- 28.** The University believes that it can best maintain its reputation for treating suppliers in a fair, honest, and consistent manner by conducting solicitations in good faith and by granting competitors an equal opportunity to win an award. If you feel that we have fallen short of these goals, you may submit a protest pursuant to the Arizona Board of Regents procurement procedures, section 3-809, in particular section 3-809C. This paragraph does not include all of the provisions of the Regents procedures, but it does tell you what you have to do to initiate a protest. First, you have to be an "interested party." An "interested party" is an actual or prospective proposer whose direct economic interest may be affected by the issuance of a solicitation, the award of a contract, or by the failure to award a contract. Whether an actual prospective bidder or offeror has a *direct* economic interest will depend upon the circumstances in each case. At a minimum, the interest must be substantial and must be tangibly affected by the administrative action or proposed action concerned in the case. For instance, a bidder or proposer who is fourth in line for award does not have a sufficient economic interest to protest the proposed award of a contract to the low bidder or offeror. Second, you must submit the protest in a timely manner. In procurements inviting bids, protests based upon alleged errors, irregularities or, improprieties in a solicitation that are apparent before the bid opening shall be filed before the bid opening. In procurements requesting proposals, protests based upon alleged errors, irregularities or improprieties in a solicitation that are apparent before the closing date for receipt of initial proposals shall be filed before the closing date for receipt of initial proposals. Protests concerning improprieties that do not exist in the initial solicitation, but that are subsequently incorporated into the solicitation, shall be filed by the next closing date for receipt of proposals following the incorporation. In cases other than those just covered, protests shall be filed no later than ten (10) days after the earlier of a) the issuance of a Notice of Intent to Award or b) Award of a Contract in connection with the procurement action. Failure to timely protest shall be deemed a waiver of all rights. Third, and finally, your protest shall be in writing and shall include the following information: (1) The name, address, telephone number, and fax number of the protestor; (2) The signature of the protestor or its representative; (3) Identification of the solicitation or contract number; (4) A detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and (5) The form of relief requested.

Protests should be directed to:

Jamon Hill  
Deputy Chief Procurement Officer  
Purchasing and Business Services  
PO Box 875212  
Tempe AZ 85287-5212  
Email: [Jamon.Hill@asu.edu](mailto:Jamon.Hill@asu.edu)

Please note that as the University takes protests very seriously; we expect you to do so as well. Frivolous protests will not result in gain for your firm.

These Terms and Conditions (T&Cs) apply to the following (collectively, the PO): written offers, purchase orders, and other documents issued by the Arizona Board of Regents for and on behalf of Arizona State University (ASU) to a supplier (Supplier) for furnishing equipment, materials, or supplies (Goods) and/or services (Services) to ASU (the Goods/Services). These T&Cs together with the PO, any other written agreements signed by both parties, and any other documents incorporated by reference therein or herein will constitute the Agreement. Any terms not defined in these T&Cs will have the meanings set forth in the Agreement.

1. **Offer and Acceptance.** The PO is subject to cancellation by ASU at any time prior to acceptance by Supplier. Supplier accepts all of the Agreement's terms and conditions, without qualification, upon the sooner of the following: 1) any written acceptance by Supplier; or 2) shipment, delivery, or performance of all or any of the Goods/Services. Any term or condition in any invoice, offer, or other document issued by Supplier that modifies, adds to, or changes these T&Cs or the PO is rejected, and will not be part of the Agreement unless agreed by ASU in writing.
2. **Order of Precedence.** In the event of an inconsistency or conflict between or among the provisions of the Agreement, the inconsistency will be resolved by giving precedence in the following order: i) the PO; ii) these T&Cs; and iii) any other agreement or document signed by the parties.
3. **Modifications.** Any modification to the PO, including changes to quantity, price, terms of payment, delivery terms, specifications, etc. must be in an updated PO signed by the parties. If a delivery must differ from the PO, do not ship, deliver, or perform the Goods/Services and instead contact the appropriate ASU Buyer.
4. **Term and Termination.**
  - a. The Term of the Agreement is as stated in the Agreement. If the Agreement is silent as to the Term, the Term will extend from the date of acceptance of the Agreement by Supplier to the final delivery, acceptance, and payment of the Goods/Services. The Term will not exceed 5 years. Following the initial Term, the Agreement may be extended by mutual written agreement.
  - b. ASU may terminate the Agreement, with or without cause, upon 30 days written notice to Supplier. Upon termination, Supplier will refund to ASU all prepaid amounts for Goods/Services not delivered or performed. If the Agreement is terminated pursuant to this section, ASU will pay Supplier, as full compensation under the Agreement:(1) the portion of Goods/Services delivered or performed and accepted prior to the termination based on the unit prices in the Agreement, or, if no unit prices are provided, the pro rata amount of the total order price based on the amount delivered or performed; and (2) a reasonable amount, not otherwise recoverable from other sources by Supplier, and as approved by ASU, with respect to the undelivered, unperformed, or unacceptable portion of the Good/Services. In no event will compensation paid previously under the Agreement together with compensation paid under this section exceed the total PO or Agreement price.
  - c. ASU may terminate the Agreement, in whole or in part, if Supplier defaults on any of its obligations in the Agreement and fails to cure such default within 7 days after receiving notice of default from ASU. In the event of such a default, ASU may procure the Goods/Services from other sources and Supplier will be liable to ASU for any excess costs ASU incurs.

