

Volunteer registration form

Volunteers at Arizona State University are individuals that work or perform activities under the direction and control of an ASU-authorized official and are not paid. Liability coverage is extended to volunteers acting at the direction of an ASU-authorized official and within the course and scope of their ASU activities. Volunteers at ASU are provided the same liability protection afforded to employees. Volunteers working at the direction of a university employee for an official university activity are provided insurance coverage for liability for acts or omissions following state law, Arizona Revised Statutes § 41–621 et seq., Arizona Administrative Code R2–10–107(B).

Workers’ compensation insurance does **not** cover ASU volunteers for injuries or illnesses resulting from their volunteer activities. Volunteers are strongly encouraged to obtain their medical insurance before participating in this program.

Volunteers for ASU-sponsored activities must provide the following information:
