## ONLINE COURSES OFFERED THROUGH ARIZONA REGENTS UNIVERSITY

*Your invitation to experience:*

*anytime, anyplace  
higher education....*

*....e-learning courses and  
degree programs on-line*

Arizona Regents University, a statewide e-learning consortium, makes it easier than ever to take courses delivered over the Internet. Many courses provided by Arizona's 3 public universities (ASU, NAU, and UA) are open to students enrolled anywhere in the system. Once enrolled at ASU, you do not need to apply separately for admission to the other two universities in order to take online courses as transfer options. Over 500 different courses are available for Spring 2002 term enrollment.

Each of the Arizona universities also offers a limited number of degree and certificate programs that can be taken primarily or entirely online. Visit **[www.azdistancelearning.org](http://www.azdistancelearning.org)** and choose the link to Programs.

# STUDENT DIRECT ACCESS SERVICES

---

**ASU provides you with real-time, secure access to your student records via the touchtone telephone and the WEB.**

## How to Access Your Records.

### Touchtone Telephone Interactive Services

Your ASU ID number and PIN is your key to accessing Touchtone Telephone Interactive Services. The ASU PIN is a security feature and is used with many interactive technologies. The first time students use an ASU touchtone telephone application an ASU PIN must be selected for all future transactions. To set the ASU PIN, call SunDial or FASTT Phone and enter your month and day of birth (e.g., July 9 = 0709) when prompted for PIN. Once this is entered the system will prompt you to select a new 4-digit ASU PIN. This will be your permanent ASU PIN to access all ASU touchtone telephone applications.

It is important to protect your ASU ID number and ASU PIN. Do not share it with others. For assistance with the ASU PIN, contact the Registrar's Office at (480) 965-3124.

### WEB Interactive Services

Your ASURITE User ID is your key to accessing various computerized services at ASU including WEB Interactive Services. Every person at ASU is assigned an ASURITE User ID. This User ID is unique, and is yours to use as long as you are associated with the university and you follow the appropriate policies and guidelines.

The ASURITE User ID is used to access various services at ASU. Your eligibility for services will depend on your affiliation with ASU. New applicants, for example, may have access to certain Web pages to check the status of their application or to register on-line once they have been admitted. Enrolled students, faculty, and staff will be able to add other computing services as needed to their User ID.

Because the ASURITE User ID is used for such a wide variety of access, including sensitive information such as your grades, it is important to protect your password. Do not share it with others. Change your password frequently. Pick passwords that are difficult to guess. For assistance with your ASURITE User ID or if you suspect your account has been compromised, contact Computer Accounts at (480) 965-1211.

Note: Former students who do not have an ASURITE User ID may access limited services by using their ASU ID and PIN. Services include: request /view your unofficial transcript, pay your accounts receivable by credit card and view/update your address and telephone information.

### Touchtone Telephone Interactive Services

#### SunDial (480) 350-1500

When calling from an ASU campus phone, dial 8-350-1500

#### Registration

Students may register, drop, add and withdraw from classes, check class availability and hear their class schedule.

#### Tuition

**Students may pay tuition fees using a credit card or financial aid, request a tuition refund, select Student Health Insurance options, hear a summary of fees, an itemized list of charges or instructions for paying by mail or in person.**

#### Parking

Students may purchase their first ASU Main Campus parking decal, renew their ASU Main Campus parking decals, check parking lot availability, and update vehicle license plates. SunDial decal sales are not available for residence halls, disabled parking lots, or vehicles registered outside the United States. Disabled decals can be renewed using SunDial in March.

#### Grades

**Students may obtain final semester grades, cumulative information and probation status**

#### FASTT Financial Aid Services Through Technology

#### FASTT Phone (480) 968-4400

Students may access and update their personal financial aid file.

## **WEB Interactive Services**

### **Address/Phone Change:** <http://www.asu.edu/interactive>

Students may change their local, permanent and/or billing addresses and the phone number(s) associated with those addresses. It is the student's responsibility to maintain an accurate current address.

### **Degree Audit (DARS):** <http://www.asu.edu/interactive>

Students may request an audit that matches courses completed with the requirements of their current degree program or select a different degree program to see how courses would apply to a different major.

### **Grades Online:** <http://www.asu.edu/interactive>

Students may obtain final semester grades on the Web (and on SunDial). Grades are posted daily, each evening after 9:00 PM as they are received in the Registrar's Office. Final grades are not mailed to students. Students needing a copy of their grades printed on Registrar's Office letterhead with the official university seal can contact the Registrar's Office at (480) 965-3124. Mid-terms grades are not available on the web but are mailed to students who receive a D or E in a class.

### **IRS Tax Credit Information:** <http://www.asu.edu/interactive>

Students may view information reported on the IRS Tax Benefits for Higher Education form 1098T.

### **Measles Verification:** <http://www.asu.edu/interactive>

Students may find out if their measles information has been posted to the Student Information System by selecting Registration Eligibility Status.

### **Pre-Registration :** <http://www.asu.edu/interactive>

Students may submit their pre-registration requests for classes via the Web. This offers students an alternative method of submitting pre-registration requests without requiring a trip to campus and verifies that the schedule line numbers are valid. Forms turned in at the Registrar's Sites, forms turned in to academic departments, and requests submitted through the Web will be processed at the same time and in the same way.

### **Registration Eligibility Status:** <http://www.asu.edu/interactive>

Students may check their registration eligibility status prior to registering. Any requirements that have not been met, such as immunization, advisement or delinquent account will be listed.

### **Request/View your Unofficial Transcript:** <http://www.asu.edu/interactive>

Students may view and print their unofficial transcript. An unofficial transcript is an uncertified copy of the students' academic record, provided at no cost. Note: Pre-1980 records are not available via the Web.

### **Students Schedule Online:** <http://www.asu.edu/interactive>

Students may obtain a semester class schedule on the Web (and on SunDial). Information available includes schedule line number, course number and prefix, course title, class credit hours, class meeting days/times/ locations, and instructor name. No tuition billing information is available.

### **Admission and Readmission for Undergraduates and Graduates**

Freshman, transfer, non-degree and readmitting undergraduate students can complete the interactive online application form on the Web at: <http://www.asu.edu/admissions>.

New, re-entering, and non-degree graduate students can complete the interactive online application form at <http://www.asu.edu/graduate>

### **FASTT Interactive:** <http://www.asu.edu/fastt>

Students may access their general financial aid information including the following: documents still needed to complete their financial aid file, financial aid forms for printing, and personal award information.

### **Class Availability Online:** <http://www.asu.edu/registrar/schedule>

Students may find out which class sections have seats available on the Web (and on SunDial). The information is updated every 10 minutes.

## Admission or Readmission

If you are not a continuing student from the Fall 2001 semester, you must be admitted or readmitted to ASU before you may register for classes. The following offices are listed for your convenience:

- Undergraduate Admissions, Student Services 110, (480) 965-7788
- Undergraduate Readmissions, Student Services 142, (480) 965-7440
- Graduate Admissions, Wilson, Room 101, (480) 965-6113

Additional information is available at <http://www.asu.edu/registrar/readmissions> or <http://www.asu.edu/admissions>. For information regarding admission to ASU West degree programs, contact ASU West Admissions and Records, University Center Building 120, (602) 543-8123. Students who are required to be advised must do so before submitting a registration request. Non-degree undergraduate students may not enroll for more than eight semester hours. Students who have been disqualified or who have been previously enrolled in a degree program at ASU are not permitted to attend as non-degree students.

## Residency Classification

Residency (tuition) status is initially determined by the Admissions Office at the time a student is admitted to the University. Non-resident students who feel they may qualify for resident tuition status must file a petition for reclassification no later than the last day of regular registration. For general information about the requirements, consult the ASU General Catalog or the Web at <http://www.asu.edu/registrar/residency>. Residency classification is a complex process, and you are encouraged to petition early in the reclassification period. Failure to petition by the last day of regular registration constitutes a waiver of the student's rights for residency reclassification or appeal for the current semester. Deadlines for the reclassification petitions are listed in the calendar on page 2.

## Mandatory Advising

Your college may require that you meet with an academic advisor as a condition of registering. Prior to registration, check with the college of your major to determine if you are in a mandatory advising category, or check your Registration Eligibility Status on the web at <http://www.asu.edu/interactive/>.

## Course Applicability System (CAS)

CAS indicates how each of the three Arizona public universities accepts transfer course work (numbered 100 to 299) from the Arizona public community colleges. For determination of how transfer courses apply toward specific degree requirements at ASU, students are encouraged to consult with an academic advisor and refer to the ASU Transfer Guides which are now available at <http://www.asu.edu/provost/articulation>.

CAS is available on the World Wide Web at the address above. The course evaluation and/or general studies designation as listed in CAS, is valid for the term in which the student is awarded credit on the transcript. Any evaluation may be subject to change in subsequent versions of CAS due to changes in university or community college curricula. For additional information, contact your academic advisor.

## Admission Competencies

New students are required to have completed a specified number of courses in the areas of English, Mathematics, Laboratory Science, American History, Social Science, Fine Arts and Foreign Language. Exceptions include students admitted by GED, students who have completed an AGECE, Associates' degree or higher and students 22 years of age or older by the first day of the semester. Students who need to meet admission competencies in one or more of these areas must satisfy the requirement within one year of the beginning of their first semester at ASU. Competencies in each area may be satisfied by earning a grade of "D" or better in an appropriate ASU course(s) as listed below:

Area	ASU Courses which may be used to meet basic competencies:
American History	Any one course: HIS 103, 104
English	Any one course: ENG 101, 105, 107; WAC 101,107
Fine Arts	Any one course: ADE 120; ARA 202, 303, 488; ART 111, 112, 115, 201, 261,272, 274; ARS 100, 101, 102, 201, 202, 300; DAH 100, 300, 301, 302; DSC 120, 121, 122; MHL 201, 344; MTC 125; MUE 310, 311; MUP 127; MUS 100, 340, 347, 353, 354, 355, 356; THE 100, 104, 220, 300, 320, 400, 401, 404, 405; THP 101, 102, 213, 311, 312

\*The laboratory science requirement is designed to demonstrate competency in three separate laboratory science areas. Therefore, for example, if one lab science competency has already been met in life sciences either through high school work, the ATP biology achievement test, or college course work, the other lab science courses must be selected from chemistry, earth science, or physics. Also, an advanced level course in an already met laboratory science area may be substituted for one subject area.

## First-Year Composition

All new students or transfer students should enroll immediately in English composition classes and continue to do so every term until composition requirements are met.

## University Testing Requirements

All new, transfer or readmitted undergraduate students who plan to enroll for 7 or more credit hours must meet the testing requirements outlined below. **Students who fail to meet these requirements will not be allowed to register for any courses.**

To meet English testing requirements, students to whom the requirements apply, **must do one** of the following prior to registration:

- A. Take the ACT English or SAT Verbal exam and have scores submitted to ASU.
- B. Receive a score of 4 or 5 for the Advanced Placement Exam in English offered by the College Entrance Examination Board and have scores submitted to ASU.
- C. Take the CLEP General Exam in English, earning a score that qualifies for placement in ENG 105, and have scores submitted to ASU.
- D. Have previously taken ENG 101,102,105,107 or 108 at ASU and received a grade of "C" or better.
- E. Transfer a First-Year Composition course equivalent to ENG 101, 102, 105, 107 or 108 with a grade of "C" or better. An official transcript showing the grade must be received at ASU at least six weeks prior to registration. If a student transfers an equivalent composition course from a public community college in Arizona, the equivalency will be automatically posted, and the student need take no further action. A student transferring a composition course from any other college or university must have the course evaluated for equivalency. At least four weeks before registering, these students must take a copy of both the transfer transcript and the catalog description of the course to the Writing Programs Office, Language and Literature Building Rm 314, (480) 965-3853. (A copy of the transfer transcript may be obtained at a Registrar Site.) When the evaluation has been completed, the student may complete the registration process at any Registrar Site or on SunDial.
- F. International students from non-English-speaking countries must take ENG 107 (or WAC 107, followed by ENG 107 the next semester) in the first semester at ASU, unless they have taken and transferred an equivalent composition course from a college or university in the U.S. Such a course must be evaluated for equivalency by the Composition Office. See E. above.

## Placement Exams

### A. First-Year Composition Placement

Placement in First-Year Composition courses (WAC 101 followed by ENG 101 the next semester, or ENG 101, or ENG 105) is determined by the score earned on the ACT English or SAT Verbal exam (see "University Testing Requirements"). International students from non-English-speaking countries will be placed into First-Year Composition courses (WAC 107 followed by ENG 107 the next semester, or ENG 107) according to SAT, ACT, or TOEFL scores.

The ACT English exam may be taken once on campus at the University Testing Service, Payne B-302, at regularly scheduled times. Contact the UTS at (480) 965-7146 to make an appointment. Placement in First-Year Composition will be determined as follows:

	<b>Exam score:</b>	<b>Register for:</b>
Recentered SAT Verbal	460 and below	WAC 101
ACT English	18 and below	WAC 101
TOEFL	540 and below	WAC 107
Recentered SAT Verbal	470-540	WAC 101 or ENG 101 or ENG 107
ACT English	19-20	WAC 101 or ENG 101 or ENG 107
TOEFL	540-560	WAC 107 or ENG 107
Recentered SAT Verbal	550-650	ENG 101 or ENG 107
ACT English	21-28	ENG 101 or ENG 107
TOEFL	560 and above	ENG 107
Recentered SAT Verbal	660 and above	ENG 101 or ENG 105 or ENG 107
ACT English	29 and above	ENG 101 or ENG 105 or ENG 107

(SAT scores shown are based on the scale for the Recentered SAT English test which was first offered in April 1995. Scores on the SAT taken before April 1995 are converted to the recentered scale when entered on the computer.)

Qualified deaf and hearing-impaired students must receive authorization through Disability Resources for Students in order to register for an appropriate First Year Composition course.

Exceptions to these guidelines may be made for students who have taken the Advanced Placement Exam in English offered by the College Entrance Examination Board, the International Baccalaureate English A exam, or the CLEP General or Subject Exams in Composition, or for students enrolled in the Honors College. Contact the First Year Composition Office at (480) 965-3853 for more information about Placement Testing for English.

### B. Math Placement Exams

Students should not register for any mathematics course if they have not earned a C or better in the prerequisite course. Students who are unsure about prerequisites should consult with their advisors and refer to the Self-Advisement flow chart for ASU math courses. The Self-Advisement flow chart is available at the Undergraduate Mathematics Office, Physical Sciences A-211, and on the Mathematics Department Web page at [math.la.asu.edu](http://math.la.asu.edu).

The mathematics placement exams are used to provide additional information to those students who are unsure about their readiness for courses. Placement tests for the following classes are given the first two weeks of the semester: Intermediate Algebra MAT 106, College Mathematics MAT 114, College Algebra MAT 117 and Precalculus MAT 170.

A placement exam for Calculus and Analytic Geometry I (MAT 270) is offered the week before classes start in the Department of Mathematics Testing Center, PSA 21. Students must present a photo ID and their ASU ID number when taking the test. Please check with the Mathematics Department Undergraduate Office for a complete schedule of times. Examinations are also available throughout the first week of classes.

More information on placement testing is given during the first class meeting. If, after registering for the course and taking the placement test, the student determines that he/she should be in a different course, then the mathematics department will work with him/her to change the student's schedule.

## General Studies Requirements

Students who were admitted or readmitted to an undergraduate degree program in, or after, the Fall 1987 semester must successfully complete a minimum of 35 credit hours of General Studies courses. See page 41-49 for additional information.

## Immunization Requirement

Students born after December 31, 1956, will not be permitted to register without proof of TWO vaccinations of MMR (measles, mumps, rubella) at least one of which must have been given after 12/31/79, or a copy of laboratory test results which show immunity to both measles (rubeola) and rubella. If submitting by U.S. Mail, address to Student Health-Measles, ASU, PO Box 872104, Tempe, AZ 85287-2104 or FAX to (480) 965-8914. Allow two weeks for delivery and receipt by Student Health. MMR shots are available at Student Health for a fee. For more information, contact Student Health Measles Information Line, (480) 965-1358. Visit our web site at [www.asu.edu/health](http://www.asu.edu/health) for additional immunization and health requirements. To verify that your measles information has been received, go to [www.asu.edu/interactive](http://www.asu.edu/interactive).

## The Catalogs

The ASU General and Graduate Catalogs at [www.asu.edu/aad/catalogs](http://www.asu.edu/aad/catalogs) and the ASU West Catalog at [www.west.asu.edu/curriculum](http://www.west.asu.edu/curriculum) are the official references for detailed information on all aspects of the University. One catalog will be provided free-of-charge to each newly admitted or readmitted student, or catalogs may be purchased from the University bookstores. Questions about determination of catalog year for graduation requirements should be directed to your academic advisor.

## The Schedule of Classes

Each student should read this publication thoroughly to obtain accurate information on semester dates, registration procedures and course details. Please note the footnotes listed with many of the course offerings. Footnote descriptions are listed on page 194. Save this booklet for reference throughout the semester, then recycle. The Schedule of Classes is available at [www.asu.edu/registrar/schedule](http://www.asu.edu/registrar/schedule).

## Declaration of Graduation/Program of Study

Prior to registration, ASU Main and East students who have completed 87 semester hours must file a Declaration of Graduation form for graduation. Contact the coordinator of advising for your college for additional information or go to [www.asu.edu/registrar/graduation](http://www.asu.edu/registrar/graduation).

Students who are following the 1994-96 or earlier General Catalog requirements must file a Program of Study form instead of completing the Declaration of Graduation form. For details, Main and East students call the Registrar's Graduation Section, (480) 965-3256. ASU West students who have completed 81 semester hours must file a Declaration of Graduation or a Program of Study prior to registration. For information call (602) 543-8123, or contact your academic advisor.

SunDial & InPerson Drop/Add .....	page 14
InPerson Withdrawal .....	page 27

**A photo ID is required to process any of the above transactions in person .**

In order to process any registration transaction in a student's absence, a third party must present written authorization signed by the student and their photo ID. A Registration by Proxy Form for this purpose is available at the Registrar Site or the Records Information Section, Student Services 144.

## FEES

Registration is not complete until all applicable fees have been paid. Registration fees must be paid by the specified deadline, or class registrations will be voided. Students with financial aid awards (loans, grants, scholarships, waivers) must acknowledge their intent to pay tuition with financial aid by the tuition payment deadline or class registrations will be voided. Detailed descriptions of tuition fees, special fees and methods of fee payment are provided on pages 18-26.

## Cross-College Advising Services

Cross-College Advising Services (CAS) provides academic advising for the following students: No Preference, Pre-Business Freshman, BIS majors and prospective students with or without an identified major.

CAS is located in the Undergraduate Academic Services Building UASB 129. Hours of operation are: 9:00 am-5 pm Monday through Friday with extended hours on Tuesday until 6:30 pm. For an appointment, please call CAS at (480) 965-4464.

Students interested in graduate study should contact the graduate office in their discipline; nondegree students should contact the Graduate College advising office at (480) 965-3521.

# Pre-Registration

Pre-registration is available to students who are continuing from Fall 2001 or have been admitted or readmitted for Spring 2002 and are eligible to register on or before October 29, 2001. Pre-registration provides the best chance for you to get the classes you want. In addition, colleges may make adjustments to course capacities based on the number of student requests for courses during the pre-registration period. For these reasons, the Office of the Registrar strongly encourages you to use this method of registration.

## Pre-Registration

October 29 - November 6	In Person	8:00 AM - 5:00 PM
	Web Hours	7:00 AM - 9:00 PM
		7:00 AM - Noon
		Noon - 6:00 PM

## Follow These Steps

1. Meet with your advisor to have courses approved (if required by the university or your college/department). Check the advising procedures and requirements of your college or Cross-College Advising Services. Non-degree students may request approval at the department offering the course for which they wish to register. Students who are required to be advised prior to registering for classes must do so before submitting their pre-registration course request forms. **Note: You may check your registration eligibility status on the Web at <http://www.asu.edu/interactive>.**
2. InPerson Fill out the course request form to request the section of the courses for which you have approval. Course request forms are available in all departments and Registrar Site. Submit the form to your advising office or Registrar Site. Retain the student copy for your records.  
  