- d. ASU may terminate the Agreement at any time if Supplier files a petition in bankruptcy, or is adjudicated bankrupt; or if a petition in bankruptcy is filed against Supplier and not discharged within 30 days; or if Supplier becomes insolvent or makes an assignment for the benefit of its creditors or an arrangement pursuant to any bankruptcy law; or if a receiver is appointed for Supplier or its business.
5. **Prices.** All Prices will be as listed in the PO or, if not listed in the PO, will be as otherwise set forth in the Agreement. Unless otherwise specified in the Agreement: 1) all prices are in US Dollars; 2) prices include any cost for shipping, packaging, shipping insurance, and handling; and 3) prices will include any travel, labor, interest, import/export fees, and other costs associated with providing the Goods/Services.
6. **Settlement Method and Terms.** Payment will be subject to the provisions of Title 35 of the Arizona Revised Statutes (ARS), as amended from time to time, relating to time and manner of submission of claims. ASU's obligation will be payable only and solely from funds appropriated for the purpose of the Agreement. After delivery and acceptance of the Goods/Services, Supplier will submit an acceptable invoice to ASU. Invoices must be itemized, reference the Agreement or PO number, and include sufficient detail to document the invoiced amount. ASU will pay Supplier for the Goods/Services delivered and accepted net 30 days after receipt by ASU of an invoice meeting the requirements of this section.
7. **Taxes.** Unless otherwise specified in the Agreement, prices will include all taxes and fees, including, without limitation, sales, use, or excise taxes, import duties, value added taxes, permit fees, license fees, or similar charges (Taxes). Taxes do not include ASU income taxes or taxes related to ASU's employees.
8. **Inspection.** Supplier will supply the Goods/Services to ASU exactly as specified in the Agreement. The Goods/Services will meet the highest and best industry practices. ASU will have the right to inspect any Goods/Services prior to and a reasonable amount of time after delivery. If ASU determines that any Goods/Services are incomplete, defective, or not in compliance with the specifications or other requirements of the Agreement, ASU may reject such Goods/Services.
9. **Warranties.** In addition to any implied warranties, Supplier warrants to ASU that: 1) the Goods/Services will be free from any defects in design, workmanship, materials, or labor; 2) all of the Services will be performed in a professional and workmanlike manner and in conformity with highest and best industry standards by persons reasonably suited by skill, training and experience for the type of services they are assigned to perform; 3) Supplier will comply, and will be responsible for ensuring Supplier Parties, as defined below, comply with all applicable laws, rules, and regulations in the performance of the Agreement; 4) Supplier owns or has sufficient rights in the Goods/Services that they do not infringe upon or violate any Intellectual Property, as defined below, of any third parties, and are free and clear of any liens or encumbrances; 5) any data, code, or software developed or delivered by Supplier to ASU will not contain any viruses, worms, Trojan Horses, or other disabling devices or code; 6) any sensitive data and personally identifiable data (PII), as those terms may be defined in applicable laws provided by Supplier to ASU was obtained legally and Supplier has obtained all requisite permissions from the individuals whose PII is being provided for (a) Supplier to provide the PII to ASU, and (b) ASU to use the PII for the purposes and in the jurisdictions set forth in the Agreement; 7) the prices of Goods/Services in the Agreement are the lowest prices at which these or similar goods or services are sold by the Supplier to similar customers. In the event of any price reduction between execution of the Agreement and delivery of the Goods/Services, ASU shall be entitled to such reduction, and 8) all Goods/Services delivered by Supplier will conform to the specifications, drawings, and descriptions set forth in the Agreement, and to the samples furnished by the Supplier, if any. In the event of a conflict among the specifications, drawings, and description, the specifications will govern.
10. **Indemnification.** Supplier will indemnify, defend, save and hold harmless the State of Arizona, its departments, agencies, boards, commissions, universities, and its and their officials, agents and employees (collectively, Indemnitee) for, from, and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation, and litigation) for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property to the extent caused, or alleged to be caused, by (i) the negligent or willful acts or omissions of Supplier, or any of its owners, officers, directors, members, managers, agents, employees, contractors or subcontractors (the Supplier Parties); (ii) a breach of the Agreement; or (iii) failure to comply with any applicable law, rule, or regulation. Supplier will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable.

11. **Responsibility.** Each party is responsible for the negligent or willful acts or omissions of its employees and contractors when acting under such party's direction and supervision. ASU recognizes an obligation to pay attorneys' fees or costs only when assessed by a court of competent jurisdiction. Notwithstanding the terms of the Agreement or any other document: (i) other than for employees and contractors acting under ASU's direction and supervision, ASU is not responsible for any actions of any third parties, including its students; and (ii) no person may bind ASU unless they are an authorized signatory in PUR-202.
12. **Intellectual Property Ownership.** All Intellectual Property (as defined below) that Supplier or any of the Supplier Parties make, conceive, discover, develop or create, either solely or jointly with any other person or persons including ASU, specifically for or at the request of ASU in connection with the Agreement (**Contract IP**), will be owned by ASU. To the extent any Contract IP is not considered work made for hire for ASU (or if ownership of all rights therein does not otherwise vest exclusively in ASU), Supplier hereby irrevocably assigns, and will cause the Supplier Parties to so assign, without further consideration, to ASU all right, title and interest in and to all Contract IP, including all copyright rights of ownership. Intellectual Property means all ASU Data, as defined below, any and all inventions, designs, original works of authorship, formulas, processes, compositions, programs, databases, data, technologies, discoveries, ideas, writings, improvements, procedures, techniques, know-how, and all patent, trademark, service mark, trade secret, copyright and other intellectual property rights (and goodwill) relating to the foregoing. Supplier will make full and prompt disclosure of the Contract IP to ASU. Supplier will, and will cause the Supplier Parties, as and when requested by ASU, do such acts, and sign such instruments to vest in ASU the entire right, title and interest to the Contract IP, and to enable ASU to prepare, file, and prosecute applications for, and to obtain patents and/or copyrights on, the Contract IP, and, at ASU's expense, to cooperate with ASU in the protection and/or defense of the Contract IP.
13. **Supplier's Intellectual Property.** Supplier will retain ownership of its pre-existing Intellectual Property, including any that may be incorporated into the Contract IP, provided that Supplier informs ASU in writing before incorporating any pre-existing Intellectual Property into any Contract IP. Supplier hereby grants to ASU a perpetual, irrevocable, royalty-free, worldwide right and license (with the right to sublicense), to freely use, make, have made, reproduce, disseminate, display, perform, and create derivative works based on such pre-existing Intellectual Property as may be incorporated into the Contract IP or otherwise provided to ASU in the course of performing under the Agreement.
14. **Data Use, Ownership, and Privacy.** The terms of this section apply if Supplier receives, has access to, stores, or analyzes any ASU Data (as defined below). As between the parties, ASU will own, or retain all of its rights in, all data and information that ASU provides to Supplier, as well as all data and information managed by Supplier on behalf of ASU, including all output, reports, analyses, and other materials relating to, derived from, or generated pursuant to the Agreement, even if generated by Supplier, as well as all data obtained or extracted through ASU's or Supplier's use of such data or information (collectively, ASU Data). ASU Data also includes all data and information provided directly to Supplier by ASU students and employees, and includes personal data, metadata, and user content.

