28. The University believes that it can best maintain its reputation for treating suppliers in a fair, honest, and consistent manner by conducting solicitations in good faith and by granting competitors an equal opportunity to win an award. If you feel that we have fallen short of these goals, you may submit a protest pursuant to the Arizona Board of Regents procurement procedures, section 3-809, in particular section 3-809C. This paragraph does not include all of the provisions of the Regents procedures, but it does tell you what you have to do to initiate a protest. First, you have to be an "interested party." An "interested party" is an actual or prospective proposer whose direct economic interest may be affected by the issuance of a solicitation, the award of a contract, or by the failure to award a contract. Whether an actual prospective bidder or offeror has a *direct* economic interest will depend upon the circumstances in each case. At a minimum, the interest must be substantial and must be tangibly affected by the administrative action or proposed action concerned in the case. For instance, a bidder or proposer who is fourth in line for award does not have a sufficient economic interest to protest the proposed award of a contract to the low bidder or offeror. Second, you must submit the protest in a timely manner. In procurements inviting bids, protests based upon alleged errors, irregularities or, improprieties in a solicitation that are apparent before the bid opening shall be filed before the bid opening. In procurements requesting proposals, protests based upon alleged errors, irregularities or improprieties in a solicitation that are apparent before the closing date for receipt of initial proposals shall be filed before the closing date for receipt of initial proposals. Protests concerning improprieties that do not exist in the initial solicitation, but that are subsequently incorporated into the solicitation, shall be filed by the next closing date for receipt of proposals following the incorporation. In cases other than those just covered, protests shall be filed no later than ten (10) days after the earlier of a) the issuance of a Notice of Intent to Award or b) Award of a Contract in connection with the procurement action. Failure to timely protest shall be deemed a waiver of all rights. Third, and finally, your protest shall be in writing and shall include the following information: (1) The name, address, telephone number, and fax number of the protestor; (2) The signature of the protestor or its representative; (3) Identification of the solicitation or contract number; (4) A detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and (5) The form of relief requested.

Protests should be directed to:

Jamon Hill
Deputy Chief Procurement Officer
Purchasing and Business Services
PO Box 875212
Tempe AZ 85287-5212
Email: Jamon.Hill@asu.edu

Please note that as the University takes protests very seriously; we expect you to do so as well. Frivolous protests will not result in gain for your firm.

Arizona State University
INDEPENDENT CONTRACTOR AGREEMENT FOR CONSULTING, SERVICES, AND DELIVERABLES

THIS CONTRACT is made between the Arizona Board of Regents, a body corporate, for and on behalf of Arizona State University (ASU) and ______________________________________, a ________________________ (Vendor), effective as of ______________, 2017 (the Effective Date).

ASU issued a Request for Proposal 251803 for Fitness Program Services. Vendor responded with its proposal. ASU and Vendor desire to enter into this Contract for the purpose of Vendor providing ASU teaching and certification of trainers at the Sun Devil Fitness Complex’s group to provide a dance formatted group wellness class.

In consideration of the mutual obligations specified in this Contract, the parties agree as follows:

1. Engagement; Services and Deliverables. ASU retains Vendor, as of the Effective Date, and Vendor accepts such engagement, to perform the services as and when set forth on Exhibit A, which will be signed and delivered as of the Effective Date, and is an integral part of this Contract (the Initial Statement of Work). The parties may execute additional Statements of Work (each, a SOW), sequentially numbered, all of which shall reference this Contract and shall be incorporated herein. As part of the Services, Vendor will deliver to ASU all goods, reports, code, documents, software, and other materials (the Deliverables) as may be set forth on a Statement of Work. To the extent any provision in a Statement of Work conflicts with any provisions of this Contract, the provisions of this Contract will control.

2. Compensation. ASU will pay Vendor for the Services (which by definition include the Deliverables) as and when set forth on the applicable Statement of Work. Unless described with specificity on an executed Statement of Work, Vendor will be solely responsible for all expenses it incurs in connection with Vendor’s obligations under this Contract. If in a Statement of Work ASU agrees to reimburse Vendor for any travel expenses, all reimbursable travel expenses must be authorized in writing by ASU in advance of the planned travel and must be consistent with ASU Financial Services Policy FIN 421-01, www.asu.edu/aad/manuals/fin/fin421-01.html. If in a Statement of Work ASU agrees to reimburse Vendor for any expenses, Vendor will submit all receipts and any required backup documentation to ASU within 60 days after the applicable expenses were incurred. ASU will not be required to reimburse Vendor for any expenses, invoices, or receipts for expenses received after that time. ASU will make all payments to Vendor in Vendor’s legal name as set forth in the opening paragraph.

