Arizona State University
ASU Main Campus
1999-2000 TRANSFER GUIDE
FOR MOHAVE COMMUNITY COLLEGE
Bachelor of Science
Exercise Science & Physical Education
Exercise Science Option or Exercise and Wellness Option
or Physical Education Option
The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

COLLEGE OF LIBERAL ARTS AND SCIENCES (CLAS) ADMISSION CRITERIA
General university requirements satisfy the admission requirements of this program.

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year.
Community college courses which are equivalent in content to upper division courses at ASU will be transferrable as equivalent but with lower division credit. The course should not be repeated but will not count toward the required number of upper division credit hours.

GENERAL STUDIES REQUIREMENTS/COLLEGE DISTRIBUTION REQUIREMENTS
Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from CEG General Studies Insert as follows: 3 L1 credits (those that transfer as ENG are recommended), 3 N2 or N3 credits (those that transfer as CSE or STP are recommended), 9 HU credits (except those that transfer as COM) (maximum 6 hours from ARS, MUS, THE), 6 SB credits (except those that transfer as ASM, COM, or JUS), 3 C credits, 3 G credits, and 3 H credits (except those that transfer as SWU or ‘E’). Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.

COLLEGE PROFICIENCY REQUIREMENTS
Requires knowledge of a second language equivalent to the completion of two years study at the college level. Courses in American Sign Language also satisfy the requirement. (See the current catalog for further information.) Select language courses that transfer to ASU at the 101, 102, 201, 202, 203, 204 and/or 205 level, or courses that transfer to ASU as SHS 174, SHS 175, SHS 274 and SHS 275.

AREAS OF CONCENTRATION
There are three areas of concentration available. All students must choose one area of concentration either (1) Exercise Science, (2) Exercise & Wellness, or (3) Physical Education.

Exercise and Wellness Concentration
Candidates must complete 21 semester hours in the major field; EPE 300, EPE 320, EPE 420, EPE 425, (three semester hours each), EPE 484 (six semester hours), and 3 semester hours carrying either EPE prefixes or prefixes from related disciplines selected with the advice and consent of a faculty advisor (No more than six may be in independent study courses).

Following are suggested related courses in the Exercise & Wellness concentration:

<table>
<thead>
<tr>
<th>Business/Communications</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>COM 230 Small Group Comm [SB]</td>
<td>COM 131 Group Communication</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Computer Science/Statistics</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>CSE 180 Computer Literacy [N3]</td>
<td>CIS 100 Microcomp Appl (IBM)</td>
</tr>
<tr>
<td>or</td>
<td>or</td>
</tr>
<tr>
<td>CIS 101 Microcomp Appl (MAC)</td>
<td></td>
</tr>
<tr>
<td>or</td>
<td>CIS 110 Intro to CIS</td>
</tr>
</tbody>
</table>

Exercise Science Concentration
21 credits from EPE courses and/or related field with advisor approval (12 credits of upper-division EPE courses must be included from a defined list). This area of concentration allows students to combine courses from various programs within the Department of Exercise Science and Physical Education, and to gain depth of knowledge in related disciplines. The sub-disciplines are listed below:

Biomechanics

Exercise Physiology

Motor Behavior

Sport Psychology

Physical Education Concentration
21 credits from EPE courses and/or related field with advisor approval. Major required courses are EPE361, EPE376, EPE382, EPE elective (upper division).

SUGGESTED COURSEWORK FOR PRE-BIOLOGICAL AREA PREREQUISITES

**ASU**

- BIO 181 General Biology [S1/S2]
- BIO 182 General Biology [S2]
- CHM 113 General Chemistry [S1/S2]
- CHM 115 Gen Chemistry with Qualit Analysis [S1/S2]
- CHM 116 General Chemistry [S1/S2]
- CHM 231 Elem Org Chem [S1/S2] &
- CHM 235 Elementary Organic Chem Lab [S1/S2]
- CHM 331 General Organic Chem &
- CHM 335 Gen Organic Chem Lab &
- CHM 332 General Organic Chem &
- CHM 336 Gen Organic Chem Lab

**MCC**

- BIO 181 General Biology I
- BIO 182 General Biology II
- CHM 151 General Chemistry I
- CHM 152 General Chemistry II
- CHM 140 Fund Org & Bio Chemistry
- CHM 152 General Chemistry II
- CHM 140 Fund Org & Bio Chemistry
- CHM 152 General Chemistry II
- CHM 140 Fund Org & Bio Chemistry

**ASU**

- MAT 170 PreCalculus [N1]
- MAT 210 Brief Calculus [N1]
- MIC 205 Microbiology [S2] &
- MIC 206 Microbiology Lab [S2]
- PGS 341 Developmental Psychology [SB]
- PGS 466 Abnormal Psychology [L2]
- PHY 111 General Physics [S1/S2] &
- PHY 113 General Physics Lab [S1/S2]
- PHY 112 General Physics [S1/S2] &
- PHY 114 General Physics Lab [S1/S2]
- PSY 230 Intro to Statistics [N2]
- STP 226 Elements of Statistics [N2]

**MCC**

- MAT 181 Plane Trig
- MAT 212 Brief Calculus
- MIC 205 Microbiology