ASU Data will be ASU's Intellectual Property and Supplier will treat it as ASU Confidential Information (as defined below). Supplier will not use, access, disclose, or license, or provide to third parties, any ASU Data, except: (i) to fulfill Supplier's obligations to ASU hereunder; or (ii) as authorized in writing by ASU. Without limitation, Supplier will not use any ASU Data, whether or not aggregated or de-identified, for product development, marketing, profiling, benchmarking, or product demonstrations, without, in each case, ASU's prior written consent. Supplier will not, directly or indirectly: (x) attempt to re-identify or de-aggregate de-identified or aggregated information; or (y) transfer de-identified and aggregated information to any third party unless that third party agrees not to attempt re-identification or de-aggregation. For ASU Data to be considered de-identified, all direct and indirect personal identifiers must be removed, including names, ID numbers, dates of birth, demographic information, location information, and school information. Upon request by ASU, Supplier will deliver, destroy, and/or make available to ASU, any or all ASU Data.

Notwithstanding the foregoing, if the Agreement allows Supplier to provide aggregated and de-identified data to third parties, then Supplier may provide such data solely to the extent allowed in the Agreement, and, unless otherwise stated herein, only if such data is aggregated with similar data of others (i.e. is not identified as ASU, ABOR, or Arizona-specific).

15. **Nondisclosure and Trade Secrets.** Supplier may receive (or has received) from ASU and otherwise be exposed to confidential and proprietary information relating to ASU's business practices, strategies, and technologies, ASU Data, as well as confidential information of ASU necessary to perform and/or provide the Goods/Services (collectively, ASU Confidential Information). ASU Confidential Information may include, but is not limited to, confidential and proprietary information supplied to Supplier with the legend "ASU Confidential and Proprietary," or other designations of confidentiality. As between Supplier and ASU, the ASU Confidential Information is the sole, exclusive, and valuable property of ASU. Accordingly, Supplier will not reproduce or otherwise use any of the ASU Confidential Information except in the performance or provision of the Goods/Services, and will not disclose any of the ASU Confidential Information in any form to any third party, either during or after the Term, except with ASU's prior written consent. Upon termination of the Agreement, Supplier will cease using, and will return to ASU, all originals and all copies of the ASU Confidential Information, in all forms and media, in Supplier's possession or under Supplier's control. In addition, Supplier will not disclose or otherwise make available to ASU any confidential information of Supplier or received by Supplier from any third party.

Supplier will have no obligation to maintain as confidential as ASU Confidential Information (other than ASU Data) that Supplier can show: (i) was already lawfully in the possession of or known by Supplier before receipt from ASU; (ii) is or becomes generally known in the industry through no violation of the Agreement or any other agreement between the parties; (iii) is lawfully received by Supplier from a third party without restriction on disclosure or use; (iv) is required to be disclosed by court order following notice to ASU sufficient to all ASU to contest such order; or (v) is approved in writing by ASU for release or other use by Supplier.

16. **Information Security.** The terms of this section apply if: 1) ASU is purchasing or leasing software, or processing a software renewal; 2) Supplier is creating any code for ASU; 3) Supplier receives, stores, or analyzes ASU Data (including if the data is not online); OR 4) Supplier is hosting, or managing by infrastructure outside of ASU, including in the cloud, ASU Data.

All systems containing ASU Data must be designed, managed, and operated in accordance with information security best practices and in compliance with all applicable laws, rules, and regulations. To diminish information security threats, Supplier will (either directly or through its third party service providers) meet the following requirements:

- a. Access Control. Control access to ASU's resources, including sensitive ASU Data, limiting access to legitimate business need based on an individual's job-related assignment. Supplier will, or will cause the system administrator to, approve and track access to ensure proper usage and accountability, and Supplier will make such information available to ASU for review, upon ASU's request.
- b. Incident Reporting. Report information security incidents immediately to ASU (including those that involve information disclosure incidents, unauthorized disclosure of ASU Data, network intrusions, successful virus attacks, unauthorized access or modifications, and threats and vulnerabilities).
- c. Off Shore. Direct Services that may involve access to secure or sensitive ASU Data or personal client data or development or modification of software for ASU, will be performed within the borders of the United States. Unless stated otherwise in the Agreement, this requirement does not apply to indirect or "overhead" services, redundant back-up services or services that are incidental to the performance of the Agreement. This provision applies to work performed by subcontractors at all tiers and to all ASU Data.
- d. Patch Management. Carry out updates and patch management for all systems and devices in a timely manner and to the satisfaction of ASU. Updates and patch management must be deployed using an auditable process that can be reviewed by ASU upon ASU's request.
- e. Encryption. All systems and devices that store, process or transmit sensitive ASU Data must use an industry standard encryption protocol for data in transit and at rest.
- f. Notifications. Notify ASU immediately if Supplier receives any kind of subpoena for or involving ASU Data, if any third party requests ASU Data, or if Supplier has a change in the location or transmission of ASU Data. All notifications to ASU required in this Information Security paragraph will be sent to ASU Information Security at [Infosec@asu.edu](mailto:Infosec@asu.edu), in addition to any other notice addresses in the Agreement.

