FOR PIMA COMMUNITY COLLEGE

Bachelor of Music
Performance (Orchestral Instrument)

The Arizona resident applicant for transfer admission must have a cumulative grade point average of 2.00 on a four-point (A) scale in all college-level work, and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all Transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

This degree is designed for students who plan careers as a professional performer and/or private studio or college teacher. The curriculum provides an understanding of musical properties and their relationship, opportunities to participate as a performer and listener, and repertory for study that includes all cultural and historical periods.
