Arizona State University
ASU Main Campus
1999-2000 TRANSFER GUIDE
FOR YAVAPAI COLLEGE
Bachelor of Science
Clinical Laboratory Sciences

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

COLLEGE OF LIBERAL ARTS AND SCIENCES (CLAS) ADMISSION CRITERIA
1. Students may declare the Clinical Laboratory Sciences major upon admittance to ASU.
2. The curriculum includes prerequisite courses that are followed by application, through a special admissions process, to the 16-month Professional Study Program. Completion of the degree is dependent upon acceptance of the student into the accredited Professional Study Program.
3. A minimum GPA of 2.50 (4.00=A) in science courses is necessary to apply to the professional program, along with a minimum cumulative GPA of 2.50.

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year.

Community college courses which are equivalent in content to upper division courses at ASU will be transferrable as equivalent but with lower division credit. The course need not be repeated but will not count toward the required number of upper division credit hours.

FIRST YEAR COMPOSITION (3-6)

ASU
ENG 101 & 102 First-Year Comp
or
ENG 105 Adv First-Year Comp
or
ENG 107 & ENG 108 Eng Foreign Students

YC
ENG 101 & 102 College Comp I & II
or
ENG 103 & 104 College Comp I & II (Honors)

or
No YC equivalent

or
No YC equivalent

GENERAL STUDIES REQUIREMENTS/COLLEGE DISTRIBUTION REQUIREMENTS
Select credits from CEG General Studies Insert as follows: 3 L1 credits (those that transfer as PHI 103 are recommended), 3 N1 credits and 3 N2 or N3 credits (those that transfer as CSE, PSY or STP are recommended), 9 HU credits (except those that transfer as ASB 222 or COM) (maximum 6 hours from ARS, MUS, THE), 9 SB credits (except those that transfer as ASM, COM and JUS, or MCO); 3 C credits (except those that transfer as JUS); 3 G credits; or 3 H credits (except those that transfer as SWU). Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.

COLLEGE PROFICIENCY REQUIREMENTS
Requires knowledge of a second language equivalent to the completion of two years study at the college level. Courses in American Sign Language also satisfy the requirement. (See the current catalog for further information.) Select language courses that transfer to ASU at the 101, 102, 201, 202, 203, 204 and/or 205 level, or courses that transfer to ASU as SHS 174, SHS 175, SHS 274 and SHS 275.
Clinical Laboratory Sciences

MAJOR REQUIREMENTS
While still a student at YC, contact the department academic advisor. Only those required courses which have YC course equivalents are listed below.