- g. Security Reviews. Complete SOC2 Type II or substantially equivalent reviews in accordance with industry standards, which reviews are subject to review by ASU upon ASU's request. Currently, no more than two reviews per year are required.
  - h. Scanning and Penetration Tests. Perform periodic scans, including penetration tests, for unauthorized applications, services, code and system vulnerabilities on the networks and systems included in the Agreement in accordance with industry standards and ASU standards (as documented in NIST 800-115) or equivalent. All web-based applications (e.g. HTTP/HTTPS accessible URLs, APIs, and web services) are required to have their own web application security scan and remediation plan. Supplier must correct weaknesses within a reasonable period of time, and Supplier must provide proof of testing to ASU upon ASU's request.
  - i. ASU Rights. ASU reserves the right (either directly or through third party service providers) to scan and/or penetration test any purchased and/or leased software regardless of where it resides.
  - j. Secure Development. Use secure development and coding standards including secure change management procedures in accordance with industry standards. Perform penetration testing and/or scanning prior to releasing new software versions. Supplier will provide internal standards and procedures to ASU for review upon ASU request.
17. **End User Licenses**. The terms of this section apply if the Goods/Services include software or other computer programs or applications that require acceptance of a clickwrap, click-through, end user license, or other similar agreement (End User Agreement) prior to the use of the software. If Supplier requires ASU's individual users to accept an End User Agreement, the terms of the End User Agreement that conflict or are inconsistent, with the terms of the Agreement or ASU's Privacy Policy will be null and void.
18. **Background Checks**. Supplier will exclude from any direct participation in Supplier's performance under the Agreement, any unqualified persons. In addition, at the request of ASU, Supplier will, at Supplier's expense, conduct reference checks and employment, education, SSN trace, National Sex Offender Registry, and criminal history record checks (collectively, Screenings) on requested persons employed or contracted by Supplier to perform work under the Agreement. Supplier will maintain as part of the records Supplier is required to maintain hereunder, all Screening information and all documentation relating to work performance for each employee or contractor who performs work hereunder. Supplier will abide by all applicable laws, rules and regulations including the Fair Credit Reporting Act and any equal opportunity laws, rules, and regulations.
19. **Payment Card Industry Data Security Standard**. The terms of this section apply if Supplier is processing credit or debit card transactions as part of the Agreement. For e-commerce business and/or payment card transactions, Supplier will comply with the requirements and terms of the rules of all applicable payment card industry associations or organizations, as amended from time to time (PCI Security Standards), and be solely responsible for security and maintaining confidentiality of payment card transactions processed by means of electronic commerce up to the point of receipt of such transactions by a qualified financial institution.

Supplier will, at all times during the Term, be in compliance with the then current standard for Payment Card Industry Data Security Standard (PCI DSS), Payment Application Data Security Standard (PA-DSS) for software, and PIN Transaction Security (PCI PTS) for hardware. Supplier will provide attestation of compliance to ASU annually by delivering to ASU current copies of the following: (i) Supplier's "Attestation of Compliance for Onsite Assessments – Service Providers;" (ii) an attestation that all ASU locations are being processed and secured in the same manner as those in Supplier's "PCI Report on Compliance;" and (iii) a copy of Supplier's PCI Report on Compliance cover letter. Supplier will notify ASU immediately if Supplier becomes non-compliant, and of the occurrence of any security incidents (including information disclosure incidents, network intrusions, successful virus attacks, unauthorized access or modifications, and threats and vulnerabilities).

Supplier's services must include the following:

- a. Supplier maintains its own network operating on its own dedicated infrastructure. Supplier's network includes a firewall that (i) includes access control rules that separate Supplier's PCI network from ASU, and (ii) restricts any communication between Supplier's network devices and ASU systems.

- b. Supplier treats the ASU network as an untrusted network and no unencrypted cardholder data traverses or otherwise is stored on ASU's network, and ASU has no ability to decrypt cardholder data.
  - c. All devices must be SRED (secure reading and exchange of data), EMV (Europay, MasterCard and VISA) and PTS POI compliant.
20. **Americans with Disabilities Act and Rehabilitation Act.** To the extent applicable, Supplier will comply with all applicable provisions of the Americans with Disabilities Act, the Rehabilitation Act of 1973, and all applicable federal regulations, as amended from time to time (ADA Laws). All electronic and information technology and products and services to be used by ASU faculty/staff, students, program participants, or other ASU constituencies must be compliant with ADA Laws. Compliance means that a disabled person can acquire the same information, engage in the same interactions, and enjoy the same services as a nondisabled person, in an equally effective and integrated manner, with substantially equivalent ease of use.
21. **Foreign Corrupt Practices Act/UK Bribery Act/ Local Anti-corruption Law Compliance.** Supplier warrants that it is familiar with the U.S. laws prohibiting corruption and bribery under the U.S. Foreign Corrupt Practices Act and the United Kingdom laws prohibiting corruption and bribery under the UK Bribery Act. In connection with Supplier's work under the Agreement, Supplier will not offer or provide money or anything of value to any governmental official or employee or any candidate for political office in order to influence their actions or decisions, to obtain or retain business arrangements, or to secure favorable treatment in violation of the Foreign Corrupt Practices Act, the UK Bribery Act, or any other local anti-corruption law, either directly or indirectly. Any breach of the U.S. Foreign Corrupt Practices Act, the UK Bribery Act, or other local anti-corruption law, will be a material breach of the Agreement.
22. **Export Controls.** If any of the Goods/Services are export-controlled under the U.S. Export Administration Regulations, U.S. International Traffic in Arms Regulations, or through the sanctions and embargoes established through the Office of Foreign Assets Control (collectively, the Export Control Laws), Supplier will provide ASU with written notification that identifies the export-controlled Goods/Services and such Goods/Services export classification. None of the work undertaken pursuant to the Agreement will require either party to take or fail to take any action that would cause a violation of any of the Export Control Laws. The parties will cooperate to facilitate compliance with applicable requirements of the Export Control Laws.
23. **Assignment.** Supplier may not transfer or assign the Agreement or any of Supplier's rights or obligations thereunder, either directly or indirectly, or by operation of law, without ASU's prior written consent, and any attempt to the contrary will be void.
24. **Governing Law and Venue.** The Agreement will be governed by the laws of the State of Arizona without regard to any conflicts of laws principles. ASU's obligations hereunder are subject to the regulations/policies of the Arizona Board of Regents. Any proceeding arising out of or relating to the Agreement will be conducted in Maricopa County, Arizona. Each party consents to such jurisdiction, and waives any objection it may now or hereafter have to venue or to convenience of forum.
25. **Packaging.** Supplier will package the Goods in accordance with good commercial practice. Each shipping container will be clearly and permanently marked as follows: (i) Supplier's name and address; (ii) ASU's name, address, and purchase order number; (iii) container number and total number of containers, e.g., box 1 of 4 boxes; and (iv) the number of the container bearing the packing slip. Supplier will bear cost of packaging unless otherwise provided.
26. **Shipment Under Reservation Prohibited.** Supplier will not ship the Goods under reservation and no tender of a bill of lading will operate as a tender of the Goods.
27. **Title and Risk of Loss.** The title and risk of loss of the Goods will not pass to ASU until they are delivered, received, and the contract of coverage has been completed. All risk of transportation and all related charges will be the responsibility of Supplier. Supplier will insure and file all claims for visible and concealed damage. ASU will notify Supplier promptly of any damaged Goods and will assist Supplier in arranging for inspection. Notice of rejection may be made to Supplier at any time within 1 month after delivery to ASU.

28. **No Replacement of Defective Tender.** Every tender of Goods will fully comply with all provisions of the Agreement as to time of delivery, quantity, quality, and the like. If a tender is made that does not fully conform, this will constitute a breach and Supplier will not have the right to substitute a conforming tender.
29. **Force Majeure.** Neither party will be held responsible for any losses resulting if the fulfillment of any terms or provisions of the Agreement are delayed or prevented by any cause not within the control of the party whose performance is interfered with, and which by the exercise of reasonable diligence, the party is unable to prevent. The party impacted by the force majeure will take commercially practicable actions to mitigate the impact of the force majeure.
30. **Business Continuity Plan.** If requested by ASU, Supplier will provide to ASU, within 30 days after such request, a comprehensive plan for continuing the performance of its obligations during a Public or Institutional Emergency (the Business Continuity Plan). The Business Continuity Plan, at a minimum, will address the following: 1) identification of response personnel by name; 2) key succession and performance responses in the event of sudden and significant decrease in workforce; and 3) contingency plans for the Supplier to continue the performance of its obligations under the Agreement, despite the emergency. In the event of a Public or Institutional Emergency, Supplier will implement the applicable actions set forth in the Business Continuity Plan and will make other commercially practicable efforts to mitigate the impact of the event. For clarification of intent, being obliged to implement the plan is not of itself an occurrence of force majeure, and Supplier will not be entitled to any additional compensation or extension of time by virtue of having to implement it, unless otherwise agreed to by ASU in writing. A Public or Institutional Emergency will mean a natural or manmade event that creates a substantial risk to the public, that causes or threatens death or injury to the general public, or that causes a significant disruption to the day-to-day business operations of ASU.
31. **Gratuities.** Supplier will not give or offer any gratuities, in the form of entertainment, gifts or otherwise, or use an agent or representative of Supplier to give or offer a gratuity, to any officer or employee of the State of Arizona with a view toward securing an agreement or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing of such Agreement. If ASU determines that Supplier has violated this section, ASU may, by written notice to Supplier, cancel the Agreement. If the Agreement is canceled by ASU pursuant to this section, ASU will be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the costs incurred by Supplier in providing gratuities.
32. **Modifications.** The Agreement may be modified or rescinded only by a writing signed by both parties or their duly authorized agents.
33. **Interpretation-Parol Evidence.** The Agreement is intended by the parties as a final expression of their agreement and is intended to be a complete and exclusive statement of the terms of their agreement. No course of prior dealings between the parties and no usage of the trade will be relevant to supplement or explain any term used in the Agreement. Acceptance or acquiescence in a course of performance rendered under the Agreement will not be relevant to determine the meaning of the Agreement even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in the Agreement, the definition contained in the Code, as adopted by the state of Arizona, will control.
34. **No Waiver.** No waiver by ASU of any breach of the provisions of the Agreement by Supplier will be construed to be a waiver of any future breach or bar ASU's right to insist on strict performance of the Agreement.
35. **Labor Disputes.** Supplier will give prompt notice to ASU of any actual or potential labor dispute that delays or may delay performance of the Agreement.
36. **Assignment of Anti-Trust Overcharge Claims.** In actual economic practice, overcharges resulting from anti-trust violations are borne by the ultimate purchaser. Therefore, Supplier hereby assigns to ASU any and all claims for such overcharges.
37. **Sales and Use Tax.** Supplier will comply, and require all of the Supplier Parties to comply, with all applicable state and sales excise tax laws and compensation use tax laws and all amendments to same. Supplier will indemnify, defend, and hold harmless ASU, for, from, and against any and all claims and demands made

against it by virtue of the failure of Supplier or any subcontractor to comply with the provisions of any or all tax laws and amendments. ASU is not exempt from state sales excise tax and compensation use tax.

38. **Rights to Inventions Made Under an Agreement or Agreement.** Agreements for the performance of experimental, developmental, or research work will provide for the rights of the United States government and the recipient in any resulting invention, in accordance with 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Agreements and Cooperative Agreements," and any implementing regulations issued by the awarding agency.
39. **Parking.** Supplier will obtain all parking permits and/or decals required while performing any work on ASU premises. If needed, Supplier should contact ASU Parking and Transit, <http://cfo.asu.edu/pts>.
40. **Campus Deliveries and Mall Access.** Supplier will familiarize itself with ASU parking, campus delivery options, and loading zones. Not all campus buildings are directly accessible and some require Supplier to unload at lots or loading areas that may not be adjacent to the delivery or work location. As a result, Supplier must then transport Goods by using electric style golf carts, dolly, or other manual device across pedestrian malls. Many campuses include features and pedestrian malls that may have limited access for Supplier vehicle and carts. Walk-Only Zones prohibit access to all wheeled traffic during enforcement times, and deliveries or work requiring vehicular or cart access may need to be arranged outside of enforcement times. For details about parking permits, supplier permits, loading zones, mall access, and pedestrian mall restrictions, go to <http://cfo.asu.edu/pts>. For additional information, go to <http://walk.asu.edu>.
41. **Health Insurance Portability and Accountability Act.** To the extent applicable, Supplier will abide by all laws and regulations that protect the privacy of healthcare information to which Supplier obtains access under the Agreement. Certain portions of the Administrative Simplification section of the Health Insurance Portability and Accountability Act of 1996 (HIPAA), as codified at 42 U.S.C. § 1320d through d-8, and the federal privacy regulations as contained in 45 CFR Part 164 may apply to Supplier and ASU, and their relationships and operation under the Agreement. If necessary, Supplier and ASU will enter into a standard Business Associate Agreement, and any other required HIPAA agreements. To the extent the terms thereof relate to Supplier's performance under the Agreement, the provisions of the Business Associate Agreement will control.
42. **Liens.** All Goods/Services delivered and performed under the Agreement will be free of all liens and, if ASU requests, Supplier will deliver to ASU a formal release of all liens.
43. **Performance and Payment Bonds.** At the request of ASU, Supplier will provide and pay for performance and payment bonds. Bonds will cover the faithful performance (100%) of the Agreement and the payment of all obligations (100%) thereunder, in such form as ASU may prescribe. Supplier will deliver the required bonds to ASU not later than the date of executing the Agreement. Supplier will require the attorney in fact who executes the required bonds on behalf of surety to affix thereto a certified and current copy of his/her power of attorney indicating the monetary limit of such power. Surety will be a company licensed to do business in the State of Arizona and will be acceptable to ASU. Supplier will increase the bond amount to include any change order, at 100% of the total value amount of each change order.
44. **Price Adjustment.** ASU normally considers price changes at the end of one contract period and the beginning of another. Price change requests will be supported by evidence of increased costs to Supplier. ASU will not approve price increases that will merely increase gross profitability of Supplier at the expense of ASU. Price change requests will be a factor in the contract extension review process. ASU will determine whether any requested price increase or an alternate option is in the best interest of ASU. Any price adjustment to the Agreement will require an updated PO.
45. **Academic Freedom and Accreditation.** ASU will maintain ultimate authority over all curriculum. Nothing in the Agreement will limit ASU's academic freedom or require ASU to violate any of the policies, standards, and requirements of ABOR or any accrediting entities.
46. **Essence of Time.** Time will be of the essence as to matters contemplated by the Agreement.
47. **Non-Discrimination.** The parties will comply with all applicable laws, rules, regulations, and executive orders governing equal employment opportunity, immigration, and nondiscrimination, including the Americans with

Disabilities Act. **If applicable, the parties will abide by the requirements of 41 CFR §§ 60- 1.4(a), 60-300.5(a) and 60-741.5(a).** These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.

48. **Conflict of Interest.** If within 3 years after the execution of the Agreement, Supplier hires as an employee or agent any ASU representative who was significantly involved in negotiating, securing, drafting, or creating the Agreement, then ASU may cancel the Agreement as provided in ARS § 38-511.
49. **Arbitration.** The parties agree to arbitrate disputes filed in Arizona Superior Court that are subject to mandatory arbitration pursuant to ARS § 12-133.
50. **Dispute Resolution.** If a dispute arises under the Agreement, the parties will exhaust all applicable administrative remedies provided for under Arizona Board of Regents Policy 3-809.
51. **Records.** To the extent required by ARS § 35-214, Supplier will retain all records relating to the Agreement. Supplier will make those records available at all reasonable times for inspection and audit by ASU or the Auditor General of the State of Arizona during the term of the Agreement and for 5 years after the completion of the Agreement. The records will be provided at ASU in Tempe, Arizona, or another location designated by ASU on reasonable notice to Supplier.
52. **Failure of Legislature to Appropriate.** In accordance with ARS § 35-154, if ASU's performance under the Agreement depends on the appropriation of funds by the Arizona Legislature, and if the Legislature fails to appropriate the funds necessary for performance, then ASU may provide written notice of this to Supplier and cancel the Agreement without further obligation of ASU. Appropriation is a legislative act and is beyond the control of ASU.
53. **Weapons, Explosives, and Fireworks.** ASU's Weapons, Explosives, and Fireworks Policy prohibits the use, possession, display or storage of any weapon, explosive device or fireworks on all land and buildings owned, leased, or under the control of ASU or its affiliated entities, in all ASU residential facilities (whether managed by ASU or another entity), in all ASU vehicles, and at all ASU or ASU affiliate sponsored events and activities, except as provided in ARS § 12- 781, or unless written permission is given by ASU's Police Chief or a designated representative. Supplier will notify all persons or entities who are employees, officers, subcontractors, consultants, agents, guests, invitees or licensees of Supplier of this policy and Supplier will enforce this policy against all such persons and entities.
54. **Confidentiality.** ASU, as a public institution, is subject to ARS §§ 39-121 to 39-127 regarding public records. Any provision regarding confidentiality is limited to the extent necessary to comply with Arizona law.
55. **Indemnification and Liability Limitations.** Because ASU is a public institution, any indemnification, liability limitation, releases, or hold harmless provisions are limited as required by Arizona law, including Article 9, Sections 5 and 7 of the Arizona Constitution and ARS §§ 35-154 and 41-621. ASU's liability under any claim for indemnification is limited to claims for property damage, personal injury, or death to the extent caused by acts or omissions of ASU.
56. **Advertising, Publicity, Names and Marks.** Supplier will not do any of the following, without, in each case, ASU's prior written consent: (i) use any names, service marks, trademarks, trade names, logos, or other identifying names, domain names, or identifying marks of ASU (ASU Marks), including online, advertising, or promotional purposes; (ii) issue a press release or public statement regarding the Agreement; or (iii) represent or imply any ASU endorsement or support of any product or service in any public or private communication. Any permitted use of ASU Marks must comply with ASU's requirements, including using the ® indication of a registered mark.