Web Access Web pre-registration from the Registrar's Interactive Services at <http://www.asu.edu/interactive>. Submit the request and print a copy for your records.
3. Pre-registration schedule/billing statements will be mailed to your local address on November 17, 2001. You may hear a list of your classes by calling SunDial at (480) 350-1500 or access your class schedule on the web at <http://www.asu.edu/interactive>.
4. Pay your tuition. Registration is not complete until all applicable fees have been paid or you have called SunDial at (480) 350-1500 to apply awards from Student Financial Assistance or scholarships to fees due. SunDial will convey any remaining balance due or a confirmation number will be issued [once there is no remaining balance due]. See pages 17-26 for tuition payment deadlines and instructions.

Note: You may choose to audit a course, in which case you attend and participate in the class, but do not earn credit. Obtain instructor's approval before registering and paying fees. Refer to the General Catalog and see an academic advisor for additional information about audit enrollment.

## Extended Hours

Registration and drop/add requests will not be processed December 19-20.

Holidays(offices closed): November 12, 22-23, 2001; January 1, 21, 2002.

Winter Break Closure: December 25, 2001 - January 1, 2002

## Follow These Steps

1. Talk with your advisor to insure you have selected appropriate courses and obtain advising signoff (if required by the university or your college/department).
2. SunDial: Determine the classes you want to take.  
InPerson: Complete a Course Request Form which can be obtained at the Registrar Site, the Registrar's Office or on the Web at [www.asu.edu/interactive](http://www.asu.edu/interactive).
3. SunDial: Call (480) 350-1500. See instructions and hours of availability on pages 15-17.  
InPerson: Have the Course Request Form processed at the Registrar Site. See map to the right for location of Registrar Site.
4. SunDial: Schedule/Billing Statements will not be produced by SunDial. Please record information from your SunDial session. If you are required to have a Schedule/Billing Statement for tuition reimbursement by your employer you may request one at the Registrar Site. Your Class Schedule (without billing information) is also available on the Web at <http://www.asu.edu/interactive>.  
InPerson: Pick up and check your Schedule/Billing Statement before leaving the Registrar Site.
5. Pay your tuition: Registration is not completed until all applicable fees have been paid. See pages 18-26 for fee payment deadlines and instructions.

Note: You may choose to **audit** a course in which case you attend and participate in the class but do not earn credit. Obtain instructor's approval before registering and paying fees. Refer to your catalog and see your academic advisor for additional information about audit enrollment.

Your Class Schedule (without Billing Information) is also available on the Web at <http://www.asu.edu/interactive>.  
InPerson: Pick up and check your revised Schedule/Billing statement before leaving the Registrar Site.
5. Pay any additional fees which may be required. See pages 18-26 for tuition payment deadlines and instructions.

## Instructor-Initiated Drop Option

The instructor of a course has full authority within departmental or other higher-level policies to decide whether or not class attendance is required. During the second week of classes in Fall or Spring, or the first four days of each Summer Session, the instructor can drop a student for non-attendance. In classes which are full, this will allow accommodation of other students requesting the class and help instructors avoid excessive overrides.

Instructor-initiated drops for non-attendance must be based upon concrete evidence of non-attendance and be signed by Dean or Dean's Designee in the college offering the course. The college will notify the student by mail at the student's currently posted local address. Nothing in this policy contradicts any other policy regarding attendance, religious holidays, or the student's responsibility to notify the instructor in case of absences.

NOTE: Students should be aware that non-attendance will not automatically result in being dropped. Instructors have the right to exercise this option at their discretion. It is also the student's responsibility to contact the instructor before the end of the first week of classes if absences during that period cannot be avoided.

## Evening Registration Services

The Evening Registration Site, located at the Registrar Site in Undergraduate Academic Services Building, UASB 140 is open Monday-Thursday, 5:00-6:30 PM.

Available services include course registration, drop/add and withdrawal, schedule reprints, unofficial transcripts, curriculum changes, and distribution of forms (admission and readmission forms, undergraduate program of study, student athlete plan of study, financial aid brochures, etc.)

The Evening Registration Site will be closed on the following dates: November 12, 22-23, 2001; December 25-31 2001; January 1, 21, 2002.

Winter Break Closure: December 25, 2001 - January 1, 2002.

The Evening Registration Site will close at 5:00PM: November 21, December 24.

### Before taking advantage of the evening registration services, remember that

- if you are not a continuing student from Fall 2001, you must be admitted or readmitted to the university through one of the admitting offices before you can register for classes;
- selected students must be advised before registering for classes; and
- admitting offices, advising offices and departmental offices are not necessarily open during these evening hours. Please call those offices directly for operating hours before making a trip to the campus.

# SunDial Touch-Tone Telephone System

---

## SunDial Phone Number (480) 350-1500

SunDial is a convenient method of processing registration and fee payment transactions from any location via touch-tone telephone. Although SunDial is not available for pre-registration, you should participate in pre-registration whenever possible. See page 12. After you pre-register, you can still use SunDial to drop/add, hear a list of your classes, pay your fees and learn your final grades.

## ASU PIN

The ASU PIN (personal identification number) is the security feature that allows students to access services on the telephone. To set your PIN, call SunDial and enter the month and the day of your birth (e.g., July 9 = 0709) when prompted for your PIN. Once you enter this, the system will prompt you to select a new 4-digit ASU PIN. This will be your permanent ASU PIN for access to all touch-tone systems. Try to choose a number that you will remember, but someone else could not guess easily. You are responsible for the use of your PIN – whether by you or anyone else. For assistance with your ASU PIN, contact the Registrar's Office (480) 965-3124.

## SunDial Withdrawal

- On SunDial, the **complete withdrawal** option and the 80% refund are available until Sunday, January 20, 2002.

Note: Course and complete withdrawals can be processed in person at any Registrar Site. For dates and times, see Withdrawal Procedures on page 27.

## Returned Checks

- A \$15 fee for returned checks. If not resolved in 5 working days, an additional \$12 fee will be charged.
- After 5 additional days, students are subject to withdrawal from classes, and will be billed for semester charges, per the refund schedule.
- A stop payment check results in withdrawal as of the date the check is returned, and billing for any fees that would not be refunded per the refund schedule.
- Students withdrawn may not attend classes.

## Paying with Financial Aid (Including Scholarships and Waivers)

- **Students with awards (loans, grants, scholarships, waivers) must acknowledge their intent to pay tuition with financial aid by the tuition payment deadlines to hold classes, even if the balance due is “zero.”**  
**Note: Federal Work-Study can not be used to hold classes.**
- To acknowledge intent to pay with Financial Aid:  
Call SunDial at (480) 350-1500.
- Acknowledging intent to pay with financial aid completes the registration process. **Students who wish to withdraw from ASU after submitting authorization to pay tuition from financial aid must do so prior to the first day of the semester to avoid being charged for a portion of the semester. Class registration will not be cancelled during the tuition refund period, even if financial aid becomes unavailable.**
- Disbursement of remaining financial aid begins on or about the first day of classes. See page 32.
- If aid becomes unavailable, the student is responsible for payment. **Registration will not automatically be dropped during the tuition refund period. Students may be involuntarily withdrawn for non-payment late in the semester, but will still be responsible for tuition charges in accordance with the tuition refund schedule.**
- **Taxability of Scholarships and Fellowships**  
Scholarships, grants, fellowships, and stipends (but not loan funds) are taxable income to the recipient, except for the portion of these funds used for tuition, registration, other university fees and books, supplies and equipment required for the courses being taken. Special tax regulations also apply to nonresident alien students and may require withholding of taxes at the time of aid disbursement to these individuals. Information on the taxability of scholarships can be obtained from the following IRS publications and forms: Pub 4 - Student's Guide to Federal Income Tax, Pub 520 - Scholarships and Fellowships, Pub 519 - U.S. Tax Guide

for Aliens, Form 1040EZ and instructions - Income Tax Return for Single and Joint Filers with no dependents, Form 1040 NR and Instructions - U.S. Nonresident Alien Income Tax Return. These publications and forms can be obtained from the Internal Revenue Service at their toll-free number 1-800-829-FORM. These publications and forms can also be obtained from the Internet at the URL address of [http://www.irs.gov/forms\\_pubs/index.html](http://www.irs.gov/forms_pubs/index.html)

- The Student Financial Aid refund and repayment will apply when a student receives Financial Aid funds and withdraws, drops out, takes an unapproved leave of absence, fails to return from an approved leave of absence, is expelled, or otherwise fails to complete the period of enrollment for which he or she was charged. See Page 28.
- Students with loans who would like to cancel or reduce their loans must inform the Student Financial Assistance Office in person within 14 days of the disbursement.

## Sponsorship by Governmental Agencies

### Tuition

- Go in person to the Accounts Receivable Office. Failure to do so by the tuition payment deadline will result in loss of classes.
- Acceptable letter of authorization must be on file at the Accounts Receivable Office.
- Authorization for reimbursement must be done by February 28, 2002 at Accounts Receivable.
- Students who are required to have insurance and are using coverage through their sponsor must receive authorization from International Programs Office, Student Services Building, Room 265.
- Sponsored students are responsible for all tuition, fees, and late charges if sponsoring agency fails to pay, by the due date of invoice.

### Books/Supplies

- Sponsored Students must purchase books at the ASU Bookstore from January 2 through February 13.
- Self-purchase receipts must be turned in at Accounts Receivable before February 13. The minimum receipt amount is \$5.00, and the items must not be available at the ASU Bookstore. (Limited to one reimbursement per semester.)
- For additional information contact Accounts Receivable at (480) 965-6341.

## Employee Reduced Instate Tuition

- Partial waivers are available to faculty and staff who are employed at least 50% time within the State University system, their spouses and dependent children. Employees must fill out the Employee Reduced Instate Tuition (Employee Waiver) Form for their particular campus or institution. Forms can be obtained at Human Resources, the Tuition Payment Office, or at [www.asu.edu/hr/forms](http://www.asu.edu/hr/forms) on the Internet. Mail completed forms to be received by the tuition payment deadline, along with your Schedule/Billing statement to the Tuition Payment Office, Arizona State University, PO Box 870303, Tempe, AZ 85287-0303 (Campus Mail Code 0303) or place in drop boxes located in the Student Services Building on the first or second floors or at the Registrar Site. Your non-waived portion of the tuition will be billed to you at a later date through the accounts receivable system.
- Non Residents are not eligible for Tuition Waivers. Please contact Residency Classification.
- Nonresident tuition will not be waived for those who can qualify as residents.
- Residency processing can be time-consuming, so apply early.
- Employee Tuition Waivers must be processed by the Tuition Payment Office by the 35th Day of the Semester.