3. Term and Termination. The obligations of the parties will commence on the Effective Date and, unless sooner terminated, expire twelve (12) months after the Effective Date (the Term). The Term may be renewed for additional periods upon written mutual agreement of both parties. The total Term will not exceed 5 years. ASU may terminate this Contract with or without cause upon 10 days’ prior written notice to Vendor. Upon termination, ASU will have no further obligations to Vendor other than payment for Services rendered and
Deliverables delivered, in each case as of the effective date of termination. All provisions of this Contract that anticipate performance after termination, and all provisions necessary to interpret and enforce them, will survive termination of this Contract.

4. Independent Contractor. Vendor is an independent contractor. Neither Vendor nor any of Vendor’s owners, officers, directors, managers, members, employees, agents, contractors, or subcontractors (collectively, with Vendor, the Vendor Parties), will be employees, agents, partners, or joint venturers of ASU. None of the Vendor Parties will be eligible for any benefits from ASU, including worker’s compensation coverage, nor will ASU make deductions from any amounts payable to Vendor for taxes. Taxes for any amounts paid to Vendor will be Vendor’s sole responsibility.

5. Hours; Business Operations. Vendor will determine Vendor’s hours of work. ASU will not combine the business operations of ASU with Vendor; these operations will be maintained separately. Vendor will provide all tools, equipment, and supplies Vendor determines to be necessary to perform the Services, and Vendor will obtain and maintain in full force and effect all business registrations or licenses required to perform the Services.

6. Supervision. Vendor is using its own knowledge, skill, and technical know-how in the performance of the Services and is not being supervised by ASU. The conduct and control of Services under this Contract lies solely with Vendor, and ASU is interested only in final results.

7. Records and Reports. Vendor will provide interim written reports concerning the performance of the Services as and when ASU may request. Upon termination of the Term, Vendor will, if requested by ASU, provide a final written report regarding the Services.

8. Nondisclosure and Trade Secrets. ASU Confidential Information may include, but is not be limited to, confidential and proprietary information supplied to Vendor with the legend “ASU Confidential and Proprietary,” or other designations of confidentiality. As between Vendor and ASU, ASU Confidential Information is the sole, exclusive, and valuable property of ASU. Vendor will not reproduce or otherwise use any ASU Confidential Information except in the performance of the Services, and will not disclose any ASU Confidential Information to any third party, either during or after the Term, except with ASU’s prior written consent. Upon termination of this Contract, Vendor will cease using, and will return to ASU, all originals and all copies of ASU Confidential Information, in all forms and media, in Vendor’s possession or under Vendor’s control. In addition, Vendor will not disclose or otherwise make available to ASU any confidential information of Vendor or received by Vendor from any third party.

Vendor will have no obligation to maintain as confidential any ASU Confidential Information that Vendor can show: (i) was already lawfully in the possession of or known by Vendor before receipt from ASU; (ii) is or becomes generally known in the industry through no violation of this Contract or any other agreement; (iii) is lawfully received by Vendor from a third party without restriction on disclosure or use; (iv) is required to be disclosed by court order following notice to ASU sufficient to allow ASU to contest such order; or (v) is approved in writing by ASU for release or other use by Vendor.

9. Ownership and Assignment of Work Product. All Intellectual Property that any of the Vendor Parties may make, conceive, discover, develop, or create, either solely or jointly with any other person or persons including ASU, pursuant to or in connection with the Services (the Contract IP), will be owned by ASU, and where applicable, all copyrightable Contract IP will be considered “Work Made for Hire” under the U.S. Copyright Act, 17 U.S.C. §101 et seq. To the extent that any Contract IP is not, by operation of law, agreement or
otherwise considered work made for hire for ASU (or if ownership of all rights therein do not otherwise vest exclusively in ASU), Vendor hereby irrevocably assigns, and will cause all Vendor Parties to so assign, without further consideration, to ASU, all right, title, and interest to all Contract IP. Intellectual Property means any and all inventions, designs, original works of authorship, formulas, processes, compositions, programs, databases, software, code, data, technologies, discoveries, ideas, writings, improvements, procedures, techniques, know-how, and all patent, trademark, service mark, trade secret, copyright, goodwill, and other intellectual property rights relating to the foregoing. Vendor will make full and prompt disclosure of all Contract IP to ASU. Vendor will, and will cause the Vendor Parties, upon request of ASU, to do such acts, and sign and deliver all instruments requested by ASU to vest in ASU the entire right, title and interest to the Contract IP, and to enable ASU to properly prepare, file, and prosecute applications for, and to obtain patents and/or copyrights on, the Contract IP, and, at ASU’s cost and expense, to cooperate with ASU in the protection of the Contract IP and/or defense of any litigation arising in connection with the Contract IP.