57. **Privacy; Educational Records.** Student educational records are protected by the U.S. Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g (FERPA). Supplier will not require any ASU students or employees to waive any privacy rights (including FERPA or the European Union's General Data Protection Regulation (GDPR)) as a condition for receipt of any educational services, and any attempt to do so will be void. Supplier will comply with FERPA and will not access or make any disclosures of student educational records to third parties without prior notice to and consent from ASU or as otherwise provided by law. If the Agreement contains a scope of work or other provision that requires or permits Supplier to access or release any student records, then, for purposes of the Agreement only, ASU designates Supplier as a "school official" for ASU under FERPA, as that term is used in FERPA and its implementing regulations. In addition, any access or disclosures of student educational records made by Supplier or any Supplier Parties must comply with ASU's definition of legitimate educational purpose in SSM 107-01: Release of Student Information, at <http://asu.edu/aad/manuals/ssm/ssm107-01.html>. If Supplier violates the terms of this section, Supplier will immediately provide notice of the violation to ASU.
58. **Data Protection.** Supplier will ensure that all services undertaken pursuant to the Agreement are performed in compliance with applicable privacy and data protection laws, rules, and regulations. If Supplier will serve as a Processor of ASU Data that includes Personal Data of Data Subjects who reside in the European Union, Supplier will cooperate with ASU to comply with the GDPR with respect to such Personal Data and Data Subjects. This includes ensuring that all Data Subjects have signed appropriate Consents, and signing and complying with all documents and agreements reasonably requested by ASU, including any data processing agreements. All capitalized terms in this section not otherwise defined in the Agreement are defined in the GDPR.
59. **Authorized Presence Requirements.** As required by ARS § 41-4401, ASU is prohibited from awarding a contract to any contractor or subcontractor that fails to comply with ARS § 23-214(A) (verification of employee eligibility through the e-verify program). Supplier warrants that it and its subcontractors comply fully with all applicable immigration laws, rules, and regulations that relate to their employees and their compliance with ARS § 23-214(A). A breach of this warranty will be a material breach of the Agreement that is subject to penalties up to and including termination of the Agreement. ASU retains the legal right to inspect the papers of any contractor or subcontractor employee who works hereunder to ensure that the contractor or subcontractor is complying with the above warranty.
60. **Small Business.** If subcontracting (Tier 2 and higher) is necessary, Supplier will make commercially reasonable efforts to use Small Business (SB) and Small Diverse Business (SDB) in the performance of the Goods/Services. ASU may request a report at each annual anniversary date and at the completion of the Agreement indicating the extent of SB and SDB participation.
61. **Tobacco Free.** ASU is tobacco-free. For details visit [www.asu.edu/tobaccofree](http://www.asu.edu/tobaccofree).
62. **Title IX Obligation.** Title IX protects individuals from discrimination based on sex, including sexual harassment. ASU fosters a learning and working environment built on respect and free of sexual harassment. ASU's Title IX Guidance is available online. Supplier will: (i) comply with ASU's Title IX Guidance; (ii) provide ASU's Title IX Guidance to any Supplier Parties reasonably expected to interact with ASU students or employees, in person or online; and (iii) ensure that all Supplier Parties comply with ASU's Title IX Guidance.
63. **No Boycott of Israel.** As required by ARS § 35-393.01, Supplier certifies it is not currently engaged in a boycott of Israel and will not engage in a boycott of Israel during the Term.
64. **Survival Clause.** All provisions of the Agreement that anticipate performance after the termination of the Agreement, and all provisions necessary or appropriate to interpret and enforce such provisions, will survive termination of the Agreement.
65. **Insurance Requirements.** Without limiting any liability of or any other obligation of Supplier, Supplier will purchase and maintain (and cause its subcontractors to purchase and maintain), until all of their obligations have been discharged or satisfied, including any warranty periods under the Agreement, insurance against claims that may arise from or in connection with the performance of the work hereunder by Supplier, its agents, representatives, employees or subcontractors, as described in Insurance Requirements below.

66. **Federal Funding Provisions.** If the Agreement involves the use of United States federal funds, including from a government grant or funds from a subcontract at any tier relating to a federal government grant, the following terms apply to the Agreement:

- a. **Byrd Anti-Lobbying Amendment.** If the Agreement is for \$100,000 or more, Supplier will file the certifications required by 31 U.S.C 1352 and associated regulations. Each tier certifies to the tier above that it will not or has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. 1352. Each tier will also disclose any lobbying with non-federal funds that takes place in connection with obtaining a federal award. Such disclosures are forwarded from tier to tier up to ASU.
- b. **Debarment & Suspension.** Supplier represents and warrants that neither it nor any of its subcontractors supplying the Goods/Services have either directly or indirectly or through subcontractors, been suspended, debarred, or otherwise excluded from participation in or penalized by any federal or state procurement, non-procurement, or reimbursement program. Supplier affirms that it has confirmed the above statement by checking The System for Award Management (SAM) [www.uscontractorregistration.com](http://www.uscontractorregistration.com) within 180 days prior to commencing work under the Agreement. Supplier will provide immediate written notice to ASU upon learning that it or any of its subcontractors are under any investigation or proposed action that could result in such exclusion, suspension, or debarment.