## Graduate Assistants

- May receive a waiver of nonresident fees. See Paying with Financial Aid (including Scholarships and Waivers) on page 19.
- Resident fees may be partially paid through payroll deduction. Contact Student Tuition Payment at (480) 965-4347 for further information.

Registration is not complete until all fees have been paid. When tuition is paid by financial aid, scholarships, or special programs and not directly by the student, the tuition payment process must still be completed by the student on or before the tuition payment deadline (see page 18).

## Tuition Fees

Tuition fees listed here and on the Schedule/Billing Statement are subject to change by the Arizona Board of Regents and/or for correction of any errors.

Semester Hours	Resident Tuition	Non-Resident Tuition	Semester Hours	Resident Tuition	Non-Resident Tuition
1	\$126	\$ 428	7	\$1,206	\$ 2,996
2	252	856	8	1,206	3,424
3	378	1,284	9	1,206	3,852
4	504	1,712	10	1,206	4,280
5	630	2,140	11	1,206	4,708
6	756	2,568	12+	1,206	5,139

The rate for one hour will be charged if your only class is a zero hour class.

## Graduate Professional Program Fees

Certain Graduate School programs assess an additional differential fee. These fees differ according to college and/or program. Contact your program advisor for details on these fees.

## Arizona Students Association (ASA) Fee

The Arizona Students Association is a non-profit, higher education, advocacy organization that represents Arizona public university students to the Arizona Board of Regents, State Legislature, and U.S. Congress. During 1996-1997, students at the state universities voted to change the mechanism for funding the ASA to a \$1.00 fee, which will be charged to each student each semester. Any refunds for this fee will be provided through ASA Central Office at 1-877-294-6900 or pickup a refund form to complete from the ASASU Business Office in the Memorial Union Room 311. The refund forms are available from ASASU for the first thirty days of the semester.

# Tuition Payment, cont.

## Financial Aid Trust Fee

All students are assessed a mandatory fee to create a Financial Aid Trust Fund, from which student grants are awarded under the usual financial aid eligibility criteria. Fees collected from students are matched by the State of Arizona. Students enrolled for seven hours or more are charged \$24 per year; \$12, Spring, \$12 Fall semester and all other students are charged \$6 per semester. The Financial Aid Fee is not refundable on or after the first day of the semester.

## Student Recreation Complex Fee

All students attending class on the Tempe campus are assessed a mandatory fee to fund the Student Recreation Complex, as approved by a student referendum in the Fall of 1985. Students enrolled for seven or more hours are charged \$25; those enrolled for one to six hours are charged \$12. Faculty/staff who are also students are not assessed the recreation center fee with their other registration fees, but may pay an optional fee at faculty/staff rates. The Student Recreation Complex Fee is refundable only upon complete withdrawal in percentage increments per the refund schedule.

## Late Fees

All students that register beginning with the first day of the semester will be assessed a late registration fee of \$35.00. Registration after the published deadline may be permitted under extraordinary circumstances if approved by an authorized College designee. Late fees are not refundable. A \$35 payment late fee will also be assessed on registration payments received after the fee payment deadline on December 18, 2001, but processed before the class enrollment purge on December 20, 2001.

## Music Fees (Private Lessons)

1/2 hour of instruction per week ..... \$60.00  
1 hour of instruction per week ..... \$100.00

## Fee Receipts

Students requiring receipts for insurance, reimbursement or other reasons may request them in the Administration Building, Wing A Room 105 . Call SunDial at (480) 350-1500 to confirm payment has been posted.

# Tax Credits

## Education Tax Credits

You or the person who claims you as a dependent on their tax return may be eligible for either the Hope or the Lifetime Learning tax credit when filing an individual tax return. Additional information about these tax credits is available in the IRS Publication 970 "Tax Benefits for Higher Education" which can be found on the Web at the Student Business Services Web site at <http://sbs.asu.edu> or the IRS site at <http://www.irs.gov>. Individual student tax information is available through the Registrar's web site at <http://www.asu.edu/registrar>. You should consult with your personal tax advisor about your qualification for the Hope and Lifetime Learning tax credits. For students who authorize their tuition to be paid from their financial aid, other than waivers, ASU records for tax reporting purposes will show the first day of the semester as their tuition payment date.

## Student Health Insurance

- Group health insurance is available to undergraduate students registered for five or more hours, graduate students enrolled in degree programs, and international students.
- Select health insurance as part of the registration process and pay the full premium for the semester with registration fees at the Student Fee Payment Office.
- International students. Cost of insurance is automatically added to registration fees.
- Late or insufficient payment of premiums will result in charge to student account for remainder of premium owed.
- Coverage may be added or dropped until January 28, 2002.
- Complete withdrawal from the University on or before January 28, 2002, will result in cancellation of coverage and a full refund of premiums paid. Exceptions may be allowed if withdrawal is due to a documented medical condition.
- For further information on eligibility, cost, payment options, coverage limits and coverage for spouses and dependents, contact the Student Health Insurance Office at (480) 965-2411.

# Class Fees/Refund Deposits

## Class Fees/Refundable Deposits

The following classes may require class fees or refundable deposits in addition to registration fees and tuition. Check class listings for Footnote 13. Class fees and refundable deposits listed below are paid at the time of registration. Fees are subject to change. Some classes are not offered every semester.

Refunds of class fees and refundable deposits are processed automatically if the related course is dropped during the first week of class. After the first week, refunds, if any, are determined by the department offering the course. Refund determination is based on withdrawal date, type of activity, and costs already incurred by the department.

# In Person Withdrawal

Students who wish to delete one or more courses from their schedule after the drop/add period must follow the appropriate withdrawal procedure described below. Withdrawal results in a mark of “W” or “E” on your transcript for each course involved.

## Withdrawal Limits

Students are limited to a specified number of **restricted** withdrawals based upon the student’s academic level. There are no limits to the number of **unrestricted** withdrawals a student may process. One restricted withdrawal is assessed for each course withdrawn from, unless a student is withdrawing from all courses. A complete withdrawal results in the assessment of one restricted withdrawal against a student’s limit.

Academic Level	Limit
Freshman (24 or fewer hours)	2
Sophomore (25-55 hours)	2
Junior (56-86 hours)	2
Senior (87 or more hours)	2
Post-Baccalaureate (2nd undergraduate degree)	2

Students who have reached their restricted withdrawal limit will not be allowed to process any additional restricted course withdrawals. However, students will be allowed to process a restricted complete withdrawal even when they have reached the restricted withdrawal limit. The preceding does not apply to audit enrollment or zero hour labs and recitations.

## Course Withdrawal\*

Course withdrawal is the process used to withdraw from one or more courses (but not all courses) in which you are registered for the semester. Through the end of the first week of classes, you may drop a course(s) by following the procedure described. After the first week of classes, follow these steps to process a course withdrawal:

### Unrestricted Period

January 21 - February 8      In Person

1. In Person: Complete and process an unrestricted course withdrawal form, which can be obtained at the Registrar Site, Registrar’s Office or the web at <http://www.asu.edu/interactive>.

### Restricted Period

February 11 - March 29

1. Obtain a withdrawal form from the Registrar Site, the Registrar’s Office or the web at <http://www.asu.edu/interactive>.
2. Obtain signature and verification of grade from instructor(s).
3. Have the form processed within 5 working days at the Registrar Site.

## Complete Withdrawal\*

The complete withdrawal process is used to withdraw from all courses for the semester. Follow these steps:

### Unrestricted Period

January 20 - February 8      In Person  
November 19 - February 8      SunDial

1. In Person: Complete and process an unrestricted withdrawal form which can be obtained at the Registrar Site, the Registrar’s Office or the Web at <http://www.asu.edu/interactive>.
2. SunDial: Call (480) 350-1500. Note: Complete Withdrawals are not available on SunDial after drop/add period.

### Restricted Period

February 11 - April 25

1. Obtain a withdrawal form from the Registrar Site, the Registrar’s Office or the Web at <http://www.asu.edu/interactive>.
2. Obtain signature and verification of grade from each instructor. Without instructor signature and verification of grade, an “E” will automatically be assigned.
3. Have the form processed within 5 working days at the Registrar Site.

\* To determine whether you will be eligible for a refund after withdrawing, see the Refund Schedule on page 29.

## Financial Aid Refund/Repayment Requirements

Institutions are required by the U.S. Department of Education to maintain a fair and equitable refund policy. For those Federal Student Financial Aid students who completely withdraw on or before the 60% point of the enrollment period, the university must calculate the students' refund amounts using the Federal Refund Policy.

### Financial Aid Refund

A refund is defined as the difference between the amount of earned and unearned financial aid that was applied to university charges. ASU is responsible for returning unearned financial aid to the Federal Student Aid Programs.

Example: A student receives a \$1,600 student loan and has a \$1,000 tuition bill. The university takes \$1,000 of the loan to cover tuition. The student withdraws at the one-quarter mark of the semester, having "earned" only 25% of the loan. The university returns 75%, or \$750, to the government.

Refunds are returned by the university on behalf of Federal Student Financial Aid recipients and will appear as an accounts receivable charge.

Therefore, a student may owe a bill if any tuition refund granted is not sufficient to cover the amount of financial aid returned. For more information regarding tuition refunds, please see the Tuition Payment section of the Bulletin.

- \* Earned financial aid is determined by calculating the number of days attended divided by the number of days in the enrollment period.
- \* Unearned aid is calculated by subtracting the earned aid percentage from 100%.
- \* Institutional charges include tuition, fees, and residence hall charges.

## Financial Aid Repayment (Overpayment)

A repayment is defined as the amount of unearned aid disbursed to the student. The student is responsible for repaying the amount of unearned disbursed aid by the following methods:

- Loans: Students repay their share of unearned aid attributable to a loan under the terms and conditions of the promissory note.
- Grants: Students will repay grants to the U.S. Department of Education. However, grant repayments will receive a 50% discount. Note: Grant repayments are considered "overpayments" by the U.S. Department of Education. Any correspondence you receive regarding this type of repayment will be referred to as such.

