Answers to Questions asked via Email

Q: How many events per year does ASU use event valet services?  
A: Varies but on average between 3-5 a semester.

Q: What is the average number of valets scheduled for your events?  
A: Varies on the type of event, guest arrival patterns and level of service requested by client.

Q: Does ASU use key or primary locations on campus that valet is typically set up? If so, where?  
A: Varies on location. For Downtown Beus Center for Law and Society events the meters on 1st Street are bagged and used.

Q: Will ASU provide parking areas for the valet parking service or will we be required to find parking?  
A: ASU will provide parking areas.

Q: If meters need to be bagged for valet use, who is the responsible party in charge, ASU or the City of Tempe? What is the cost for meter bagging?  
A: The valet vendor is responsible for coordinating with the City.

Q: What is the time duration of the required ASU Parking and Transit Services Orientation Training, and, how frequently is this training available?  
A: The training is approximately 1-1.5 hours and can be made available as needed.