67. **Government Subcontract Provisions.** If this order is a subcontract under a U.S. government prime contract, the clauses contained in the following paragraphs of the Federal Procurement Regulations (FPR) or the Armed Services Procurement Regulations (ASPR) are incorporated into the Agreement by this reference. Each regulation contains criteria for determining applicability of the regulation to a particular contract.

In the following clauses, the terms "Government" and "Contracting Officer" will mean ASU; the term "Agreement" will mean the Agreement and the term "Contractor" will mean Supplier. Supplier will comply with all applicable federal laws and regulations, including but not limited to Uniform Guidance (2 CFR Part 200) and Debarment and Suspension (45 CFR 620).

For purchases funded with federal funds, the following provisions are incorporated into the Agreement by reference where applicable and form a part of the terms and conditions of the Agreement. Supplier agrees to flow down all applicable clauses to lower-tier entities.

## Insurance Requirements

Without limiting any liabilities or any other obligation of Supplier, Supplier will purchase and maintain (and cause its subcontractors to purchase and maintain), until all of their obligations have been discharged or satisfied, including any warranty periods under the Agreement, insurance against claims that may arise from or in connection with the performance of the work hereunder by Supplier, its agents, representatives, employees or subcontractors, as described below.

These insurance requirements are minimum requirements for the Agreement and in no way limit any indemnity covenants in the Agreement. ASU does not warrant that these minimum limits are sufficient to protect Supplier from liabilities that might arise out of the performance of the work under the Agreement by Supplier, its agents, representatives, employees, or subcontractors. These insurance requirements may change if Supplier is a foreign entity, or with foreign insurance coverage.

**A. Minimum Scope and Limits of Insurance:** Supplier's insurance coverage will be primary insurance with respect to all other available sources. Supplier will provide coverage with limits of liability not less than those stated below:

1. Commercial General Liability – Occurrence Form. Policy will include bodily injury, property damage, personal injury, and broad form contractual liability coverage.

- General Aggregate \$2,000,000
- Personal and Advertising Injury \$1,000,000
- Contractual Liability \$1,000,000
- Each Occurrence \$1,000,000

a. Policy will include the following additional insured language: "The State of Arizona, its departments, agencies, boards, commissions, universities, and its officers, officials, agents, and employees, will be named as additional insureds with respect to liability arising out of the activities performed by or on behalf of Supplier."

b. Policy will contain a waiver of subrogation against the State of Arizona, its departments, agencies, boards, commissions, universities, and its officers, officials, agents, and employees, for losses arising from work performed by or on behalf of Supplier.

2. Worker's Compensation and Employers' Liability. Applicable statutory limits, as amended from time to time.

a. Employer's Liability in the amount of \$1,000,000 injury and disease.

b. Policy will contain a waiver of subrogation against the State of Arizona, its departments, agencies, boards, commissions, universities, and its officers, officials, agents, and employees, for losses arising from work performed by or on behalf of Supplier.

c. This requirement will not apply to any contractor or subcontractor exempt under ARS § 23-901, when such contractor or subcontractor signs the appropriate waiver (Sole Proprietor/Independent Contractor) form.

4. Professional Liability (Errors and Omissions Liability). If the Supplier will provide ASU Services under the Agreement, the Policy will include professional liability coverage as follows:

- Each Claim \$2,000,000
- Annual Aggregate \$2,000,000

a. If the professional liability insurance required by the Agreement is written on a claims-made basis, Supplier warrants that any retroactive date under the policy will precede the effective date of the Agreement; and that either continuous coverage will be maintained or an extended discovery period will be exercised for 2 years beginning at the time work under the Agreement is completed.

b. Policy will cover professional misconduct for those positions defined in the scope of work of the Agreement.

**B. Cancellation; Material Changes:** Cancellation notices will be delivered to ASU in accordance with all policy provisions. Notices required in this Section must be sent directly to ASU Purchasing and Business Services, PO Box 875212, Tempe, AZ, 85287-5212 and will be sent by U.S. certified mail, return receipt requested.

**C. Acceptability of Insurers:** Insurance is to be placed with duly licensed or approved non-admitted insurers in the State of Arizona with an "A.M. Best" rating of not less than A- VII. ASU in no way warrants that the above required minimum insurer rating is sufficient to protect Supplier from potential insurer insolvency. Self-Insurance may be accepted in lieu of or in combination with insurance coverage requested.

**D. Verification of Coverage:** Supplier will furnish ASU with valid certificates of insurance as required by the Agreement. All valid certificates evidencing insurance required by the Agreement are to be received and approved by ASU before work commences. Each insurance policy required by the Agreement must be in effect at or prior to commencement of work under the Agreement and remain in effect for the term of the Agreement. Failure to maintain the insurance policies as required by the Agreement, or to provide evidence of renewal, is a material breach of contract.

All certificates required by this section must be sent to ASU Purchasing and Business Services, PO Box 875212, Tempe, AZ, 85287-5212. ASU's project or purchase order number and project description will be noted on each certificate of insurance. The State of Arizona and ASU may require complete, certified copies of policies at the time of notice of any loss or claim.

**E. Subcontractors.** Supplier's certificate(s) may include all subcontractors as insureds under its policies as required by the Agreement, or Supplier will furnish to ASU copies of valid certificates and endorsements for each subcontractor. Coverages for subcontractors will be subject to the minimum requirements identified above.

**F. Approval.** These insurance requirements are the standard insurance requirements of ASU. Any modification or variation from the insurance requirements in the Agreement will require the approval of ASU's Department of Risk and Emergency Management.