Example: A student receives a \$1,600 Pell Grant and has a \$1,000 tuition bill. The university takes \$1,000 of the grant to cover tuition. The student withdraws at the one-quarter mark of the semester, having "earned" only 25% of the grant. The university returns 75%, or \$750, to the government. The student, with \$600, will have \$450 in unearned aid; with half off, the student would owe only \$225.

## Allocating Refunds and Repayments

Refund and repayment amounts must be distributed according to a specific order of priority (listed below) prescribed in the law and regulations.

1. Unsubsidized Stafford Loan
2. Subsidized Stafford Loan
3. Unsubsidized Direct Loan
4. Subsidized Direct Loan
5. Perkins Loans
6. Federal PLUS
7. Direct PLUS
8. Pell Grant
9. FSEOG
10. Other Title IV Programs

**IMPORTANT:** Overpayments will be reported to the U.S. Department of Education (DOE) by the university. The student is responsible for establishing satisfactory repayment arrangements with the DOE within 45 days. ASU will notify students with specific information regarding this process. A student's failure to contact the DOE may result in a loss of eligibility for future financial assistance at any postsecondary institution.

January 21 - January 25 .....	60%
January 28 - February 1 .....	40%
February 4 - February 8 .....	20%
February 11 and after .....	none

**On SunDial, the complete Withdrawal Option and the 80% refund are available until Sunday, January 20, 2002.**

**A minimum of \$35 will be retained by the University, regardless of the refund percentage.** Refund checks will be made payable to the student and mailed to the student's current address (as listed with the Registrar) after the refund period. All refunds will be made net of any amounts due the University.

\* There is a 100% adjustment of fees for decreases in total hours registered (except for complete withdrawals) during the drop/add period ending January 18, 2002.

## Delinquent Financial Obligations

Students with delinquent accounts will not be allowed to register for classes, receive cash refunds, or obtain official transcripts or diplomas. University billings not paid by the due date are subject to a **\$12 late charge**. If the late charge is not paid within 30 days of this first charge, a second \$12 charge is assessed and if the late charge is not paid within 60 days of the first charge, a third \$12 late charge is assessed.

# Special Programs Classes

## International Programs

ASU offers over 100 semester and academic year programs of two major types in 30 countries. Study Abroad programs are usually designed for ASU and other international students and include--but are not limited to--intensive language, culture and area study programs. Exchange programs offer direct enrollment in regular university courses in a partner institution abroad. Students earn 12 to 18 ASU credit (not transfer credit) per semester while participating in an ASU program abroad. Interested students can obtain information and a *Qualifying Application* packet at the International Programs Office (IPO), Moeur 124, (480) 965-5965. Application deadlines are: **November 1, 2001** for the spring programs, and **April 1, 2002** for fall and academic year programs. Please visit the IPO Website at <http://www.ipo.asu.edu>

## CED 394- Seminar Courses

CED 394 – Co-Curricular Programs courses are small group seminar courses that bring together a faculty member with a maximum of twelve students to discuss and learn about a specific interest or topic. CED 394 courses are one credit, pass/fail elective courses and are open to freshmen through senior undergraduate students of all majors. For more information, please contact the office of Co-Curricular Programs at (480) 965-9600 or visit the web site at [www.asu.edu/vpsa/partnerships](http://www.asu.edu/vpsa/partnerships) to see a listing of current courses being offered.

## Campus Match

Campus Match is a unique opportunity for freshmen to spend their first semester in a learning community. Groups of twenty-five students who share similar academic interests are clustered together in a core of the same classes. Campus match students take two three-credit general studies courses and a 1-credit student success seminar (UNI 101) together, in addition to a math or elective course of the student's choice. All Campus Match clusters include an ENG 101 or WAC 101 class and a variety of general studies classes, some of which are PGS 101, SOC 101, HUM 110, ECN 111, CHM 113 and BIO 201. UNI 101 is a seminar led by a peer facilitator in which students form study teams, discover campus resources, and become oriented to the diverse campus culture. Campus Match is the ideal program for anyone looking to ease the transition from high school to ASU. For more information call the Campus Match staff at (480) 965-3097.

## The Service Learning Program

Service Learning is an interactive way to connect course work to the community. Students enrolled in Service Learning sections of English, Sociology, Math or Science courses satisfy their general studies requirements and earn 3 additional upper-division credit hours for a linked service internship. Students can also enroll in just the service learning internship after they have taken the linked course. English and sociology students engage at-risk children in reading and learning activities three afternoons a week. Science and math internships are offered in microbiology, physical science, plant biology, geography, geology and math during the school day. Interns lead small groups of children in hands-on science and math activities. Students can also learn to present one-hour science demonstrations at K-12 schools. The internships satisfy community service requirements, non-lab science requirements for Liberal Arts majors, and enhance students' resumes. Look for footnote flag #34, visit the Service Learning Program's web site [www.asu.edu/duas/servlearn/](http://www.asu.edu/duas/servlearn/) or call (480)727-6382 for more information.

## First-Year Seminar

**First-Year Seminar** classes allow freshmen to explore a topic of interest in a discussion-rich, small group setting. The seminars represent the full range of the Liberal Arts and Sciences disciplines, with selected offerings in other colleges. The classes are graded on a pass/fail basis, and students receive one credit toward graduation requirements. Generally the classes meet for one hour each week; however, some classes include field trips or films which may require participation beyond the scheduled time. All of the classes involve discussion and a lively exchange of ideas. Contact your academic advisor for a complete description of the First-Year Seminars.

## Freshman Year Experience

The **Freshman Year Experience** (FYE) is a University-wide initiative designed to provide a strong foundation for all freshmen and foster both academic and personal success through academic support services, faculty interaction, and involvement with the university community. FYE services include academic advising, tutoring, academic classes (i.e., Eng 101& 102, UNI 100, HIS 104, MAT 117, etc.), computing facilities, leadership opportunities and a series of programs that assist students with personal development. FYE service sites include Palo Verde East & West, Manzanita, McClintock and Sahuaro residence halls. For more information regarding FYE services please call (480) 965-1512.

## University 100 (UNI 100)

**University 100 (UNI 100)** is a 3 credit hour comprehensive student success course designed to assist in the development of effective academic strategies and to promote an understanding of human diversity, values and perspectives as they relate to overall student success at ASU. Curriculum covers orientation to ASU resources, diversity and understanding campus cultures, time management, note-taking, text reading, test preparation, library use, academic planning and career decision making. You will have an opportunity to meet and work closely with other students in a small class setting. Each section holds only 25 students so register early! For more information contact the UNI 100 office at (480) 965-3097. For a listing of the UNI 100 classes in the Schedule of Classes, look under Division of Undergraduate Academic Services.

## Supplemental Instruction

The Supplemental Instruction program offers free, organized study sessions for selected classes. These study sessions are led by a Supplemental Instruction (SI) leader, a student who has already successfully passed the course and who is usually recommended by the professor as a model student. The SI leader attends the class and meets with the professor on a frequent basis in order to offer high quality, efficient study sessions three to five times a week. In addition to reviewing and synthesizing class content, SI sessions are designed to help students learn the study skills necessary to succeed in challenging courses. Any student enrolled in the class can participate in SI sessions as frequently as the student desires. SI is a national program that has been proven to help students improve their grades, on average, one-half of a grade. Each semester SI is offered in different classes. SI at ASU is sponsored by the Division of Undergraduate Academic Services and Student Affairs. To find out more about SI, contact the SI staff at (480) 965-3097.

## Student Addresses

Local, permanent and billing addresses are maintained on each student. It is extremely important that students notify the University by either completing a change of address form at any Registrar Site or accessing the Registrar's Web site at <http://www.asu.edu/interactive> when their addresses change. See page 186-187 for information about release of student addresses and other directory information.

# General Information

---

## General Services

General Services is multifunctional information and services about admission, registration, tuition payment, and financial aid, in addition to general information about the university and many of its programs. Information and services are available at both main campus registrar site (UASB 140), Undergraduate Admissions, Student Financial Assistance, the Registrar's Records Information counter, and in various academic advising units. General Services is a collaborative effort of the Student Process Reengineering Project (SPRP).

General services and information are also available at the OASIS in the Academic Center Building at ASU East.

## Student Identification

**Students are required to provide photo identification in order to receive ASU services or gain access to educational records.** At ASU the student ID is called the Sun Card. Each admitted student who completes the registration process is eligible for a Sun Card. Call (480) 965-CARD (2273) for more information.

### Dates & Locations

#### ASU Main

Sun Card photos are taken at the Sun Card Office on the first floor of the Memorial Union. Office hours are:

8:00 AM - 5:00 PM Monday - Friday

During the week before and the first 3 weeks of the Fall and Spring semesters the Sun Card office will stay open until 6pm on Tuesdays and Wednesdays. Please see the Calendar on page 2 for University holidays.

To activate additional services such as Sun Dollars call (480) 965-CARD for details. For available dining options call (480) 965-3464. Additional information on all of these features can be viewed at <http://www.suncard1.com>.

#### ASU East

Sun Card photos are taken at the OASIS Center in the Academic Center Bldg., Garden Level, during regular office hours. Call (480) 727-3278 for more information.

#### ASU West

Sun Card photos are taken at Admissions Services, University Center Bldg. UCB 120, during regular office hours. Call (602) 543-8203 for more information.

## Veteran's Educational Benefits

Veterans and eligible dependents must apply for veteran's educational benefits and verify their status each semester. Certification for benefits may be initiated effective with the distribution of scheduling/billing statements. Distance Learning classes have Veterans Education Benefit restrictions. Veterans may not collect benefits for audited classes. For more information, contact the Veterans Services Office:

**ASU East Campus**, Academic Center Building, (480) 727-1042.

**ASU Main Campus**, Student Services Building, 148, (480) 965-7723.

**ASU West Campus**, University Center Building, UCB-120, (602) 543-8220

## Parking Permits

ASU campus specific decals are required to park on campus. Vehicle license plate number(s), photo ID, and completed parking permit application must be provided at the time the decal is purchased.

