Arizona State University
ASU Main Campus
1999-2000 TRANSFER GUIDE
FOR YAVAPAI COLLEGE

Bachelor of Science
Exercise Science & Physical Education
Exercise Science Option or Exercise and Wellness Option
or Physical Education Option

The Arizona resident applicant for transfer admission must meet competency requirements and have a cumulative grade point average (GPA) of 2.00 on a four-point (A) scale in all college level work and be in good standing and eligible to return to the last institution attended. Students who have less than 24 semester transfer credits must also meet competency requirements. Arizona residents who have completed an Arizona General Education Curriculum (AGEC) or an associate degree with a minimum 2.00 GPA in the AGEC or associate degree are exempt from admission requirements. A maximum of 64 semester credit hours will be accepted when transferred from community colleges; all transferable community college credits are accepted as lower-division credits and do not satisfy upper-division General Studies or graduation requirements.

COLLEGE OF LIBERAL ARTS AND SCIENCES (CLAS) ADMISSION CRITERIA

General University requirements satisfy the admission requirements of this program.

Transfer value of a course, including General Studies value, is governed by the Course Equivalency Guide (CEG) in force at the time the course is taken. Summer session is included with the previous academic year.

Community college courses which are equivalent in content to upper division courses at ASU will be transferrable as equivalent but with lower division credit. The course should not be repeated but will not count toward the required number of upper division credit hours.

FIRST YEAR COMPOSITION (3-6)

ASU
ENG 101 & 102  First-Year Comp

or
ENG 105 Adv First-Year Comp

or
ENG 107 & ENG 108 Eng Foreign Students

YC
ENG 101 & 102 College Comp I & II
or
ENG 103 & 104 College Comp I & II (Honors)

or
No YC equivalent

or
No YC equivalent

GENERAL STUDIES REQUIREMENTS/COLLEGE DISTRIBUTION REQUIREMENTS

Students completing the Arizona General Education Curriculum (AGEC) will still be required to fulfill lower division program requirements and prerequisites within their college and major/minor area of study. In all cases, students have the responsibility for selecting general education coursework that is relevant to the requirements of their intended major and degree.

Select credits from CEG General Studies Insert as follows: 3 L1 credits (those that transfer as PHI 103 are recommended), 3 N2 or N3 credits (those that transfer as CSE, PSY or STP are recommended), 9 HU credits (except those that transfer as ASB or COM) (maximum 6 hours from ARS, MUS, THE), 6 SB credits (except those that transfer as ASM, COM, JUS, or MCO), 3 C credits (except those that transfer as JUS), 3 G credits, and 3 H credits (except those that transfer as SWU). Additional and/or mandated General Studies requirements, if any, are listed in the Major Requirements section with designation in brackets.

COLLEGE PROFICIENCY REQUIREMENTS

Requires knowledge of a second language equivalent to the completion of two years study at the college level. Courses in American Sign Language also satisfy the requirement. (See the current catalog for further information.) Select language courses that transfer to ASU at the 101, 102, 201, 202, 203, 204 and/or 205 level, or courses that transfer to ASU as SHS 174, SHS 175, SHS 274 and SHS 275.
MAJOR REQUIREMENTS

While still a student at YC, contact the department academic advisor. Only those required courses which have YC course equivalents are listed below.

*YCC's PHY 141 transfers as PHY 111 & PHY 113.

AREAS OF CONCENTRATION

There are three areas of concentration available. All students must choose one area of concentration either (1) Exercise Science, (2) Exercise & Wellness, or (3) Physical Education.

Exercise and Wellness Concentration

Candidates must complete 21 semester hours in the major field: EPE 300, EPE 320, EPE 420, EPE 425, (three semester hours each), EPE 484 (six semester hours), and 3 semester hours carrying either EPE prefixes or prefixes from related disciplines selected with the advice and consent of a faculty advisor (No more than six may be in independent study courses).

Following are suggested related courses in the Exercise & Wellness concentration:

- Computer Sciences/Statistics
  - PSY 230 Intro to Statistics [N2]
  - MTH 230 Elementary Statistics
    or
  - PSY 230 Elementary Statistics

Exercise Science and Physical Education

- EPE 283 Prvntn/Care Ath Inj
- PHE 150 Intro Athletic Training

Family Resources

- FON 100 Intro to Nutrition
- NTR 135 Human Nutrition

Exercise Science Concentration

21 credits from EPE courses and/or related field with advisor approval (12 credits of upper-division EPE courses must be included from a defined course list.) This area of concentration allows students to combine courses from various programs within the Department of Exercise Science and Physical Education, and to gain depth of knowledge in related disciplines. The sub-disciplines are listed below:

- Biomechanics
- Exercise Physiology
- Motor Behavior
- Sport Psychology

Physical Education Concentration

21 credits from EPE courses and/or related field with advisor approval. Major required courses are EPE361, EPE376, EPE382, EPE elective (upper division)
OTHER ELECTIVE COURSES IN EPE

**ASU**

- EPE 100 Intro Health/Wellness
- EPE 283 Prvtn/Care Ath Inj
- EPE 290 Sports Officiating
- EPE 292 Sports Officiating

**YC**

- PHE 152 Prsonl Health & Wellns
- PHE 150 Intro to Athletic Training
- PHE 254 Sports Officiating I
- PHE 255 Sports Officiating II

**SUGGESTED COURSEWORK FOR PRE-PHYSICAL THERAPY AND PRE-MEDICINE AREA PREREQUISITES**

**ASU**

- BIO 181 General Biology [S1/S2]
- BIO 182 General Biology [S2]
- CHM 113 General Chemistry [S1/S2]
- CHM 115 Gen Chemistry with Qualit Analysis [S1/S2]
- CHM 116 General Chemistry [S1/S2]
- CHM 231 Elem Org Chem [S1/S2] & CHM 235 Elementary Organic Chem Lab [S1/S2]
- CHM 331 General Organic Chem &
- CHM 335 Gen Organic Chem Lab &
- CHM 332 General Organic Chem &
- CHM 336 Gen Organic Chem Lab
- MAT 170 PreCalculus [N1]
- MAT 210 Brief Calculus [N1]
- MIC 205 Microbiology [S2] &
- MIC 206 Microbiology Lab [S2]
- PGS 341 Developmental Psychology [SB]
- PGS 466 Abnormal Psychology [L2]
- PHY 111 General Physics [S1/S2] &
- PHY 113 General Physics Lab [S1/S2]
- PHY 112 General Physics [S1/S2] &
- PHY 114 General Physics Lab [S1/S2]
- PSY 230 Intro to Statistics [N2]
- STP 226 Elements of Statistics [N2]

**YC**

- BIO 181 General Biology I
- or
- BIO 182 General Biology II
- CHM 151 General Chemistry I
- CHM 152 General Chemistry II
- CHM 152 General Chemistry II
