-2000 TRANSFER GUIDE
FOR MOHAVE COMMUNITY COLLEGE
Bachelor of Science
Agribusiness Major
Concentration: Resource Management

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

The Agribusiness major is an applied, industry-oriented curriculum. The study of animals, plants, and their utilization in the food and fiber system forms the base of the program. Students learn to analyze firms involved in input supply activities, commodity processing, food manufacturing, and food distribution. General University Requirements satisfy the admission requirements of these three programs. For further information, call or write:

MORRISON SCHOOL OF AGRIBUSINESS ADMISSION CRITERIA
1. General University Requirements satisfy the admission requirements of this program.
2. International students must also submit a TOEFL score of 500 points in addition to meeting the minimum GPA requirements.

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year. Community college courses which are equivalent in content to upper division courses at ASU will be Transferable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.

GENERAL STUDIES REQUIREMENTS

Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from CEG General Studies Insert as follows: 3 N2 credits, 3 N3 credits, 6 or 9 HU credits; 3 C credits, 3 G credits, and 3 H credits. Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.

### AGRIBUSINESS CORE

- ACC 230 Uses of Accounting Info I
- ACC 240 Uses of Accounting Info II
- AGB 100 Intro to Agribusiness
- AGB 210 Livestock Management
- AGB 211 Crop Management

### RESOURCE MANAGEMENT CONCENTRATION

- CHM 115 General Chem with Qual Analysis [S1/S2] No MCC equivalent
- CHM 231 Elementary Organic Chem

*CHM 140 transfers to ASU as CHM 231 [S1/S2] & CHM 235 [S1/S2].

- MIC 205 Microbiology [S2] & BIO 205 Microbiology
- MIC 206 Microbiology Lab [S2]
ELECTIVES

General electives must be selected with approval of an ASU advisor so that the total program contains a minimum of 120 semester hours, of which 45 semester hours must be upper division credits.

1. Although a course may satisfy a core area requirement and an awareness area requirement concurrently, a course may not be used to satisfy requirements in two core areas simultaneously, even if approved for those areas. A course may satisfy two awareness areas concurrently.