Residence Hall Parking decals require a Residence Hall Parking Check-in form signed by the Hall Director. Purchases by proxy may be made by presenting a letter of authorization from the purchaser and the photo IDs of both the purchaser and the proxy.

Temporary permits, meters, and hourly visitor lots are available for visitors.

To purchase a decal by telephone, call (480) 921-PARK (7275) or pick up a ParkSmart worksheet at the Memorial Union, Bookstore, or Parking and Transit Services.

**ASU Downtown Center** (Phoenix) students should call (602) 965-3046 for parking information.

**ASU East** students should call (480) 727-EAST.

**ASU West** students should call (602) 543-PARK.

## STUDENT AID DISBURSEMENT

**Electronic funds transfer** (direct deposit) to your checking account is available for most students and is the **preferred** method of receiving your aid. Available Funds will be disbursed **prior** to the start of classes, in time to purchase books and supplies, for those students electing to have electronic funds transfer to their checking account. Further information and the necessary forms to enroll are available on the Web at <http://www.asu.edu/fastt> or in the Student Aid Disbursement Office, Student Services Building, 240, or call (480) 965-2956 for additional information.

**In person disbursement**, for those students not electing electronic funds transfer, will begin on January 14 at the Student Aid Disbursement Office (located in the MU Ventana room during the first week of classes).

January 14	8:15 AM-4:30 PM	MU Ventana Room
January 15	8:15 AM-6:30 PM	MU Ventana Room
January 16-17	8:15 AM-4:30 PM	MU Ventana Room
January 18	8:15 AM-3:30 PM	MU Ventana Room
January 22nd and after	8:15 AM-4:30 PM	Student Aid Disbursement Student Services Bldg. 230

**EVENING HOURS** are until 6:30 PM on Tuesday, January 15 in the Memorial Union, Ventana Room.

**DISBURSEMENT AT ASU EAST** may be requested by contacting ASU East Financial Aid Services, Academic Center Building, 54. No aid will be disbursed before the first day of classes. Call (480) 727-1042 for more information.

**DISBURSEMENT AT ASU WEST** may be requested by contacting ASU West Financial Aid Services, University Center Building, 120. No aid will be disbursed before the first day of classes. Call (602) 543-8178 for more information.

**STUDENTS PICKING UP THEIR STUDENT AID** must present photo identification and must appear in person. All student aid will be disbursed net of any amount due the University. Student aid not disbursed electronically or in person will be mailed to the local address on file with the university.

## FLASH

FLASH (Free Local Area Shuttle) service is approximately every 10 to 15 minutes Monday-Friday. FLASH is a great way to get around ASU particularly for the many students who park in Lot 59. The FLASH Forward operates in a clockwise direction and FLASH Back operates in a counter-clockwise direction. The FLASH offers a convenient transportation alternative to get you where you need to go at ASU and downtown Tempe. Regular hours are Monday – Thursday: 7 a.m. to 8 p.m. and Friday: 7 a.m. to 6 p.m. The last bus leaves ASU lot 59 at approximately 7:40 pm. (5:40 pm on Fridays) and arrives back at ASU Lot 59 at 8 p.m. (6 p.m. on Fridays). For more information, call (480) 965-1072 or visit our web site at <http://www.asu.edu/dps/pts>.

## Voter Registration

As a service to Arizona State University students, Arizona Voter Registration forms are available in the literature racks in the following ASU locations:

### ASU Main Campus

Student Services Building  
UASB Registrar Site  
Disability Resources for Student - Lobby

### ASU East Campus

OASIS

### ASU West Campus

Admission Services

Or, if you prefer, from the following web site you may link to the Arizona Secretary of State's office web site to request that a voter registration form be mailed directly to you: <http://www.asu.edu/registrar/general/voter.html>

## Off Campus Student Services – ASASU

A variety of services, particularly helpful to students who commute, are available at ASU. The office of Off-Campus Students Service (OCSS) sponsored by Associated Students (ASASU), offers services oriented to Off-Campus students. OCSS provides aid in locating Off-Campus apartments and guides to off-campus living. For more information, call the office of Off-Campus Student Services at (480) 965-6246.

**ASU Main/West Shuttle Service .** The ASU West Express is a shuttle that operates between ASU Main and ASU West during regular semesters. Trips are scheduled Monday-Thursday between 6:10 AM and 9:45 PM and on Friday between 6:10 AM and 5:45 PM. Books of ten tickets are available from the campus Cashiering Office and ASU Main Parking and Transit Services for \$15.00 (\$1.50 each way). The cash price at the bus is \$2.00 each way. For more information or an updated schedule, call (480) 965-1072 or (602) 543-PARK. Also visit our web site at <http://www.asu.edu/dps/pts> or <http://www.west.asu.edu/adaff/auxs/parking/expstlserve.htm>.

**ASU Main/Mesa Community College/ASU East Shuttle Service.** The ASU East shuttle bus service operates Monday-Friday from 6:15 AM to 10:00 PM with regular stops at ASU Main, Mesa Community College, and ASU East. Books of ten tickets may be purchased for \$15.00 at Cashiering Services on both the Main and East campuses as well as the MCC Bookstore. The cash price at the bus is \$2.00 each way. Call (480) 965-1072 or (480) 727-EAST; also visit our web site at <http://www.asu.edu/dps/pts> or <http://www.asu.edu/east/clis/shuttle.htm> for more information. Schedules are available at the OASIS at ASU East. The shuttle does not provide service on university holidays, during semester breaks or during the summer.

## Discrimination Complaints

Any complaint of alleged discrimination in employment, educational programs or activities because of race, color, national origin, religion, sex, sexual orientation, age, disability, other eligible veteran status or Vietnam era veteran status may be filed with the Office of Equal Opportunity/Affirmative Action for investigation and resolution. Any employee or student may visit with the director, or an assistant director, to discuss, in confidence, any concern without fear of jeopardizing job or academic standing within the University. The office is located in Administration B-Wing, Room 171, (480) 965-5057, TTY (480) 965-0471.

## Accommodations for Disabilities

The ASU Main, East and West campuses offer a wide range of accommodations for qualified students with disabilities. Some classroom accommodations, such as Braille, audio tapes, interpreting services, enlarged print, lab materials conversion specialized adaptive equipment and the hiring of lab assistants, require extended preparation time, i.e., one semester. **To ensure the availability of your accommodations from the first day of class, use Pre-Registration and notify the appropriate disability office on your campus immediately upon submitting your COURSE REQUEST PRE-REGISTRATION form.** For classes on the ASU Main/East campuses, contact Disability Resources for Students (DRS), Matthew Center, (480) 965-1234 (Voice) (480) 965-9000 (TTY) and view policies on-line at <http://www.asu.edu/drs>. For classes at ASU West, contact the Disability Resources Center at (602) 543-8145 (Voice), (602) 543-4327 (TTY) and view information on-line at [www.west.asu.edu/stuaffairs/drc](http://www.west.asu.edu/stuaffairs/drc).

**NOTE: Disability documentation is required. Information regarding disabilities is confidential.**

## Child and Family Services

Child and Family Services (CFS) provides child and elder care resource and referral services for ASU students, faculty and staff. CFS provides information regarding on-campus and off-campus programs and services for families along with workshops, support groups, and educational resource materials to aid ASU parents. Programs for children on the Tempe campus include: Campus Children's Center (480) 921-2737, Child Development Lab (480) 965-7267, Child Study Lab (480) 965-5320, and the College of Education's Preschool (480) 965-2510. Information may be obtained at CFS or by calling (480) 965-9515 or visiting our web site at <http://www.asu.edu/vpsa/family>. CFS is located in the lower level of the Memorial Union, Room 14C. Child care at ASU East is provided through Head Start/Early Head Start (480) 988-3644, Child Care (480) 727-1400, Williams Campus Branch Boys and Girls Club (480) 279-1406. Childcare at ASU West, contact the Child Development Center and Family Studies Lab at (602) 543-5437.

## ASU Main/ASU West Campus Environment Teams

The Campus Environment Teams (CET) at ASU Main/ASU West are advisory groups to the President/Provost established for the general purpose of providing on-going activities to promote a positive campus environment for faculty, staff, and students. CET's service to the university community is to support a campus environment that values diversity, fosters respect for all individuals regardless of their status, and protects free speech and academic freedom. CET welcomes contact from individuals who need assistance in these areas and will act as a referral source, provide education and information, and respond to those issues brought to the team. For further information call: Secretary, **ASU Main (480) 965-4840** between 8:00 AM-12:00 PM or Carolyn Jones, **ASU West (602) 543-4502** between 8:00 AM-5:00 PM.

**The Multicultural Student Center (MSC)** Provides a central location for multicultural students to access services designed to assist them in their pursuit of academic success. Staff members actively seek to recruit and retain multicultural students through University success courses and one-on-one guidance, consultation and referral offered to address academic, personal and cultural needs of multicultural students. The Hispanic Mother/Daughter Program and the Native American Achievement Program are specialized programs designed to increase the persistence and graduation rates of students. Summer programs such as the Asian Lead Academy, Native American Summer Institute, Academic Program Promoting Leadership Enrichment and Service (APPLES) and the Sun Devil Welcome provide outreach to the community and assist students with their transition and adjustment to the university. The Student Coalitions, as well as other multicultural student organizations, provide cultural programming and academic support to African American, American Indian, Asian American, Hispanic/Latino, Gay and Lesbian and women students. MSC is located in Student Services Building, Room # 394, (480) 965-6060. Web site: [www.asu.edu/studentlife/msc](http://www.asu.edu/studentlife/msc)

**Testing Support Services (TSS)** provides preparation courses for students interested in improving their scores on the following exams: Graduate Record Exam (GRE), Graduate Management Admission Test (GMAT), and the Law School Admission Test (LSAT). Preparation course schedules can be obtained at the TSS office in the Student Services Building, Room 382, by phone at (480) 965-6777 or by accessing our web site at [www.asu.edu/vpsa/tss](http://www.asu.edu/vpsa/tss).

**The Learning Resource Center (LRC)** offers academic assistance to undergraduates through scheduled, small-group tutoring, peer coaching, and computer-assisted instruction. Students who register for the services can receive up to 3 hours of tutoring a week; access to peer coaching for help with academic, study, and college-survival skills; and use of the IBM compatible computer labs. The LRC offers free workshops in college-adjustment skills and in computer applications and software. All staff are trained, and the LRC's peer tutors are certified by the College Reading and Learning Association. For further information or to register for these services, call the LRC at (480) 965-6254 or visit the office, room 394, in the Student Services Building.