10. Vendor’s Intellectual Property Ownership Rights. Vendor will retain ownership of its pre-existing Intellectual Property, including any of its pre-existing Intellectual Property that may be incorporated into the Contract IP, provided that Vendor informs ASU in writing before incorporating any pre-existing Intellectual Property into any Contract IP. Vendor hereby grants to ASU a perpetual, irrevocable, royalty-free, worldwide right and license (with the right to sublicense), to freely use, make, have made, reproduce, disseminate, display, perform, and create derivative works based on such pre-existing Intellectual Property as may be incorporated into the Contract IP or otherwise provided to ASU in the performance of the Services.

11. Warranties. Vendor represents and warrants that: (i) all of the Services will be performed in a professional and workmanlike manner and in conformity with industry standards by persons reasonably suited by skill, training, and experience for the type of services they are assigned to perform; (ii) Vendor will comply, and will be responsible for ensuring Vendor Parties comply, with all applicable federal, state and local laws in the performance of this Contract; and (iii) Vendor owns or has sufficient rights in all Deliverables, and no Deliverables will infringe on or violate any Intellectual Property of any third parties.

12. Indemnification. Vendor will indemnify, defend, and hold harmless the State of Arizona, its departments, agencies, boards, commissions, universities, and its and their officials, agents and employees (collectively, Indemnitee) for, from, and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys’ fees, and costs of claim processing, investigation, and litigation) for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property to the extent caused, or alleged to be caused, by (i) the negligence, acts or omissions of Vendor, or any of the other Vendor Parties; (ii) a breach of this Contract; or (iii) failure to comply with any applicable law. Vendor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable.

13. Responsibility. Each party will be responsible for the negligence, acts and omissions of its employees and contractors when acting under such party’s direction and supervision. Notwithstanding the terms of this Contract or any other document or agreement: (i) other than for employees and contractors acting under ASU’s direction and supervision, ASU is not responsible for any actions of any third parties, including its students; and (ii) no person may bind ASU unless they are an authorized signatory of ASU, as set forth in PUR-202, which is at www.asu.edu/counsel/manual/signatureauthority.html.

14. No Debarment. None of the Vendor Parties, either directly or indirectly or through subcontractors, have been suspended, excluded from participation in or penalized by any Federal or State procurement, non-procurement, or reimbursement program. Vendor affirms that it has confirmed the above statement by checking The System for Award Management (SAM) www.uscontractorregistration.com within 180 days prior to commencing
Services. Vendor will provide immediate written notice to ASU upon the subsequent exclusion of any of the Vendor Parties, or upon learning of any investigation or proposed action that could result in such exclusion.

15. Notices. All notices and communications required or permitted under this Contract will be in writing and will be given by personal delivery against receipt (including private courier service such as Federal Express), or certified United States Mail, return receipt requested. If applicable, the parties will abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.

17. Conflict of Interest. If within 3 years after the execution of this Contract, Vendor hires as an employee or agent any ASU representative who was significantly involved in negotiating, securing, drafting, or creating this Contract, then ASU may cancel this Contract as provided in Arizona Revised Statutes (ARS) § 38-511. 21. **Failure of Legislature to Appropriate.** In accordance with ARS § 35-154, if ASU’s performance under this Contract depends on the appropriation of funds by the Arizona Legislature, and if the Legislature fails to appropriate the funds necessary for performance, then ASU may provide written notice of this to Vendor and cancel this Contract without further obligation of ASU. Appropriation is a legislative act and is beyond the control of ASU.