**Counseling and Consultation (C&C)** provides confidential psychological and psychiatric services for enrolled ASU students. The staff can help students with most mental health, and personal concerns. To set up an appointment, stop by either site at the Student Service Building, Room 334, or Student Health and Wellness Center, Room A168 or call (480) 965-6146; or (480) 965-4726. You may also access our web site at [www.asu.edu/vpsa/counseling](http://www.asu.edu/vpsa/counseling).

## Sexual Harassment

The following conduct shall constitute a violation of ASU's sexual harassment policy:

1. making sexual advances or requesting sexual favors if submission to or rejection of such conduct is the implicit or explicit basis for imposing or granting terms and conditions of employment or education at the university;
2. making sexual advances, requesting sexual favors, or otherwise discriminating on the basis of gender in a manner that unlawfully creates an intimidating, hostile, or offensive working, residential, or educational environment at the university or that otherwise unlawfully interferes with an individual's work or educational performance;
3. engaging in any sexual contact against a person who has not given consent or committing any act of sexual assault, public sexual indecency or sexual abuse against a person who has not given consent, if the act is committed on university property or in connection with any university-sponsored event or activity;
4. acting, recommending action, or refusing to take action in a supervisory position in return for sexual favors, or as a reprisal against a person who has rejected, reported, filed a complaint regarding, or been the object of sexual harassment; or
5. disregarding, failing to investigate, or delaying investigation of allegations of sexual harassment to the extent that action, reporting, or investigation is appropriate or required by one's supervisory position.

Also, when an individual is involved in an amorous relationship with someone over whom he or she has supervisory authority, the individual must remove himself or herself from any participation in recommendations or decisions affecting evaluation, employment conditions, instruction or the academic status of the other person in the relationship, and must inform his or her immediate supervisor. The supervisor informed of the amorous relationship will issue a written statement for the department personnel file identifying the person(s) responsible for recommendations and/or decisions affecting evaluations, employment conditions, instruction, and/or academic status of the other person involved in the relationship. Contact any of the following for information or assistance: Student Life (Main campus) (480) 965-6547, (East) (480) 727-1041, (West) (602) 543-8200, or EO/AA Office (all campuses) (480) 965-5057, TTY (480) 965-0471.

# Extended Education

## Extended Campus Credit Courses

Through the College of Extended Education, off campus credit courses extend the University's resources to local, regional, national and international locations. Courses are scheduled throughout the metro area at times and locations convenient to working adults.

All credit courses offered off-campus by Arizona State University, whether live, through technology, or via independent Learning, are delivered through Extended Campus, in partnership with other ASU colleges.

Credits earned off-campus, except Independent Learning courses (formerly "Correspondence Study"), are recorded on a student's permanent record in the same manner as those earned on-campus, and both are equivalent in all academic considerations.

## Evening Degree Programs

ASU is committed to extending access to its resources to a broad spectrum of the community, including working adults. The College of Extended Education collaborates with ASU's academic colleges to offer students of all ages the opportunity to complete a bachelor's degree during evening hours in select areas: English, History, Political Science, Psychology, Religious Studies, Sociology and Communication. These evening courses can be found in the Main section of the schedule. See page 57 for complete list.

For additional information on extended campus credit courses and evening degree programs, call Academic and Professional Programs in the College of Extended Education at (480) 965-9797.

## Winter Session

A four week inter-session is scheduled from December 17, 2001 through January 11, 2002. Students may enroll in one course and earn up to three credits. Winter Session enrollments and grades are recorded on Fall 2001 transcripts. Courses are most often held on the main campus and during morning hours on a daily basis, Monday through Friday. The cost per credit hour is \$126 for all students. Payment is due at the time of registration. All registrations are taken by Extended Education Academic & Professional Programs, Ritter Building, B-132. Students may register by calling (480) 965-9797 using VISA or MasterCard. Registration for Winter Session will begin October 1, 2001. The condensed format for Winter Session courses and separate registration procedures necessitate a unique calendar for Winter Session withdrawal activity. For Winter Session policies, procedures, and course information, contact Academic and Professional Programs at 965-9797. Winter Session Class Schedules will be available September 21, 2001 at all registrar sites. See page 57 for a list of Winter Session 2001 courses.

# Final Exam Schedule

## Final Exam Week: May 2-4, 6-8

Except to resolve those situations described below, no changes may be made in this schedule without prior approval of the Dean of the college in which the course is offered.

Classes that start at or after 5:40 PM will hold exams on the same evening the class was held during final exam week. (Not during the last week of classes.) Classes not listed in the schedule to the right will be held as scheduled by the department. See the instructor for date, time and location.

Under this schedule, if a conflict occurs, or a student has more than three exams on one day, the instructors may be consulted about an individual schedule adjustment. If necessary, the matter may be pursued further with the appropriate dean(s). This procedure applies to conflicts among any combination of ASU Main, ASU East, ASU West, and/or ASU Extended Campus classes.

## ASU Main Classes

# General Studies Requirements

All students enrolled in a baccalaureate degree program must successfully complete a minimum of 35 semester hours of approved General Studies courses, distributed in five core areas and three awareness areas. In determining graduation requirements, undergraduate students may use only one edition of the *ASU General Catalog* or the *ASU West Catalog*. The following General Studies requirements apply to students who follow the *2000-2001 General Catalog*, *2000-2001 ASU West Catalog*, and later editions of both. Students under previous catalog years should consult with an advisor or refer to the appropriate catalog for the General Studies requirements that apply to them.

The 35 semester hours must be completed in the five core areas. Students also must take courses that satisfy each of the three awareness areas. However, the awareness area requirement does not mean that the student must exceed 35 hours. Many courses concurrently satisfy a core requirement and an awareness area requirement.

The following conditions apply in taking courses to satisfy the General Studies requirement:

1. a course may satisfy a core and an awareness area requirement concurrently;
2. a course may not be used to concurrently satisfy requirements in two core areas, even if it is approved for more than one core area;
3. a course may be used to concurrently satisfy requirements in two awareness areas, if it is approved for those areas.

First-Year Composition is a university requirement for all students that is separate from and in addition to General Studies.

All courses selected to fulfill the General Studies requirement must be chosen from the list of approved General Studies courses (see the current list, following this explanation). These courses have been submitted by the academic departments, scrutinized by the General Studies Council, and approved only if they meet specific criteria. These courses are designed to develop critical skills and to expose students to a broad range of knowledge.

## Core Areas

**Literacy and Critical Inquiry (6 semester hours):** Two approved writing- and speaking-intensive courses beyond freshman composition are required. Students must complete six semester hours from courses designed as L, at least three semester hours which must be chosen from approved upper-division courses, preferably in their major. Students must have completed ENG 101, 107, or 105 to take an L course.

**Mathematical Studies (6 semester hours):** One course (MA) must be approved college mathematics, algebra, precalculus, or a higher level mathematics course. The second course will be either an approved course in statistics and quantitative analyses, or the use of the computer to assist in math analytical work (CS).

**Natural Sciences (8 semester hours):** Two approved laboratory courses in the natural sciences are required. One (SQ) must include a substantial introduction to the fundamental behavior of matter and energy in physical or biological systems. A second laboratory course (SQ or SG) is required.

## Humanities and Fine Arts (HU) + Social and Behavioral Sciences (SB) (15 semester hours):

Six semester hours must be taken in one of these core areas and nine in the other. In addition, at least one course must be at the upper division level.

## Awareness Areas

Students are required to complete courses in each of the awareness areas: **Historical Awareness (H)**, **Global Awareness (G)**, and **Cultural Diversity in the United States (C)**. This requirement can usually be met without exceeding the 35-semester hour General Studies requirement. See the Code and Requirements table below.

**Some colleges and departments have distribution (or other) requirements which may influence your course selections. Check with your advisor before selecting courses to fill your General Studies requirements.**

Approved courses are listed below. ASU Main and ASU East courses, preceded by the letter M, are listed first, followed by ASU West General Studies courses, preceded by the letter W. Each course listing specifies the core and/or awareness area fulfilled.

Please see the current ASU General Catalog or ASU West Catalog for a complete description of the University General Studies Program and of the content of the approved courses for the appropriate campus.

## Codes and Requirements:

# Distance Learning Courses

## Distance Learning and Technology - Phone 480/965-6738 Web Site <http://www.dlt.asu.edu>

Arizona State University offers credit courses by instructional television, the Internet, and Independent Learning. Distance learning courses make it possible for students to view lessons and complete class assignments at home, work, or other convenient location. Some exams may be held on campus.

Register through SunDial or in-person by the end of late registration on January 20. See Registration pages for details. Fee payment must be provided in accordance with the university's fee and refund policies (See Fee pages). For TV courses that begin after the first week of classes, registration may continue in person up to the first broadcast and no late fee will be charged; however, late registrations require dean's approval.

Textbooks may be purchased or ordered by mail from the University Bookstore (<http://asuacs.asu.edu>). Call the main campus bookstore (480/965-5817), the west campus bookstore (602/543-6800), or the east campus bookstore (480/727-1146) during regular business hours for more information. Videotapes of classes are available from University Libraries Video Resources located in ECA-100. Students should call 480/965-5046 for current hours or to reserve viewing space and videotapes.

Courses listed are available to Phoenix area residences (via Cox Communications, Qwest, Cable America, and KAET Channel 8); ASU West; ASU Downtown Center; ASU East; Cactus Shadows High School; Casa Blanca Day School; Blackwater Community School; and the university residence halls. Courses are also available at corporate business locations (including Verizon Wireless; AG Communication Systems; Boeing; GTCO CalComp; Gain Technology; Honeywell Space and Avionics Systems; Honeywell Satellite Systems Operation; Honeywell IAC; Honeywell CAS; Intel; Inter-Tel; Lockheed Martin; Microchip Technology; Medtronic Microelectronics; Motorola SSG-Scottsdale; Motorola ASIC; Motorola Computer Group; Motorola SPS-Tempe and Mesa; Motorola-52nd St.; ON Semiconductor; Radiation Safety Engineering; Intersil; Litton TASC Inc.; and Philips Semiconductor). Courses listed for Phoenix and Tempe only will not be available in other communities. Course schedules are accurate at the time of printing. For more information regarding distance learning courses, call Distance Learning and Technology at 480/965-6738 or visit on the web <http://www.dlt.asu.edu>.

## CABLE/PUBLIC TELEVISION COURSES Phone 480/965-6738 [www.dlt.asu.edu](http://www.dlt.asu.edu)

Courses begin the week of January 14. Course descriptions are available in the ASU General or the Extended Campus catalog (<http://www.asu.edu/xed>). All students in televised classes should view the first class session for information on obtaining a syllabus and other course materials.

## INTERACTIVE INSTRUCTIONAL TELEVISION PROGRAM (IITP)

Phone 480/965-6738

[www.dlt.asu.edu](http://www.dlt.asu.edu)

The IITP makes it possible for employees of participating companies to take courses at the work site. IITP courses are televised live from the main campus using instructional television fixed service channels (ITFS). A teleconferencing system allows students at corporate receive locations to interact with instructors and students on campus while class is in session. Daily courier service circulates homework, handouts, exams and other course materials from campus to work sites. The Master of Science in Engineering is available via the IITP. The MSE, with a major in electrical engineering, is designed specifically for the part-time student working full-time in industry. For more information about this degree program, call the Department of Electrical Engineering at 480/965-3424. Students not enrolled in a graduate program must call the EE advising office at 480/965-3424 before registering for televised EE courses. The following courses are available from the College of Engineering and Applied Sciences at corporate and public receive sites in the Phoenix area. Call Distance Learning and Technology for more information at 480/965-6738.

## INDEPENDENT LEARNING COURSES

Phone 480/965-6563

[www.dlt.asu.edu](http://www.dlt.asu.edu)

Independent Learning courses allow many students to earn credits toward degrees or opt for personal or professional enrichment while participating in courses at home or other locations away from campus. Students can enroll in courses at any time and follow a flexible schedule for completing coursework. Some courses are available on the Internet. Subject areas include business, education, history, political science, and many others. Note: policies regarding tuition, registration, and other areas applicable to independent learning courses differ from regular credit courses. For more information, call the Independent Learning office at 480/965-6563.

### FOR MORE INFORMATION CONTACT

DISTANCE LEARNING AND TECHNOLOGY, ASU COLLEGE OF EXTENDED EDUCATION

PO BOX 870501, TEMPE, AZ 85287-0501

Phone: 480/965-6738 <http://www.dlt.asu.edu>

No institution of higher education shall be eligible to receive funds or any other form of financial assistance under any federal program, including any federally funded or guaranteed student loan program, unless it has adopted and has implemented a program to prevent the use of illicit drugs and the abuse of alcohol by students and employees. Federal law requires the annual distribution of the following information to students and employees.

## PROHIBITION

It is the goal and policy of Arizona State University (“ASU”) to provide a drug free environment for all university students and employees. To achieve this goal and to comply with federal law, ASU prohibits the unlawful sale, manufacture, distribution, dispensation, possession, and use of controlled substances on its property or as part of any of its activities.

Every ASU student and employee must abide by the terms of this statement, abide by applicable policies of the Arizona Board of Regents and Arizona State University, and abide by local, state, and federal laws regarding the unlawful possession or distribution of illicit drugs and alcohol.

ASU students and employees are subject to all applicable drug and alcohol policies, including policies set forth in the University’s Staff Personnel Policies and Procedures Manual, the Academic Affairs Policies and Procedures Manual, Student Affairs Manuals, and Department of Public Safety Manual. The following drug and alcohol policies also apply to students and employees: the Arizona Board of Regents’ Code of Conduct and Rules for the Maintenance of Public Order and Arizona State University’s Policy regarding alcohol and other drugs.

## SANCTIONS

Sanctions under federal and state law for the unlawful possession or distribution of illicit drugs and alcohol are set forth in the attached Exhibit A.

Sanctions will be imposed on a student who violates a Board of Regents’ or University drug or alcohol policy; those sanctions may include suspension or expulsion and may also include the requirement that the student participate in a drug rehabilitation program. Sanctions will be imposed on an employee who violates university drug or alcohol policy; those sanctions may include progressive discipline, termination of employment, and the requirement that the employee participate in a drug rehabilitation program.

## HEALTH RISKS

A. Alcohol. Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person’s ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effect just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

B. Illicit Drugs. A description of health risks associated with the use of illicit drugs is set forth in the attached Exhibit B.

## TREATMENT, COUNSELING, AND REHABILITATION PROGRAMS

Additional information regarding the health risks associated with the use of illicit drugs and the abuse of alcohol, drug awareness programs, and drug rehabilitation programs are available to employees and students through Student Health, the Employee Assistance Program and Counseling and Consultation. Classes on drug abuse are offered in the School of Social Work, Departments of Psychology and Counseling, the College of Nursing and the Human Resources Department.

The following offices have this statement and will provide it on request:

Office of General Counsel	Dean’s Office in each ASU College
Human Resources Department	Graduate College
Provost-East, Main and West Campuses	Student Employment
Office of Research and Creative Activities	Student Life

For further information, contact the Office of General Counsel, (602) 965-4550.

## General Information:

The federal Family Educational Rights and Privacy Act (also known as FERPA, or the Buckley Amendment) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the university receives a request for access.

Students should submit to the registrar, dean, head of the department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

Note: Students must provide photo identification in order to access their education records.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information about the hearing procedures will be provided to the student when notified of the right to a hearing.

Note: FERPA does not address grade disputes or grievances which are handled and pursued through other university and/or college procedures.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic, research, or support position; a person or company with whom the university has contracted (such as an attorney, auditor or collection agency); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. Additional exception categories may be found in STA 105-01: Release of Student Information in the *Student Affairs Policies & Procedures Manual* which is located on the web: <http://www.asu.edu/aad/manuals/sta/sta10501.html>

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Note: A parent of a dependent student may challenge denial of access to the dependent student's record by producing the most current copy of Internal Revenue Form 1040. (Dependency is defined by Section 152 of the Internal Revenue Code of 1954.) If that form lists the student in question as a dependent, the parent will be required to sign an Affidavit of Dependency which affirms that the student is his/her tax dependent. The affidavit will be retained by the Office of the Registrar and must be renewed each tax year. Upon receipt of the affidavit, the university may make the dependent student records available to the parent as specified under the Buckley Amendment.

Students may file a complaint with the U.S. Department of Education concerning alleged failures by Arizona State University to comply with the requirements of FERPA. Students are encouraged to first contact the Registrar's Administration Office at (480) 965-7302. A complaint may be filed with the Department of Education at the following address:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC, 20202-4605

## Definitions:

**Student** is any individual formally admitted to and registered for at least one class at Arizona State University.

**Education Record** is any record(s) directly related to a student and maintained by Arizona State University or by a party acting for the university. This includes any information or data recorded in any medium, including, but not limited to: handwriting, print, tapes, film, microforms, and electronic media.

**Directory Information** (or releasable information) is general information that may be released to anyone without the consent of the student, unless the student indicates otherwise:

Student Name	Major
Local, Permanent, & E-mail Address	College
Local Telephone Number	Dates of Attendance
Date and Place of Birth	Participation in Officially Recognized Activities/Sports
Degrees and Awards Received	Weight/Height of Members of Athletic Teams
Residency Status	
Academic Level	Most Recently Attended Institution

**Personally Identifiable Information** (or nonreleasable information) includes all information not defined as directory information, plus any information including directory information that the student has instructed ASU not to release. Personally identifiable information may not be released without the prior written consent of the student, except to the extent that FERPA authorizes disclosure without consent.

## Student Control of Directory Information

Students may control release of directory information by submitting a form at the Office of the Registrar's Records Information Counter, at any Registrar Site, at ASU East's Oasis, or at ASU West's Admissions and Records counter.

**Unless otherwise requested, a student's name, local address, local telephone number, home address, class standing, and college will appear both in the directory of faculty, staff, and students on ASU's Web pages and in the printed *ASU Directory of Faculty, Staff, and Students*, which is published each fall semester. The web directory also lists the student's e-mail address. To avoid the release of directory information in the printed directory, the appropriate form must be submitted to one of the Registrar locations mentioned above, before the end of the third week of the fall semester.**

Students may limit the release of directory information in response to general inquiries, by submitting the appropriate form at any time.

Students may grant access to individuals or agencies by submitting the appropriate form to one of the Registrar locations listed above.

ASU has a policy that regulates the sale of enrolled student directory information through the Office of the Registrar. Unless otherwise directed by the student, directory information is subject to sale to outside purchasers.

Questions or requests for additional information may be directed to the Registrar's Records Information Section, Student Services Building, Rm 144, (480) 965-3124. Additional information, including FAQ's, is available on the web at <http://www.asu.edu/registrar>.

## Degrees Awarded

In 1999-2000, ASU awarded 6,622 bachelor's, 2,207 master's, 286 doctorate, and 159 law degrees. As calculated for the Graduation Rate Survey, the graduation rate for 1991 first time, full time freshmen graduating in six years or less was 48.4%; the rate for 1992 first time, full time freshmen graduating in six years or less was 46.7%; the graduation rate for 1993 first time, full time freshman graduating in six years or less was 47.2%; the rate for 1994 first time, full time freshmen graduating in six years or less was 47.2%. Information on students who transfer out from ASU is not recorded, therefore is not available.

## Highlights

An ASU student won the coveted Rhodes Scholarship in 1999, the most prestigious academic award in the world. This is the second time in six years that an ASU student has won this award.

Two ASU students have won prestigious 2000 Goldwater Scholarships, the nation's highest undergraduate award in science, mathematics, and engineering. ASU students have won 21 Goldwater awards in the past eight years.

An ASU student has been named to *USA Today's* 2000 All-USA College Academic second team, which honors students for academic accomplishments, student leadership, and community contributions. ASU has had eight students named to the newspaper's academic teams during the past ten years. No other public institution in the country has had so many students win this award.

Two ASU sophomore students won 2000 Morris K. Udall Scholarships, awarded to outstanding students who plan careers in environmental public policy.

Hispanic Magazine named ASU to its list of the top 25 schools in the nation for Hispanic students.