22. **Weapons, Explosive Devices, and Fireworks.** ASU prohibits the use, possession, display or storage of any weapon, explosive device or fireworks on all land and buildings owned, leased, or under the control of ASU or its affiliated or related entities, in all ASU residential facilities (whether managed by ASU or another entity), in all ASU vehicles, and at all ASU or ASU affiliate sponsored events and activities, except as provided in ARS § 12-781, or unless written permission is given by the Chief of the ASU Police Department or a designated representative. Notification by Vendor to all persons or entities who are employees, officers, subcontractors, consultants, agents, guests, invitees or licensees of Vendor (Vendor Notification Parties) of this policy is a condition and requirement of this Contract. Vendor further agrees to enforce this Contract requirement against all Vendor Notification Parties. ASU’s policy may be accessed at: [www.asu.edu/aad/manuals/pdp/pdp201-05.html](http://www.asu.edu/aad/manuals/pdp/pdp201-05.html).

23. **Advertising, Publicity, Names and Marks.** Vendor will not do any of the following, without, in each case, ASU’s prior written consent: (i) use any names, service marks, trademarks, trade names, logos, or other identifying names, domain names, or identifying marks of ASU (ASU Marks), for any reason including online, advertising, or promotional purposes; (ii) issue a press release or public statement regarding this Contract; or (iii) represent or imply any ASU endorsement or support of any product or service in any public or private communication. 24. **Background Checks.** To ensure the safety and security of ASU, Vendor will, at Vendor’s expense, conduct reference checks, background checks, and fingerprinting (Screenings) on all persons employed or contracted by Vendor to perform work under this Contract. The necessity, frequency, type, and adequacy of the Screenings will be determined by the type of work each person will be performing under this Contract. Vendor will conduct Screenings on each person, as would be required if ASU were hiring the person, within 90 days prior to that person commencing work under this Contract. The minimum Screening requirements are set forth in ASU ACD 126 at [http://www.asu.edu/aad/manuals/acd/acd126.html](http://www.asu.edu/aad/manuals/acd/acd126.html) and ARS § 15-1649. ASU’s Title IX Guidance is available at [www.asu.edu/titleIX/Vendors-and-an-Environment-of-Respect.pdf](http://www.asu.edu/titleIX/Vendors-and-an-Environment-of-Respect.pdf). Vendor will: (i) comply with ASU’s Title IX Guidance; (ii) provide ASU’s Title IX Guidance to any Vendor Parties who may reasonably be expected to interact with ASU students and employees, in person or online; and (iii) ensure that all Vendor Parties comply with ASU’s Title IX Guidance.

28. **Authorized Presence Requirements.** As required by ARS § 41-4401, ASU is prohibited from awarding a contract to any contractor or subcontractor that fails to comply with ARS § 23-214(A) (verification of employee eligibility through the e-verify program). Vendor warrants that it and its subcontractors comply fully with all applicable federal immigration laws and regulations that relate to their employees and their compliance with ARS § 23-214(A). A breach of this warranty will be a material breach of this Contract that is subject to penalties up to and including termination of this Contract. ASU retains the legal right to inspect the papers of any Contractor or subcontractor employee who works hereunder to ensure that the contractor or subcontractor is complying with the above warranty.

29. **Tobacco-Free University.** ASU is tobacco free. For details, visit [www.asu.edu/tobaccofree](http://www.asu.edu/tobaccofree).

   b. Policy will cover professional misconduct or lack of ordinary skill for those positions defined in the scope of work of this Contract.

B. **Additional Insurance Requirements**: All policies will include, or be endorsed to include, the following provisions (blanket endorsements are not acceptable):

1. D. **Acceptability of Insurers:** Insurance is to be placed with duly licensed or approved non-admitted insurers in the State of Arizona with an “A.M. Best” rating of not less than A-VII (A minus seven). The State of Arizona in no way warrants that the above required minimum insurer rating is sufficient to protect Vendor from potential insurer insolvency.

E. **Verification of Coverage:** Vendor will furnish ASU with certificates of insurance (ACORD form or equivalent approved by the State of Arizona) as required by this Contract. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf.

Each insurance policy required by this Contract must be in effect at or prior to commencement of work under this Contract and remain in effect for the duration of the Contract. Failure to maintain the insurance policies as required by this Contract, or to provide evidence of renewal, is a material breach of Contract.

All certificates required by this Contract must be sent directly to Director of Risk Management, Arizona State University, P.O. Box 876512, Tempe, AZ 85287-6512. ASU’s project or purchase order number and project description will be noted on each certificate of insurance. Arizona and/or ASU reserve the right to require complete certified copies of all insurance policies required by this Contract at any time.

F. **Subcontractors:** Vendor’s certificate(s) will include all subcontractors as insureds under its policies or Vendor will furnish to ASU separate certificates and endorsements for each subcontractor. All coverages for subcontractors will be subject to the minimum requirements identified above.
